of every kind imaginable Although you re regularly in the vicinity of the chest you never take the time to discover what is inside That s what happens in many of our lives We live our lives on auto pilot never taking the time within explore the precious cargo God has buried to each of us Consequently our dreams go unrealized and we never manifest our God given potential Manifesting Our God given Treasures The Stewardship of Life is a must read for people interested in discovering the valuable treasure they have within Author Rebecca McClain gives meaning to the sometimes painful process God takes us through to discover our gifts and talents and realize our potential She explains the importance of mentoring relationships to help us reach new levels You will get an understanding of how to use the keys of faith hope and expectation to unlock your dreams and hidden potential We are all divinely unique and were created to make an impact in the world in some capacity In fact we have a responsibility to do no less It is a matter of stewardship

Manifesting Magically vs. Manifesting

Purpose Keyjuana Jones,2020-04-29 Everyone is manifesting all these things good and evil We have done our research and there are many how to publications and video content baiting us and we are hooked We have a lot of knowledge so what is it that is missing I was a fish with a few hooks in my mouth I was being pulled in and I didn t want to be unsure about my final destination so I asked God for wisdom My heart was not amiss when I prayed and so God granted what I asked for I wanted the truth even if that meant I had to repent The Holy Spirit resided with me and told me to write as the mysteries of diverse types of manifesting were being unveiled Knowledge without the increase of spiritual wisdom is lack of knowledge a husband without a wife and a form of godliness that denies the power of God we need to manifest his good and perfect will in our lives God s thoughts toward us are always good and not evil Word of wisdom has searched our hearts and inspired my own heart and hand to call aloud raising her voice in the public square Proverbs 1 20 It is her agenda and the assignment of this publication to call all those who are hidden scattered and those who are perishing from a lack of knowledge and do not perceive our lack Many are called but few are chosen God chooses those who answer the call He who has ears let them hear what the Spirit has to say about Manifesting Magically vs Manifesting Purpose

A Soul's Journey: a Personal Story Laureen Lenoir, 2013-12-16. A Soul's Journey is indeed a personal story. The journey are lessons that were given to me by my God Presence during the summer of 2013 in answer to the prayer, "God, help me create the life I desire." The Journey is recorded in four books containing twenty-four chapters. Most of the time, I didn't know where this was going and what I was to do with this information I was being given. The only thing I did know was that the lessons were helping me feel better, and my life was changing to reflect more Love, more of God in my life. The lessons in the books focus on reaffirming the Truth about each of us and looking to our God Presence to help us make the Truths our Truths, which will lead to our living better, more satisfying lives. What are these Truths? That we are where we need to be at this point in our life experience. All that has come before was necessary to make us the person we are today. In other words, we are perfect just as we are. That we are children of a Loving, Infinitely Patient God Presence that is with us always and will help us in all things if we ask. That we are worthy of all that is good and pleasing in the entire Universe just because we are sons and daughters of the Universe. That our beliefs serve to shape our life experience, and if we change our beliefs, we can change our world. And that we are never alone and we are always surrounded by the Love of God. My greatest desire is that these lessons help the readers also come to know God, their God Presence, so that they can also come to know how they can create the life they desire right here on planet Earth.
