Manifest Destiny And The Coming Of The Civil War 1840-1860:

Manifest Destiny and the Coming of the Civil War, 1840-1860 Don E. Fehrenbach, 1970-01 Lists selected published and microfilmed works including articles and dissertations pertaining to westward expansion government and politics the economy society art and thought and the sectional conflict between 1840 and 1861 *Apostles of Disunion* Charles B. Dew, 2002-03-18 In late 1860 and early 1861 state appointed commissioners traveled the length and breadth of the slave South carrying a fervent message in pursuit of a clear goal to persuade the political leadership and the citizenry of the uncommitted slave states to join in the effort to destroy the Union and forge a new Southern nation Directly refuting the neo Confederate contention that slavery was neither the reason for secession nor the catalyst for the resulting onset of hostilities in 1861 Charles B Dew finds in the commissioners brutally candid rhetoric a stark white supremacist ideology that proves the contrary The commissioners included in their speeches a constitutional justification for secession to be sure and they pointed to a number of political outrages committed by the North in the decades prior to Lincoln s election But the core of their argument the reason the right of secession had to be invoked and invoked immediately did not turn on matters of constitutional interpretation or political principle Over and over again the commissioners returned to the same point that Lincoln s election signaled an unequivocal commitment on the part of the North to destroy slavery and that emancipation would plunge the South into a racial nightmare Dew s discovery and study of the highly illuminating public letters and speeches of these apostles of disunion often relatively obscure men sent out to convert the unconverted to the secessionist cause have led him to suggest that the arguments the commissioners presented provide us with the best evidence we have of the motives behind the secession of the lower South in 1860-61 Addressing topics still hotly debated among historians and the public at large more than a century after the Civil War Dew challenges many current perceptions of the causes of the conflict He offers a compelling and clearly substantiated argument that slavery and race were absolutely critical factors in the outbreak of war indeed that they were at the heart of our great national crisis **The Birth of the Grand Old Party** Robert F. Engs, Randall M. Miller, 2011-12-30 The period from 1850 to 1876 was the most transformative era in American history During the course of this tumultuous quarter century Americans fought a bloody civil war tried to settle the issue of state versus central government power recognized the dominance of the new industrial economy over the older agricultural one and ended slavery long the shame of the nation At the same time a major political realignment occurred with the collapse of the second American party system and the emergence of a new party the Republicans But the defeat of slavery the chief catalyst for the birth of the Republican party was at best a limited success The Constitution had been rewritten to abolish slavery and guarantee equal protection under the law but social equality for African Americans and expanding freedom for others remained elusive throughout the nation For these triumphs and enduring tragedy the Republican party which became in time and memory the party of Abraham Lincoln bore primary responsibility This collection of six original essays by some of

America's most distinguished historians of the Civil War era examines the origins and evolution of the Republican party over the course of its first generation. The essays consider the party in terms of its identity, interests, ideology, images, and individuals, always with an eye to the ways the Republican party influenced mid-nineteenth century concerns over national character, political power, race, and civil rights. The authors collectively extend their inquiries from the 1850s through the 1870s to understand the processes whereby the second American party system broke down, a new party and politics emerged, the Civil War came, and a new political and social order developed. They especially consider how ideas about freedom in the 1850s coalesced during war and Reconstruction to produce both an expanded call for political and civil rights for the ex-slaves and a concern over expanded federal involvement in the protection of those rights. By observing the transformation of a sectional party born in the 1850s into the Grand Old Party by the 1870s, the authors demonstrate that no modern political party, even the one that claims descent from Lincoln, has surpassed the accomplishments of the first generation of Republicans.

Simpson, Professor of History at Arizona State University, is author of *Ulysses S. Grant: Triumph over Adversity, 1822-1865*.

The A to Z of the Jacksonian Era and Manifest Destiny Terry Corps, 2009-07-27. The brief period from 1829 to 1849 was one of the most important in American history. During just two decades, the American government was strengthened, the political system consolidated, and the economy diversified. All the while, literature and the arts, the press, and philanthropy, urbanization, and religious revivalism sparked other changes. The belief in Manifest Destiny simultaneously caused expansion across the continent, and the wretched treatment of the Native Americans while arguments over slavery slowly tore a rift in the country, as sectional divisions grew and a national crisis became almost inevitable. *The A to Z of the Jacksonian Era and Manifest Destiny* takes a close look at these sensitive years. Through a chronology that traces events year by year and sometimes even month by month, actions are clearly delineated. The introduction summarizes the major trends of the epoch, and the four administrations therein. The details are then supplied in several hundred cross-referenced dictionary entries, and the bibliography concludes this essential tool for anyone interested in history.

