*The Promise of Our Father* Russell M. Stendal, 2022-04-13 A Study of the Book of Luke and Acts 1 7 The past one hundred years or so have seen great advances regarding the spread of the gospel all over the globe where it thrives amid adversity However some prosperous Western democracies have seen the numbers of Christians peak and then decline Seemingly high powered ministers along with some of their enthusiastic followers have succumbed to corruption in their personal lives in their finances or both Reacting against the ever increasing perversion all around us some groups have pursued increasing legalism leaving them virtually powerless Many congregations have failed to retain young people and are dwindling as the older saints die off Church splits have reached epidemic proportions and have become the bane of Christianity How do we return to the purity power and unity of the early congregations described in the book of Acts They turned the world upside down in just a few years even without any of our modern tools or media What will it take to finish fulfilling the Great Commission according to the will of God and for there to be a perfect bride without spot or wrinkle or any such thing when our Lord Jesus Christ returns According to Luke before Jesus ascended he told his disciples behold I shall send the promise of my Father upon you but tarry ye in the city of Jerusalem until ye are endued with power from on high This promise is still valid If we are to be clean and effective witnesses for our Lord Jesus Christ we will be wise to not leave home without being endued with power

from on high      **The Tabernacle of David** Stendal, Russell M.,2022-08-01 What exactly does the tabernacle of David represent In the new covenant there is only one mediator between God and man this is the Lord Jesus Christ the living Word of God and he is presently seated upon a heavenly throne high above all things Psalm 138 2 The ark of the covenant is a representation of Jesus Christ and of how our reconciliation with God the Father is made possible The tabernacle of David depicts the heavenly realm touching the earth and is a living prophetic parable of how we may come into a direct and personal relationship with God Through Jesus Christ and without intermediary clergy or religious legalistic ritual we may become registered as citizens of heaven Hebrews 12 18 24 The once and for all blood sacrifice at Calvary was required in order to put the new covenant into effect However the fullness of what is represented by the tabernacle of David with the ark as its sole piece of furniture will be restored at the second coming In that day I will raise up the tabernacle of David that is fallen and close up its breeches and I will raise up its ruins and I will build it as in the days of old Amos 9 11 12 Acts 15 16 When God decided to cut off the corrupt house of Eli he said And I will raise me up a faithful priest that shall do according to that which is in my heart and in my mind and I will build him a sure house and he shall walk before my anointed Heb Messiah for ever 1 Samuel 2 35 The faithful priest for whom God would build a sure house could not have been Samuel The fact that he shall walk before God s anointed Messiah forever means that this does not refer directly to Jesus Christ The only sure house that can be seen that fits this bill is the house of David 1 Samuel 17 which continued in God s favor until the birth of Jesus Christ And in Christ the royal priesthood 1 Peter 2 9 of the order of Melchisedec Psalm 110 4 continues forever this even includes us if we are in Christ Revelation 1 6 And in mercy shall the throne be established and he shall sit on it in the tabernacle of David judging and seeking judgment and hastening righteousness Isaiah 16 5 What is the prophetic numerology found in the Psalms Anyone who knows the author or has read one of his previous books knows that in addition to emphasizing a personal relationship with God the Father he is focused on the Day of the Lord with a deep concern that Christians regard End Times prophecy with utmost concern and soberness It is within this context that he directs the reader s attention to the prophetic numbers within the Psalms that once decoded according to their trajectory through the Scriptures unlock the stunning messianic narrative that will soon take place here on the earth Amidst ever increasing feelings of social isolation and the realities of political division and unrest as well as the impending and potentially disastrous outcomes of man made crises facing the earth people are looking for answers to their fears and inner longing to feel secure connected and satisfied in their daily lives While many attempt to control things politically others are looking for answers through esoteric means such as prophecies numerology tarot cards and even witchcraft Although David obviously didn t face the difficulties unique to our time he definitely felt socially isolated dwelled in political unrest and faced many possibilities for disaster His answer was to ask God to protect him and direct his every footstep which ultimately met his every need and eventually led him to dwell in peace and security to a ripe old age      Meditaciones, Tomo 1 Marino Restrepo,2011-07-16 El

