Mansion In The Mist:

The Mansion in the Mist John Bellairs, 2023-05-16 Anthony Monday takes a vacation to another world in this mind blowing mystery from the author of *The Lamp from the Warlock's Tomb*. Summer is here and Anthony Monday has been asked to join his friend Miss Eells and her brother Emerson on a vacation to northern Canada where Emerson owns a no frills cottage on an island. School may be out but there's still a riddle to be solved. A few years ago three tourists visiting the cottage disappeared without a trace. The cottage has no electricity but it's humming with strange sounds and illusions. Before long Anthony finds a disappearing chest that turns out to be a portal to another world, a realm populated by evil human-like creatures who want to drag Earth and its inhabitants into their dimension. As Anthony, Miss Eells, and Emerson try to come up with a plan to save the world, they are faced with their own intruder, a visitor from the other side with vengeance on his mind. The atmosphere throughout this adventuresome chiller is appropriately scary, and the villains are certainly evil personified. School Library Journal Bellairs's characters have a captivating charm that adds to this spellbinding adventure. VOYA Throwing in plenty of conventional ingredients: ghosts, illusions, cryptic clues, secret passages, magic amulets, a witches sabbath, cliffhangers, last instant rescues, etc. Bellairs dishes up a broth spiced with action and suspense. Kirkus Reviews While the notion of passage into another world is not new, the late Bellairs provides unique twists. Publishers Weekly

The Mansion in the Mist, **SECOND LODGE -The Shrine of Avarice** Vijay Painsy, 2022-10-27 There are dark secrets in those jinxed woods of Mist Valley that could lure anyone into its heart. Four Paranormal enthusiasts venture into them oblivious about the contagion of hex prevalent over a century. Their adventure culminates in tragedy. It didn't stop there. There were more secrets to exhume, more sinister plots to unravel. It became a burden for Noah, a diligent Paranormal investigator who was among the victims of Mist Valley haunting, to trade secrets with a covert organization called themselves the nemesis of evil. Engaged in a mission which was far more than Herculean, equipped Noah to comprehend the very secrets of life and death. He walks through a realm which mortals seldom travel, perceives knowledge to counter the evil which has ravaged life of his friends. The Creed whom he intended to confront was a Leviathan; it had its tentacles spread everywhere; no organization in the world could skip their radar. Powerful people among its top rungs run the Lodges. The place where they worship their deities believed to control the humanity through their sins. Avarice, Greed, lucrative among all sins. Yes, The shrine was second among the seven established in the world. The Second Lodge or Shrine of Avarice. **Night Stalks the Mansion** Harold Cameron, Constance Westbie, 2005-04-21 Back by popular demand. A supernatural detective story.
