

My Creed

~Family and friendship ~

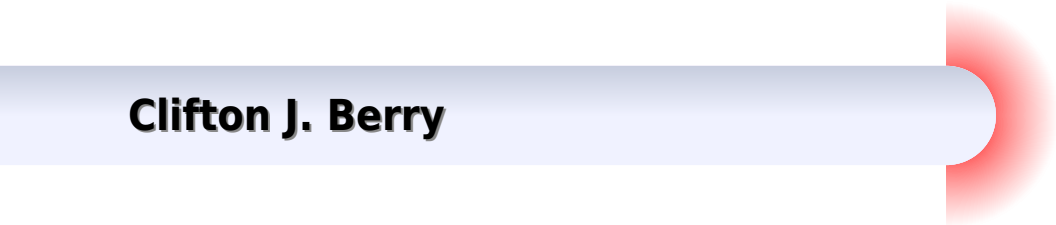

I believe in the importance of family.
I believe that when we have each other we
have everything.
I believe that family isn't defined by blood,
but by loyalty and love.
I believe that we are always there to hold
each other up through the good and the bad
times.
I believe that family is forever.
I believe in the importance of friendship.
I believe that when we feel alone, we know
that our friends will always be there for us.
I believe that true friends are always
together in spirit.
I believe that friendships are the sunshine in
our lives.
I believe that friends become our chosen
family.

My Religion: Reel Or Real? Benjamin A. Vima, 2013-09 As the cradle religion I belong to has been at every age probing into her managing and conserving of the Mysterious Treasures entrusted to her with the enlightenment offered by Vatican Council II I too longed to scrutinize my own handling of Catholic Christian Faith I wanted to examine whether the religion I practice personally was real or reel True or false Genuine or false Authentic or artificial Heartfelt or routine Fruitful or poisonous Original or counterfeit Single hearted or double hearted Certainly as a priest I had lot of occasions like recollections and retreats regularly to regularly assess the genuineness of my religious holdings and practices Though I began 10 years back gathering all my scribbles and journals of evaluation about my personal religion I started putting them seriously into a book form only after Pope Benedict XVI announced year 2012 as the Year of Faith I considered it a call from God who wanted to befriend me more intensely and to promote to my friends this habit of assessing one's own faith This is how this book was conceived and shaped This book can be considered as a self imposed act of examining my conscience about the identity nature and application and practice of religion in my life I hope and pray this effort of mine will surely assist my readers do the same not only during this Year of Faith as it would be ended 24 November 24 2013 but also later on in life when tumult of waves and trials is daunting against our faith and religion *The Theosophist* Henry Steel
