Christ is God Over All George Carraway,2013-08-15 This book is written against the background of Christological scholarly thought since the publication of Kyrios Christos by Bousset Carraway argues that the syntax of Romans 9 5 suggests Paul meant to refer to Jesus as God and that his statement is not out of place at the beginning of Romans 9 11 He addresses objections to this conclusion responding to those who claim that a monotheist such as Paul would not refer to Jesus as God and to those who point out that Paul does not elsewhere identify Jesus as God After demonstrating that there is a connection between Romans 9 5 and the remainder of Romans 9 11 the argument continues by tying Paul s monotheistic statements regarding the one God of both Jews and Gentiles in Romans 3 the concept of the one Lord of all in Romans 10 5 13 The book concludes that the redeemer from Zion in 11 25 27 is Christ and is the same as the Christ from Israel in 9 5

God and Women JKohn D. Garr,2011-02-16 Since time immemorial women have been the most consistently and universally abused people group on Planet Earth as men in virtually every human culture have systematically unrelentingly and often violently dominated women Unfortunately women of faith have also been virtually bound in chains of submission

and gagged by demands for silence since the end of the apostolic era God and Women brings serious biblical and historical scholarship to bear on the role of women in family society and church in an analysis of God's original intentions for women and for men at the moment when he created humanity Whether you are a woman or a man this book and the other volumes in this series will literally set you free challenging you to think and to act on divine truths from the Hebraic foundations of your faith You will clearly see God's original design and intent for women and you will start tearing down prison walls that have deprived half of God's children of the freedom to pursue his gifts and calling in the family in the society and especially in the community of faith

Systematic Theology, Volume 1, Fourth Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

Relationship Is the Transformative Space Darryl Wooldridge, 2016-02-09 This book affirms relationship as the shared human elemental pursuit and proposes relationship as the transformative space Wonderfully the author asserts it is God's intention to fulfill this intrinsic human desire in the present in all of us and universally This desire is an often inarticulate innate desire and pursuit to enjoy and reflect the divine image in which every human being was created In this book this pursuit is referred to as proleptic spiritual transformation Pr ST That is this book demonstrates that what is too often relegated to eternity is available now Relationship is the Transformative Space considers God's heart in relationship and its implication toward human spirituality and how this intent has been interrupted and restored God is actively interested in the recovery of a fully expressed image in humanity
