Mans Restored Image:

Restoring the Male Image Alex O Ellis, 2007-05 A man's image is one of his most alluring characteristics. In *Restoring the Male Image: A Look From the Inside Out*, Ellis aims to restore the pride of men looking back to the Harlem Renaissance Era when men dressed with a sense of purpose and dignity. A man's image is defined by the blend of character, style, and sophistication. It is his heart, his purpose, and God-given authority that most accurately reflects his true self. Ellis introduces the reader to a powerful acronym by exploring a series of qualities to help men identify and understand their IMAGE: I Integrity, M Manhood, A Authority, G Generosity, E Excellence. This book will provoke men to take a deeper look both inside and out and determine whether what they convey is a reflection of their authentic self. *Restoring the Male Image* will challenge men to arise and confidently dress for their appointment with destiny. Alexis Ellis is driven to impact image in our society. Ellis holds a Masters in Theology with a concentration in Urban Ministry from New Brunswick Theological Seminary, as well as a M.S. Degree in Industrial Engineering from North Carolina A.T. State University. Hailing from New Jersey, he serves as a mentor for the Boys to Men Program and is a Chaplain for the New Brunswick Fire Department. Ellis also serves as the Assistant to Bishop George C. Searight of Abundant Life Family Worship Center in New Brunswick, New Jersey, and is the Special Events Coordinator. Ellis is CEO of Simply Ellis LLC, a custom clothing company specializing in suits, shirts, neckwear, and cuff links. He is a member of The Berkeley College Fashion Advisory Board, The Custom Tailors and Designers Association of America, 100 Black Men of America, and National Urban League Young Professionals. Restoration of Men Martin C. Roberts, 2007-11 For Nations to be Transformed into the Kingdom of God, Men Must Become A New Creation. In Christ Jesus, There Must Be A New Womanhood in Christ. There Must Be A Restoration of the Family As God designed it, based on the marriage of one man and one woman, suitable for each other to bring forth and bring up children in the image and likeness of God. By ongoing, consistent witness of New Men, New Women, and New Families, communities, and then nations are transformed. It Must Begin With Men. God created the man first, then the woman, out of the man. First, Men must become a New Creation in Christ. New men not only witness to other men, but they witness to women to lift up women and bring them to a New Womanhood in Christ Jesus. New Men and New Women in Christ marry to form New Families. New families become centers of Christian witness in their neighborhood to transform communities. **The**

Philosophy of Emil Fackenheim Kenneth Hart Green,2020-10-08 Fackenheim was one of the most philosophically serious knowledgeable and provocative contemporary Jewish thinkers His original focus as a philosophical theologian was mainly on revelation but in his later work he concerned himself primarily with the wide ranging implications of the Holocaust In this book Kenneth Hart Green examines Fackenheim s intellectual trajectory and traces how and why he focused so intently on the Holocaust He explores the deeper thought that Fackenheim developed about the Holocaust which he construed as a cataclysmic event that ruptured history and one that also brought about a change in the very structure of being As Green demonstrates the Holocaust according to Fackenheim s interpretation changes how we view all things from God to man to history It also radically affects Judaism Christianity and philosophy the major traditions that have shaped the Western world
