Bruton, 2012-12-06 *The Many Faces of Coincidence* Laurence Browne, 2017-11-10 Although much has been said and written about coincidences there is a marked absence when it comes to the development of a comprehensive model that incorporates the many different ways in which they can be understood and explained One reason for this omission is undoubtedly the sharp divide that exists between those who find coincidences meaningful and those who do not with the result that the conclusions of the many books and articles on the subject have tended to fall into distinct camps The Many Faces of Coincidence attempts to remedy this impasse by proposing an inclusive categorisation for coincidences of all shapes and sizes At the same time some of the implications arising from the various explanations are explored including the possibility of an underlying unity of mind and matter constituting the ground of being **Yet Being Someone Other** Laurens Van Der Post, 2011-08-31 Yet Being Someone Other is the most revealing book that Laurens van der Post wrote about his extraordinary and eventful life and the most far reaching it is a distillation of the experiences that have moved him at the deepest level of the imagination and made him the exceptional person and writer he was *Robert K.
