Mans Unending Quest Metaphysics And The Science Of The Soul:

Man's Unending Quest Robert Allan Stewart,1991 Through techniques of channeled wisdom the author conveys in straightforward and beautifully written prose exactly what his guides want to share with the people of this world His guides describe what the soul is how it functions in a physical universe and why it chooses the experiences and the hardships of this world This message teaches us that humanity is the fulfillment of a measured purpose and that each of us has a special role to fill The book leads us through our shared human quest and provides specific information and guidance for each of us as individuals as to how we can find our own unique purpose Life this book teaches is a beautiful experience of learning and achievement and we do not need to struggle in our quest alone We can all turn to our own personal spirit guides for help and guidance **Canadiana** ,1991 **Canadian Books in Print.