**Manuel Zapata Olivella and the "darkening" of Latin American Literature** Antonio D. Tillis, 2005

**Discerning the Day of the Lord** Russell Stendal, 2021-04-09 The darkness that will come upon the people of God at the beginning of the day of the Lord shall not be the same as the affliction that came upon her when Jesus came the first time The end of the age of grace will not be as dark as the end of the age of the law because the Gentile people that walked in darkness have seen a great light those that dwell in the land of the shadow of death upon them has the light shined Yes it's true that great apostasy has engulfed much of Western Europe and seems to be making quite a bit of headway in North America But what about places to name a few such as China Iran Egypt Venezuela Cuba Brazil Colombia Africa and even India where the gospel is surging Most of the end time harvest is taking place under great adversity and persecution So for now it can be said As thou hast multiplied the nation the people of God thou hast not increased the joy But the day of the Lord will be the biggest game changer ever seen in human history For those among the people of God who have clean hearts when Jesus returns They shall rejoice before thee as they rejoice in the harvest and as men rejoice when they divide the spoil even as all the kingdoms of this world crumble and come down The vision of Isaiah is a prophetic hub placed in the middle of the Scriptures with ties to almost every book in the Bible most are footnoted in this work There are living parables of events that actually happened during the lifetime of Isaiah prophecies regarding Judah and Jerusalem with both a near and a far fulfillment all interwoven with messianic prophecy depicting events surrounding the first and second comings of Jesus Christ the final judgment and the new creation with new heavens and a new earth A central theme of Isaiah relates to the day of the LORD as does the book of Revelation We know there is a special blessing on the seventh day Genesis 2:3 Scripture also defines what some call a prophetic day mentioned in both the unique Psalm attributed to Moses For a thousand years in thy sight are but as yesterday when it is past and as a watch in the night Psalm 90:4 and by Simon Peter But beloved be not ignorant of this one thing that one day before the Lord is as a thousand years and a thousand years are as one day 2 Peter 3:8 Human history has now entered into the beginning of the seventh millennium since the creation of Adam according to the years and generations meticulously recorded in Scripture There is however the possibility of two distinct timelines one dating from the creation of Adam and the other dating from the fall of man when the present world system founded on lies devised by Satan began Scripture does not specify exactly when the curse was pronounced and Adam and Eve were expelled from the Garden of Eden The original world created by God and founded on truth was pronounced very good It's clear however that Satan subverted the authority God had placed on Adam and this sorry situation will not be

corrected until the day of the Lord the seventh millennium We now appear to be in an ambiguous period in which it s clear no matter what relatively minor discrepancies there may be in our calendar that more than six thousand years have passed since the creation of Adam However it does not appear that six thousand years have gone by since the fall of man If the seventh prophetic day begins with the demise of Satan and the promise he will be bound for a thousand years the first resurrection of those who will reign and rule with Christ for a thousand years and the return of Jesus Christ then it s also clear that the prophesied day of the LORD has not yet begun although it may be very close This is when religion that has been contaminated by man by humanism and manipulated by the devil will all come down The pure and undefiled religion before God and the Father is this To visit the fatherless and widows in their tribulation and to keep thyself unspotted by the world James 1 27 As we enter the end time events described by Isaiah it s good to keep in mind that there is a substantial godly remnant containing true ministers servants of God who like Isaiah have been cleansed by the fire of God and commissioned from the throne and who have authority to represent God according to his will They desire to see the people entrusted to their care joined to the Lord Jesus so that all of God s people may have intimate communion with him and with the Father by the Holy Spirit This is the only covering that will provide secure protection How much time do we have left I think we probably do have a little time but not a lot The world situation around us is not improving It is in fact degenerating rapidly even though some countries are experiencing spiritual revival We can expect things to continue to polarize as the bride of Christ is cleansed and purified and as Babylon the Great continues to degenerate The evil in the world will soon pass a threshold that will trigger the indignation and wrath of God the Father and Jesus will soon return for a bride without spot or wrinkle or any such thing These two things seem to happen in very close succession on the day of the Lord There are other prophetic markers that may bear watching The two thousandth anniversaries of the beginning of the ministry of Jesus of his death and resurrection of the outpouring of the Holy Spirit on the day of Pentecost and of the destruction of Jerusalem and the temple are all coming up within what many of us can expect to be our lifetime Even if the coming of the Lord should be delayed so that more people can be given the opportunity to be saved we are told to always be ready None of us knows when our own death will take place and when we could be suddenly thrust into the presence of God Russell M Stendal December 17 2020 Bogot Colombia      Revacion Escolar Torin Finser,2014-03-15 Como consecuencia de la actual crisis en educaci n la gente est empezando a darse cuenta de que las escuelas abarcan mucho m s que la provisi n de conocimientos y aptitudes a los ni os Las escuelas son comunidades y como todas las comunidades puede ser o no saludables Renovaci n escolar aborda los problemas y desaf os de una comunidad escolar Mediante el empleo de cuentos mitos y la experiencia personal de la educaci n Waldorf Torin Finser describe la forma en la que tanto maestros como padres afrontan problemas cotidianos como el agotamiento los conflictos interpersonales y las trampas de la rutina Lo m s importante es que el autor hace hincapi en que una comunidad educativa debe llegar a un acuerdo con las numerosas dimensiones ocultas de cada individuo Muestra c mo