Slavery and the American West Michael A.

Morrison, 2000-11-15 Tracing the sectionalization of American politics in the 1840s and 1850s Michael Morrison offers a comprehensive study of how slavery and territorial expansion intersected as causes of the Civil War Specifically he argues that the common heritage of the American Revolution bound Americans together until disputes over the extension of slavery into the territories led northerners and southerners to increasingly divergent understandings of the Revolution's legacy Manifest Destiny promised the literal enlargement of freedom through the extension of American institutions all the way to the Pacific At each step from John Tyler's attempt to annex Texas in 1844 to the Kansas Nebraska Act to the opening shots of the Civil War the issue of slavery had to be confronted Morrison shows that the Revolution was the common prism through which northerners and southerners viewed these events and that the factor that ultimately made consensus impossible was slavery itself By 1861 no nationally accepted solution to the dilemma of slavery in the territories had emerged no political party existed as a national entity and politicians from both North and South had come to believe that those on the other side had subverted the American political tradition

Subject Guide to Books in Print, 1996 **The Shattering of the Union**

Eric H. Walther, 2004 The 1850s offered the last remotely feasible chance for the United States to steer clear of Civil War Yet fundamental differences between North and South about slavery and the meaning of freedom caused political conflicts to erupt again and again throughout the decade as the country lurched toward secession and war With their grudging acceptance of the Compromise of 1850 and the election of Franklin Pierce as president in 1852 most Americans hoped that sectional strife and political upheaval had come to an end Extremists in both North and South abolitionists and secessionists testified to the prevailing air of complacency by their shared frustration over having failed to bring on some sort of conflict Both sets of zealots wondered what it would take to convince the masses that the other side still menaced their respective visions of liberty And as new divisive issues emerged in national politics with slavery still standing as the major obstacle compromise seemed more elusive than ever As the decade progressed battle lines hardened The North grew more hostile to slavery while the South seized every opportunity to spread it Immigrant Aid Societies flourished in the North raising money men and military supplies to secure a free soil majority in Kansas Southerners flocked to the territory in an effort to fight off antislavery After his stirring vilification of the institution of slavery Massachusetts senator Charles Sumner was brutally attacked on the floor of the United States Senate Congress whose function was to peacefully resolve disputes became an armed camp with men in both houses and from both sections arming themselves within the capitol building In October 1858 Senator William Henry Seward said that the nation was headed for an irrepressible conflict In spite of the progress ushered in by the decade's enormous economic growth the country was self destructing

The Shattering of the Union America in the 1850s is a concise readable analysis and survey of the decade progressed battle lines hardened The North grew more hostile to slavery while the South seized every opportunity to spread it Immigrant Aid Societies flourished in the North raising money men and military supplies to secure a free soil majority in Kansas Southerners flocked to the territory in an effort to fight off

antislavery After his stirring vilification of the institution of slavery Massachusetts senator Charles Sumner was brutally attacked on the floor of the United States Senate Congress whose function was to peacefully resolve disputes became an armed camp with men in both houses and from both sections arming themselves within the capitol building In October 1858 Senator William Henry Seward said that the nation was headed for an irrepressible conflict In spite of the progress ushered in by the decade s enormous economic growth the country was self destructing The Shattering of the Union America in the 1850s is a concise readable analysis and survey of t decade progressed battle lines hardened The North grew more hostile to slavery while the South seized every opportunity to spread it Immigrant Aid Societies flourished in the North raising money men and military supplies to secure a free soil majority in Kansas Southerners flocked to the territory in an effort to fight off antislavery After his stirring vilification of the institution of slavery Massachusetts senator Charles Sumner was brutally attacked on the floor of the United States Senate Congress whose function was to peacefully resolve disputes became an armed camp with men in both houses and from both sections arming themselves within the capitol building In October 1858 Senator William Henry Seward said that the nation was headed for an irrepressible conflict In spite of the progress ushered in by the decade s enormous economic growth the country was self destructing The Shattering of the Union America in the 1850s is a concise readable analysis and survey of t ade progressed battle lines hardened The North grew more hostile to slavery while the South seized every opportunity to spread it Immigrant Aid Societies flourished in the North raising money men and military supplies to secure a free soil majority in Kansas Southerners flocked to the territory in an effort to fight off antislavery After his stirring vilification of the institution of slavery Massachusetts senator Charles Sumner was brutally attacked on the floor of the United States Senate Congress whose function was to peacefully resolve disputes became an armed camp with men in both houses and from both sections arming themselves within the capitol building In October 1858 Senator William Henry Seward said that the nation was headed for an irrepressible conflict In spite of the progress ushered in by the decade s enormous economic growth the country was self destructing The Shattering of the Union America in the 1850s is a concise readable analysis and survey of t *The Slaveholding Republic* the late Don E. Fehrenbacher,2002-12-19

