James Joyce en el cine. Pasajes de Finnegans Wake y Un triste caso Jesús Isaías Gómez López, 2001 En las relaciones entre cine y literatura no hay reglas fijas en cuanto al posible resultado final Y en el caso de James Joyce con su magistral e inconfundible uso del lenguaje este resultado ha de ser forzosamente desigual En un autor como Joyce capaz de plasmar los más diversos géneros literarios en su obra además de crear el suyo propio la adaptación fílmica de sus obras requiere necesariamente un tratamiento diferente para cada una de ellas de acuerdo con el característico estilo del referente literario En una película como *A Painful Case* *Un Triste Caso* basada en una obra con una estructura y estilo absolutamente convencionales no sorprende la tremenda fidelidad del filme al discurso literario cumpliéndose en el discurso fílmico lo que Sergei Eisenstein considerara el principal objetivo a seguir la reelaboración crítica del texto Así de toda la filmografía basada en obras de James Joyce es sin duda la película que ofrece una mayor fidelidad a su referente literario *Passages from Finnegans Wake* *Pasajes de Finnegans Wake* resulta un auténtico descubrimiento con el que su directora Mary Ellen Bute mediante la invención de originales efectos como el *seeing sound* consigue traducir al cine la extraordinaria musicalidad e infinitud de imágenes del lenguaje de Joyce pudiendo apreciar el espectador del filme esa envolvente sensación de deslizamiento por el mundo de los sueños tan omnipresente en *Finnegans Wake* The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to reshape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Irish Women Playwrights, 1900-1939** Cathy Leeney, 2010 *Irish Women Playwrights 1900-1939* is the first book to examine the plays of five fascinating and creative women placing their work for theatre in context to suggest a parallel tradition that reframes the development of Irish theatre into the present day How these playwrights

dramatize violence and its impacts in political social and personal life is a central concern of this book Augusta Gregory Eva Gore Booth Dorothy Macardle Mary Manning and Teresa Deevy re model theatrical form re structuring action and narrative and exploring closure as a way of disrupting audience expectation Their plays create stage spaces and images that expose relationships of power and authority and invite the audience to see the performance not as illusion but as framed by the conventions and limits of theatrical representation Irish Women Playwrights 1900 1939 is suitable for courses in Irish theatre women in theatre gender and performance dramaturgy and Irish drama in the twentieth century as well as for those interested in women s work in theatre and in Irish theatre in the twentieth century *National Union Catalog* ,1956 Includes entries for maps and atlases *James Joyce* Thomas Jackson Rice,2015-12-22 James Joyce A Guide to Research first published in 1982 is a selective annotated bibliography of works by and about James Joyce It consists of three parts the primary bibliography which includes separate bibliographies of Joyce s major works of scholarly editions or collections of his works of his letters and of concordances to his works the secondary bibliography which includes bibliographies of bibliographical biographical and critical works concerning Joyce generally or his individual works and major foreign language studies This title will be of interest to students of literature **The Women's Companion to International Film** Annette Kuhn,Susannah Radstone,1994-01-01 Includes short entries for actresses genres studios and topics Modern Drama ,1958 *El cine* José Luis Caramés Lage,Carmen Escobedo de Tapia,Jorge Luis Bueno Alonso,1999 *Books in Print* ,1962 Reviews and Essays of Austin Clarke Austin Clarke,1995 Austin Clarke is widely regarded as one of 20th century Ireland s most important poets In this selection of nearly fifty essays and reviews written over Clarke s long career he demonstrates that he is an astute and provocative literary critic as well Having grown up in Dublin when the excitement of the Irish Literary Revival was still running high Clarke knew many of the principal figures of that movement personally and his readings of Yeats Joyce Synge O Casey Lady Gregory George Moore and others enjoy the advantages of an insider s point of view Moreover committed in his own poetry to the basic assumption that fuelled the Literary Revival that the most productive course for Irish literature lay in the direction not of England but of Ireland Clarke in his criticism provides a way of understanding and judging the Revival s major writers in terms of their relationships to Ireland s rich literary and cultural traditions At the same time these essays call attention to a number of distinctly Irish but often overlooked writers working on the margins of the revival As Yeats observed more than once the Irish for all the contributions that they have made to modern fiction poetry and drama have fallen somewhat short in the genre of literary criticism Austin Clarke s essays and reviews many of which were written under a pseudonym and so not attributed to Clarke for years go a long way towards filling that gap Irish Drama and Theatre Since 1950 Patrick Lonergan,2019-02-21 Drawing on major new archival discoveries and recent research Patrick Lonergan presents an innovative account of Irish drama and theatre spanning the past seventy years Rather than offering a linear narrative the volume traces key themes to illustrate the relationship between theatre and

changes in society In considering internationalization the Troubles in Northern Ireland the Celtic Tiger period feminism and the changing status of the Catholic Church in Ireland Lonergan asserts the power of theatre to act as an agent of change and uncovers the contribution of individual artists plays and productions in challenging societal norms Irish Drama and Theatre since 1950 provides a wide ranging account of major developments combined with case studies of the premiere or revival of major plays the establishment of new companies and the influence of international work and artists including Tennessee Williams Chekhov and Brecht While bringing to the fore some of the untold stories and overlooked playwrights following the declaration of the Irish Republic Lonergan weaves into his account the many Irish theatre makers who have achieved international prominence in the period Samuel Beckett Siobh n McKenna and Brendan Behan in the 1950s continuing with Brian Friel and Tom Murphy and concluding with the playwrights who emerged in the late 1990s including Martin McDonagh Enda Walsh Conor McPherson Marie Jones and Marina Carr The contribution of major Irish companies to world theatre is also examined including both the Abbey and Gate theatres as well as Druid Field Day and Charabanc Through its engaging analysis of seventy years of Irish theatre this volume charts the acts of gradual but revolutionary change that are the story of Irish theatre and drama and of its social and cultural contexts **Library of Congress Catalogs** Library of Congress,1973