**The Prize of the High Calling of God** Stendal, Russell M.,2022-11-11 What is the greatest danger to the Christian life Is it the government or the next pandemic Is it the wrath of unbelievers or exposure to their lifestyles The life of a committed Christian is often fraught with difficulty and danger yet this is not something that should be seen as abnormal The apostle Paul dealt with trials and was in jeopardy throughout his entire ministry even to the point of being incarcerated for his faith Even so he knew that the greatest danger to the Christian life comes from within us Namely the insatiable and unchecked desires of the flesh of which he also referred to as the old man Paul understood that the flesh must be dealt with before believers can ever come to maturity in Christ therefore this was a matter he addressed within most of his epistles In totality Paul teaches that we must be crucified with Christ so that we can live by the Spirit and not fulfill the lust of the flesh This is because he that sows to his flesh shall of the flesh reap corruption but he that sows in the Spirit shall of the Spirit reap eternal life Galatians 6 8 How can this be our reality In this latest book The Prize of the High Calling of God author Russell M Stendal examines the entirety of the epistles Paul wrote while imprisoned in Rome As always with Russell s gift for seeing both the finer details and the larger picture he helps the reader to see that they can individually take hold of what God has for them in Christ and by the Holy Spirit Russell M Stendal is the editor and translator of the Jubilee Bible JUB and Biblia del Jubileo JBS translations that are published in English and in Spanish Well over a million copies of the Biblia del Jubileo have been donated and distributed into the most impoverished areas of Colombia and Venezuela Russell Stendal was born in Minneapolis and raised on the mission field in Colombia South America He became a missionary jungle pilot at age nineteen Almost ten years later he was kidnapped in 1983 by Marxist rebels and held hostage for five months Russell has written many other books produced videos and produced the two aforementioned Bible translations Russell heads up the work of Colombia Para Cristo which operates 12 radio stations involving over 100 staff and co workers and covering much of Latin America with the Gospel A thriving underground church has developed in remote jungle areas of Colombia New high gain antennas are now beaming the Gospel message deep into areas of deepening crisis across the borders of Venezuela Ecuador Peru and Brazil as well as throughout Colombia

Project Concerning New Signs for Music Jean-Jacques Rousseau, 2024-05-09 Rousseau's first venture into public debate is a technical memorandum on music notation drafted in Paris while he sought work as a copyist He proposes a numeric staff that would let amateurs read melody at a glance a direct challenge to the ornate symbols used at the royal opera The plan never reached print yet in manuscript it circulated among musicians and caught the eye of Rameau who dismissed it as naïve That clash marked the start of Rousseau's feud with professional theorists who prized complexity over feeling In spirit he moves away from Voltaire's praise of French brilliance and closer to Hobbes's distrust of intellectual monopoly minus Hobbes's appetite for sovereign policing Diderot busy launching the Encyclopédie hoped new knowledge would free the public Rousseau worries it may do the opposite if locked behind difficult codes Jean Jacques Rousseau's 1742 *Projet concernant de nouveaux signes pour la musique* Project Concerning New Signs for Music proposed a radical simplification of musical notation Rousseau envisaged writing music on a single line using the numbers 1-7 in place of the solfège syllables Do 1 Re 2 Mi 3 etc and simply changing the clef to indicate key shifts He openly criticized the traditional five line staff as imperfect and overly cumbersome to learn In his treatise he explains that his system pursues two main objectives first to notate music and all its difficulties in a much simpler more convenient fashion and in a smaller space second to make music as easy to learn as it has been difficult up to now by reducing the number of symbols without losing any expressive power In other words he would abbreviate musical rules so thoroughly that theory became almost a game and performance would depend only on natural habit not on intellectual struggle Practically speaking Rousseau claimed this numeric notation would drastically cut learning time he claimed students would master the new system in two or three times less time than by the ordinary method and even allow lay amateurs to sight read tunes immediately More philosophically the scheme embodied Enlightenment ideals of clarity and accessibility as one commentator notes Rousseau saw his reform as a complete reworking of music's language with the goal of making it more human less professional This professional translation delivers scholarly depth with amplifying materials This Reader's Edition includes an illuminating afterword tracing Rousseau's intellectual relationship with Diderot Voltaire and his reception by Nietzsche revealing the fascinating dialogue between the period's most influential minds A comprehensive timeline connects the major events of Rousseau's life with world events an glossary of Enlightenment terminology frames Rousseau's debates in the intellectual milieu of his day and a detailed index provides an authoritative guide to his complete writings The Académie's response was courteous but ultimately unsupportive An official report praised Rousseau's manuscript as made with art and stated with great clarity but declined to endorse it The evaluators argued that the idea was neither new nor sufficiently useful a century earlier a Cordelier monk P re Souhaitty had already proposed the

same numeric scheme and the Academy required that any proposal be both novel and advantageous In short Rousseau s numeric notation was set aside This setback quickly redirected his career toward the broader Enlightenment scene after 1742 he turned to writing and soon joined Diderot s Encyclop die project indeed by 1744 he began to write contributions to the Encyclop die In the wider context of 18th century musical theory which was by now dominated by Rameau s mathematically oriented harmony Rousseau s emphasis on simplicity and performer immediacy stood out He would later clash openly with Rameau and others insisting that music s value lies in melody and human emotion rather than abstract rules In retrospect the *Projet des nouveaux signes* reflects Rousseau s early Enlightenment agenda a rational reform intended to democratize the art of music By seeking to make notation as intuitive as possible he was applying the same ideals of reason clarity and education that would shape his later works In Rousseau s own terms he effectively treated musical notation itself as a human language to be simplified for the benefit of all **Obras Escogidas** Miguel Angel Asturias,1955