Many leading historians have argued that the Constitution of the United States was a proslavery document But in *The Slaveholding Republic* one of America's most eminent historians refutes this claim in a landmark history that stretches from the Continental Congress to the Presidency of Abraham Lincoln Fehrenbacher shows that the Constitution itself was more or less neutral on the issue of slavery and that in the antebellum period the idea that the Constitution protected slavery was hotly debated many Northerners would concede only that slavery was protected by state law not by federal law Nevertheless he also reveals that U S policy abroad and in the territories was consistently proslavery Fehrenbacher makes clear why Lincoln's election was such a shock to the South and shows how Lincoln's approach to emancipation which seems exceedingly cautious by modern standards quickly evolved into a Republican revolution that ended the anomaly of the United States as a slaveholding republic

The Oxford Handbook of the U.S. Constitution Mark Tushnet, Mark A. Graber, Sanford Levinson, 2015-07-31 The Oxford Handbook of the U S Constitution offers a comprehensive overview and introduction to the U S Constitution from the perspectives of history political science law rights and constitutional themes while focusing on its development structures rights and role in the U S political system and culture This Handbook enables readers within and beyond the U S to develop a critical comprehension of the literature on the Constitution along with accessible and up to date analysis The historical essays included in this Handbook cover the Constitution from 1620 right through the Reagan Revolution to the present Essays on political science detail how contemporary citizens in the United States rely extensively on political parties interest groups and bureaucrats to operate a constitution designed to prevent the rise of parties interest group politics and an entrenched bureaucracy The essays on law explore how contemporary citizens appear to expect and accept the exertions of power by a Supreme Court whose members are increasingly disconnected from the world of practical politics Essays on rights discuss how contemporary citizens living in a diverse multi racial society seek guidance on the meaning of liberty and equality from a Constitution designed for a society in which all politically relevant persons shared the same race gender religion and ethnicity Lastly the essays on themes explain how in a globalized world people living in the United States can continue to be governed by a constitution originally meant for a society geographically separated from the rest of the civilized world Whether a return to the pristine constitutional institutions of the founding or a translation of these constitutional norms in the present is possible remains the central challenge of U S constitutionalism today

Bibliographies in American History, 1942-1978 Henry Putney Beers, 1982

Historical Dictionary of the Jacksonian Era and Manifest Destiny Mark R. Cheatham, Terry Corps, 2016-12-13 The Jacksonian period under review in this dictionary served as a transition period for the United States The growing pains of the republic's infancy during which time Americans learned that their nation would survive transitions of political power gave way to the uncertainty of adolescence While the United States did not win its second war the War of 1812 with its mother country it reaffirmed its independence and experienced significant maturation in many areas following the conflict's end in 1815 As the second

generation of leaders took charge in the 1820s the United States experienced the challenges of adulthood The height of those adult years from 1829 to 1849 is the focus of the Historical Dictionary of the Jacksonian Era and Manifest Destiny This second edition of Historical Dictionary of the Jacksonian Era and Manifest Destiny contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about this era in American history *Bleeding Kansas* Nicole Etcheson, 2004 This comprehensive political military social and intellectual history of America's tumultuous mid nineteenth century offers a new interpretation of how the struggle of Kansas politicians and settlers over the meaning of liberty for whites eventually led to a broadening definition of liberty that included the rights of blacks *Slavery, Race, and Conquest in the Tropics* Robert E. May, 2013-10-07 Robert E May internationalizes the American Civil War and reinterprets the 1860 presidential campaign shedding new light on the Lincoln Douglas rivalry Border War Stanley Harrold, 2010 Noted historian Harrold examines the nation's fight over slavery that occurred before the Civil War *Political Culture and Secession in Mississippi* Christopher J. Olsen, 2000-10-19 This groundbreaking study of the politics of secession combines traditional political history with current work in anthropology and gender and ritual studies Christopher J Olsen has drawn on local election returns rural newspapers manuscripts and numerous county records to sketch a new picture of the intricate and colorful world of local politics In particular he demonstrates how the move toward secession in Mississippi was deeply influenced by the demands of masculinity within the state's antiparty political culture Face to face relationships and personal reputations organized around neighborhood networks of friends and extended kin were at the heart of antebellum Mississippi politics The intimate public nature of this tradition allowed voters to assess each candidate's individual status and fitness for public leadership Key virtues were independence and physical courage as well as reliability and loyalty to the community and the political culture offered numerous chances to demonstrate all of these sometimes contradictory qualities Like dueling and other male rituals voting and running for office helped set the boundaries of class and power They also helped mediate the conflicts between nineteenth century American egalitarianism democracy and geographic mobility and the South's exaggerated patriarchal hierarchy sustained by honor and slavery The political system however functioned effectively only as long as it remained a personal exercise between individuals divorced from the anonymity of institutional parties This antiparty tradition eliminated the distinction between men as individuals and as public representatives which caused them to assess and interpret all political events and rhetoric in a personal manner The election of 1860 and success of the Republicans antisouthern free soil program therefore presented an insulting challenge to personal family and community honor As Olsen shows in detail the sectional controversy engaged men where they measured themselves in public with and against their peers and linked their understanding of masculinity with formal politics through which the voters actually

