Mansfield Forbes And His Cambridge:

Mansfield Forbes and His Cambridge Hugh Carey, 1984-10-18 This affectionate portrait of Mansfield Forbes illustrated with photographs reconstructs Forbes life and explores his other interests which included Scottish domestic architecture and modern art Mr Carey also uncovers alternative aspects of that vanished but still influential Cambridge from which many prominent figures have come and gone The Physiology of the Novel Nicholas Dames, 2007-09-27 How did the Victorians read novels Nicholas Dames answers that deceptively simple guestion by revealing a now forgotten range of nineteenth century theories of the novel a range based in a study of human physiology during the act of reading He demonstrates the ways in which the Victorians thought they read and uncovers surprising responses to the guestion of what might have transpired in the minds and bodies of readers of Victorian fiction His detailed studies of novelcritics who were also interested in neurological science combined with readings of novels by Thackeray Eliot Meredith and Gissing propose a vision of the Victorian novel reader as far from the quietly immersed being we now imagine as instead a reader whose nervous system was addressed attacked and soothed by authors newly aware of the neural operations of their public Rich in unexpected intersections from the British response to Wagnerian opera to the birth of speed reading in the late nineteenth century The Physiology of the Novel challenges our assumptions about what novel reading once did and still does to the individual reader and provides new answers to the question of how novels influenced a culture s way of reading responding William Empson, Volume I John Haffenden, 2009-01-22 John Haffenden's acclaimed biography of William and feeling Empson 1906 1984 the foremost English literary critic of the twentieth century is now available in paperback An authoritative and compelling account and the first of two volumes exploring his remarkable life and work Re-forming **Britain** Elizabeth Darling, 2007-01-24 Re forming Britain considers the nature and practice of architectural modernism in inter war Britain in a new light Bringing hitherto little considered protagonists and projects to the fore it argues that rather than being an imported idiom the new architecture in Britain formed part of an ongoing attempt to make a modern nation Spanning the period 1925 42 the book focuses on the key sites from and through which architectural modernism emerged in the UK Part one considers the main arena in which a will to modernize Britain developed in the 1920s In parts two and three the author documents contextualizes and explains how this modernizing will was given modernist form discussing the work of architects such as Wells Coates Maxwell Fry and Connell and Ward and their allied ventures with likeminded reformers in other fields These collaborations produced narratives of modernity buildings projects exhibitions and books through which the book argues modernist reformers were able to persuade politicians and those with influence upon them that modernism was the means to re form the nation Re forming Britain offers the first in depth analysis of well known modernist schemes such as Kensal House and the Pioneer Health Centre but also brings previously little studied or unknown activities to light This important work invites a new understanding of the nature of architectural modernism in inter war Britain and the ways

in which it ultimately gave form to post war Britain *English as a Vocation* Christopher Hilliard, 2012-05-31 This book explores how a small circle of Cambridge literary critics turned into a movement that revolutionized the way English was taught and brought popular culture into classrooms The leader F R Leavis was a well known and controversial writer The focus of this book is not on Leavis but on the people who put his ideas into practice **Humphrey Jennings and British** <u>Documentary Film: A Re-assessment Philip C. Logan, 2016-05-13 Humphrey Jennings ranks amongst the greatest film makers</u> of twentieth century Britain Although a relatively unknown figure to the wider public his war time documentaries are regarded by many including Lord Puttnam Lindsay Anderson and Mike Leigh as amongst the finest films of their time Groundbreaking both in terms of their technique and their interest in and respect for the everyday experiences of ordinary people these films are much more than mere government propaganda Instead Jennings work offers an unparalleled window into the British home front and the hopes fears and expectations of a nation fighting for its survival Yet until now Jennings has remained a shadowy figure with his life and work lacking the sustained scholarly investigation and reassessment they deserve As such film and social historians will welcome this new book which provides an up to date and thorough exploration of the relationships between Jennings life ideas and films Arguing that Jennings's film output can be viewed as part of a coherent intellectual exercise rather than just one aspect of the artistic interests of a wide ranging intellectual Philip Logan paints a much fuller and more convincing picture of the man than has previously been possible He shows for the first time exactly how Jennings's artistic expression was influenced by the fundamental intellectual social and cultural changes that shook British society during the first decades of the twentieth century Combining biography social history and international artistic thought the book offers a fascinating insight into Jennings his work the wider British documentary film movement and the interaction between art and propaganda Bringing together assessments of his tragically short life and his films this book is essential reading for anyone with an interest in British cinema or the social history of Britain in the 1930s and 40s Richards (Routledge Revivals) John Paul Russo, 2015-06-11 A pioneering critic educator and poet I A Richards 1893 1979 helped the English speaking world decide not only what to read but how to read it Acknowledged father of New Criticism he produced the most systematic body of critical writing in the English language since Coleridge His method of close reading dominated the English speaking classroom for half a century John Paul Russo draws on close personal acquaintance with Richards as well as on unpublished materials correspondence and interviews to write the first biography originally published in 1989 of one of last century s most influential and many sided men of letters The Letters of T. S. Eliot T. S. Eliot, 2011-01-01 The first volume of Eliot's correspondence covers his childhood in St Louis Missouri through 1922 when he married and settled in England Volume two covers the time period of Eliot's publication of The Hallow Men and his developing ideas about poetry History and Psyche S. Alexander, B. Taylor, 2012-11-28 Today a widening range of historical phenomena are being examined through the psychoanalytic lens while the psychoanalytic tradition itself is coming in for

