Mansfield A Pictorial History:

Mansfield David John Bradbury,2005 Mansfield was listed in Domesday Book as a royal estate and was the administrative centre for much of northern Nottinghamshire In the Middle Ages it was the capital of Sherwood Forest and its position made it an important trading centre This book however primarily tells the story of Mansfield s later transformation into an industrial centre In the 1780s the town helped set the pace of the Industrial Revolution and it developed at an astonishing rate over the next 150 years Art teacher A S Buxton recognised the effects of this constant change on the town s heritage and from the 1890s to the 1920s he recorded vanishing Mansfield scenes in paintings and with photography A number of the paintings are well known but many of the photographs are rarely seen They reveal the dilapidated condition of many buildings that he recreated in his charming watercolours and some show scenes he never painted which have disappeared with continued development This long awaited book can be dipped into or read as a fascinating narrative recounting Mansfield s history from the 11th century to 1945 *Greater Mansfield Pictorial History, 1808-1958* Greater Mansfield Sesquicentennial Association,1958* **Mansfield Area Pictorial History, 1808-1983** ,1983 **The U.S.-Mexican War** Bud Hannings,2014-01-06 The U S Mexican War also known as the Mexican American War and the Mexican War took place from 1846 to 1848 and was mainly about control of Texas Mexico claimed this territory despite Texas having declared itself a republic years earlier while the U S wished to annex Texas and make it the 28th state The war was fought with no allies and was the first offensive war for the United States This chronology focuses on the military actions of the war as well as the many Indian incursions before the war The various campaigns sieges and skirmishes in both the United States and Mexico on both land and sea are covered Some of the heroes of this war also served in the War of 1812 and many rose to high military office during the Civil War The contributions of the individuals who later became generals during the Civil War are also highlighted here *Focus On: 100 Most Popular American Stage Actresses* Wikipedia contributors, **The Complete Films of Mae West** Jon Tuska,1992 *Graveyard of the Lakes* Mark L.