brought about secession Political Culture and Secession in Mississippi provides a rich new perspective on the events leading up to the Civil War and will prove an invaluable tool for understanding the central crisis in American politics **Frontier Feminist** Marilyn S. Blackwell, Kristen Tegtmeier Oertel, 2010 This comprehensive portrait of nineteenth century reformer Clarina Howard Nichols uncovers the fascinating story of a complex woman and reveals her important role in women s rights antislavery and westward expansion **Books in Print** ,2003-09 *What This Cruel War Was Over* Chandra Manning, 2008-03-11 Using letters diaries and regimental newspapers to take us inside the minds of Civil War soldiers black and white Northern and Southern as they fought and marched across a divided country this unprecedented account is an essential contribution to our understanding of slavery and the Civil War The Philadelphia Inquirer In this unprecedented account Chandra Manning With stunning poise and narrative verve Manning explores how the Union and Confederate soldiers came to identify slavery as the central issue of the war and what that meant for a tumultuous nation This is a brilliant and eye opening debut and an invaluable addition to our understanding of the Civil War as it has never been rendered before **Francis W. Pickens and the Politics of Destruction** John B. Edmunds, 1986 Francis W Pickens and the Politics of Destruction **Kansas History** ,1998

Getting the books **Manifest Destiny And The Coming Of The Civil War 18401860** now is not type of inspiring means. You could not single-handedly going past ebook gathering or library or borrowing from your associates to log on them. This is an unconditionally simple means to specifically get guide by on-line. This online statement Manifest Destiny And The Coming Of The Civil War 18401860 can be one of the options to accompany you with having new time.

It will not waste your time. admit me, the e-book will agreed spread you supplementary concern to read. Just invest tiny epoch to log on this on-line proclamation **Manifest Destiny And The Coming Of The Civil War 18401860** as capably as review them wherever you are now.

Manifest Destiny And The Coming Of The Civil War 18401860 Introduction

Manifest Destiny And The Coming Of The Civil War 18401860 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Manifest Destiny And The Coming Of The Civil War 18401860 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Manifest Destiny And The Coming Of The Civil War 18401860 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Manifest Destiny And The Coming Of The Civil War 18401860 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Manifest Destiny And The Coming Of The Civil War 18401860 Offers a diverse range of free eBooks across various genres. Manifest Destiny And The Coming Of The Civil War 18401860 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Manifest Destiny And The Coming Of The Civil War 18401860 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Manifest Destiny And The Coming Of The Civil War 18401860, especially related to Manifest Destiny And The Coming Of The Civil War 18401860, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Manifest Destiny And The Coming Of The Civil War 18401860, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Manifest Destiny And The Coming Of The Civil War 18401860 books or magazines might include. Look for these in online stores or libraries. Remember that while Manifest Destiny And The Coming Of The Civil War 18401860, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Manifest Destiny And The Coming Of The Civil War 18401860 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google

Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Manifest Destiny And The Coming Of The Civil War 18401860 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Manifest Destiny And The Coming Of The Civil War 18401860 eBooks, including some popular titles.

FAQs About Manifest Destiny And The Coming Of The Civil War 18401860 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Manifest Destiny And The Coming Of The Civil War 18401860 is one of the best book in our library for free trial. We provide copy of Manifest Destiny And The Coming Of The Civil War 18401860 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Manifest Destiny And The Coming Of The Civil War 18401860. Where to download Manifest Destiny And The Coming Of The Civil War 18401860 online for free? Are you looking for Manifest Destiny And The Coming Of The Civil War 18401860 PDF? This is definitely going to save you time and cash in something you should think about.