unprecedented historical scrutiny This collection of essays showcases the innovative and sometimes contentious encounters between psychoanalysis and history **Foundations Aesthetics V 1** John Constable, 2013-09-13 This is Volume I of ten in the selected works of I A Richards 1919 to 1938 This set gathers the major writings of I A Richards between 1919 and 1938 including a large proportion of his periodical journalism together with a selection from previously unpublished manuscript articles now held in the Richards Collection of Magdalene College Cambridge The aim of this edition has been to provide modernised and corrected standard texts of these classics of twentieth century literary theory and also to make available for research less accessible books and articles Marshall McLuhan Philip Marchand, 1998 A new look at the man who gave Bauhaus Goes West: Modern Art and Design in Britain and us ideas the medium is the message and global village America Alan Powers, 2019-08-20 An exploration of the Bauhaus school and its legacy in the context of the modernist period including its wider influence on art design and education Bauhaus Goes West is the story of cultural and artistic exchange between Germany and the West over a period of seventy years It presents a view of the influential Bauhaus school in relation to the wider modernist period distinguishing between the received idea of the Bauhaus and the documented reality Initially the Bauhaus was seen as an educational experiment only later was it recognized as a style and a movement Working from meticulous research Alan Powers reexamines speculations about the reception and understanding of individuals connected with the Bauhaus school and what they ultimately achieved Looking in greater detail at the theory and practice of art design and architecture between the arts and crafts movement and modernism this book challenges the assumption that the 1920s represented a void of reactionary conservatism Bauhaus Goes West offers an opportunity to recover some of the overlooked aspects of avant garde that ran parallel with the work of the Bauhaus such as the film making of Francis Bruqui re and Len Lye and the development of art instruction for children under Marion Richardson and the London County Council

Literacy and Growth John Hodgson, Ann Harris, 2024-08-13 Literacy and Growth is a unique genealogical study of English teaching in the UK and abroad since the 18th century Focusing specifically on the concepts of literacy and growth this book explores key moments in the development of ideas about English teaching Hodgson and Harris reveal the Enlightenment forebears of such contemporary concepts as cultural capital and critical literacy the significance of growth to the writers and social critics who opposed Victorian Utilitarianism and the 20th century influences that established English as a humane study including the Newbolt Report the Cambridge Scrutiny group and the London School of Percival Gurrey and James Britton The authors examine unpublished Dartmouth Conference papers to reconsider John Dixon's construction of growth in his seminal report Growth through English 1967 They reflect on the turbulent aftermath of Dartmouth the changes in the growth model following the cultural turn in English studies and the politics behind the shift from English to literacy in the 1990s Importantly they redefine the growth model for the 21st century to support teachers and students in the current context of performativity high stakes assessment the knowledge curriculum and artificial intelligence Essential

