Petry, 2013-06-17 Isn't it unethical to pay people to do what they should be doing anyway Won't patients just sell the reinforcers and buy drugs Others didn't get prizes for not using Why should they The concerns surrounding Contingency Management CM are many and reflect how poorly understood and rarely utilized this evidence based treatment model is in practice settings Despite being identified as the most efficacious intervention for substance use disorders a significant gap persists between research and practice at the client's expense Nancy Petry an experienced researcher and consultant for organizations such as the National Institute of Health has begun to fill this gap by authoring the first clinician oriented text that focuses on CM protocol development and implementation In this well organized and clear book she provides a foundation for understanding CM and details how to design and implement a program that can work for any clinician whether he or she works for a well funded program or not She also addresses realistic concerns such as How to describe CM to eligible and ineligible patients How to calculate the costs of CM interventions How to solicit donations and raise funds to support CM interventions How to stock a prize cabinet and keep track of prizes Over 50 charts worksheets and tables are provided to help the clinician pinpoint exactly which behaviors to target brainstorm how to reinforce change and develop a treatment plan that incorporates cost length of treatment and method for determining patient compliance Included with the

book are downloadable resources of editable logs forms tables and worksheets for personal use More than just filling a void Dr Petry provides all of the tools clinicians require to successfully apply a novel treatment in practice *A.I.M.* Jim Carlisle,Alex Gill,2010-07-09 From the Introduction by Alex Gill Before embarking on the A I M program I was just an ordinary guy with a problem that many many others have had at some point in their careers I was unhappy I was becoming bitter I complained about my job a lot I knew I was in a rut and couldn t figure out what to do about it I felt powerless unfocused and alone And I didn t see a way I could make things improve That was my starting point before I began the A I M process Today I run my own firm that helps dozens of nonprofits improve their community impact each year I work on very interesting and socially relevant projects for an ever growing roster of clients I have flown around the world to talk about community building environmentalism and social marketing I also teach at an innovative downtown university where the students are a joy to teach and my fellow professors often remark on my enthusiasm for my work and life in general My friends and family constantly note that I seem happier and more motivated as the years go by This did not happen because of some exceptional piece of luck nor because of some superhuman ability or intelligence on my part I was someone who happened upon a method the A I M method that helped me determine who I was and what inspired me and then put me on the path to achieving it It happened because I put those principles into action with the help and guidance of a coach like Jim Carlisle I hope as you read this book that you will appreciate how A I M changed my life and how it could help you change yours Jim and I have taken the better part of a year to write this book because we believe in strongly in helping those who need a way out Every day we see people who would benefit from taking charge of their lives and moving forward to achieve inspire and make a difference If you see a bit of yourself in my story or in the dozens of stories we will share in this book read on I hope your journey is even more productive and rewarding than my own **Long-Lost Bride** Day Leclair,2011-07-15 Welcome to the Cinderella Ball come single leave wed As if by magic meet and marry your perfect partner all on one special night FAIRYTALE WEDDINGS Shayne Beaumont dressed for the ball knowing she d never meet a man she loved as much as her ex husband It was nine years since she d been forced to annul her marriage to Chaz McIntyre She d never forgotten him but she d never seen him again Chaz McIntyre had no idea who d invited him to a masked ball But he soon found himself proposing to a beautiful mystery woman Only she turned out to be Shayne the woman he d once love beyond life They both needed to marry but could Chaz ever truly forgive his long lost bride **Skiing** ,1993-09