reading for tutors and students of English and literacy as well as policymakers in the subject area this book will engage all those interested in the history and philosophy of English in education It will be a key resource for those involved in the education and training of English teachers as well as those undertaking research in English education MacCarthy, 2011-06-16 A gorgeous new edition of Fiona MacCarthy's ground breaking biography of the artist craftsman typographer and lettercutter master wood engraver and sculptor Eric Gill Fascinating on the work and fair to the man a brilliant biography Independent Scrupulous and sensitive A wise and foolish English eccentric in full glory Observer Full of insight and interest A considerable addition to modern biography Times Eric Gill was the greatest English artist craftsman of the twentieth century a typographer and lettercutter of genius and a master in the art of sculpture and wood engraving He was a devoted family man and key figure in three Catholic art and craft communities yet he also believed in complete sexual freedom In her controversial landmark biography originally published in 1989 celebrated biographer Fiona MacCarthy delves into the complex dark and contradictory sides of the man and the artist for the first time and the result is his definitive Practical Criticism V 4 I. A Richards, 2014-05-12 This is Volume four of ten of the selected works of I A Richards portrait from 1919 to 1938 Originally published in 1929 this study looks at literary judgement The Practical Criticism experiment began to take shape in late 1923 A C Benson then Master of Magdalene College records in his diary for the 13th of October that at dinner Richards had suggested as a good examination for English students to print five extracts of poetry and prose with no clue as to author and date and containing one really worthless piece and ask for comments and opinion This volume is the evidence of that experiment Form Follows Fun Bruce Peter, 2013-05-13 Authoritative and readable this excellent text illustrated by a unique pictorial record of period architecture surveys and examines how and why the architecture of pleasure related to the stylistic and ideological concerns of modernism in 1930s Britain Responding to the current interest in modernism and packed with a substantial archive of high quality photographs and other documentation it relates the professional entrepreneurial and institutional infrastructures affecting the pleasure industry's architectural development and appearance in 1930s A broad range of building through which the general public first experienced Modernism are covered including commercial holiday camps cinemas and greyhound racing stadia municipal and governmental projects zoos seaside pavilions concert halls and imperial and international exhibitions Arguing that the responses to modernism through the architecture of pleasure were conditioned by wider debates about the role of design in relation to high and mass culture this book is an ideal resource for all those interested in architectural history and design in Britain between the wars

Principles of Literary Criticism V3 John Constable, I. A. Richards, 2013-12-16 First Published in 2001 This is Volume 3 of the Selected Works of I A Richards from 1919 to 1938 and concerns itself with the principles of literary criticism from 1924 Selected Letters of William Empson William Empson, 2006-03-09 This edited collection of letters by William Empson 1906 1984 one of the foremost writers and literary critics of the twentieth century ranges across the entirety of his career

Parts of the correspondence record the development of ideas that were to come to fruition in seminal texts including Seven Types of Ambiguity The Structure of Complex Words and Milton's God The topics of other letters range from Shakespeare's Dark Lady to Marvell's marriageand Byron's bisexuality Empson relished correspondence that was combative if not downright aggressive As a result parts of this edition take the form of a serial disputation with other critics of the period including Frank Kermode Helen Gardner Philip Hobsbaum and I A Richards Other notable correspondents include A Alvarez Bonamy Dobr e Leslie Fiedler Graham Hough C K Ogden George Orwell Kathleen Raine John Crowe Ransom Christopher Ricks Laura Riding A L Rowse Stephen Spender E M W Tillyard Rosemond Tuve John Wain and G Wilson Knight All readers of literary history and criticism will stand to benefit from this edition Empson is universally credited as the man who invented modern literary criticism so that all of his writings make a signal addition to the canon of his works. This selection provides a context for the evaluation of Empson's total literary output and in many letters Empson seeks to defend his ideas against both published and personal attacks This volume not only fills in all the missing links it adds upto a completely new volume of critical writings by Empson Julian Bell Peter Stansky, William Abrahams, 2012-01-11 Julian Bell explores the life of a younger member and sole poet of the Bloomsbury Group the most important community of British writers and intellectuals in the twentieth century which includes Virginia Woolf Julian's aunt E M Forster the economist John Maynard Keynes and the art critic Roger Fry This biography draws upon the expanding archives on Bloomsbury to present Julian's life more completely and more personally than has been done previously It is an intense and profound exploration of personal sexual intellectual political and literary life in England between the two world wars Through Julian the book provides important insights on Virginia Woolf his mother Vanessa Bell and other members of the Bloomsbury Group Taking us from London to China to Spain during its civil war the book is also the ultimately heartbreaking story of one young man's life Periodicals and Print Culture in Britain, 1890s-1920s Faith Binckes, 2019-04-10 New perspectives on women's contributions to periodical culture in the era of modernismThis collection highlights the contributions of women writers editors and critics to periodical culture in the late nineteenth and early twentieth centuries It explores women s role in shaping conversations about modernism and modernity across varied aesthetic and ideological registers and foregrounds how such participation was shaped by a wide range of periodical genres The essays focus on well known publications and introduce those as yet obscure and understudied including middlebrow and popular magazines movement based radical papers avant garde titles and classic Little Magazines Examining neglected figures and shining new light on familiar ones the collection enriches our understanding of the role women played in the print culture of this transformative period Key FeaturesHelps recover neglected women writers and cast new light on canonical onesHighlights the geographical diversity of modern British print culture Emphasises the interdisciplinary nature of modernism including essays on modernist dance music cinema drama and architecture Includes a section on social movement periodicals
