Myanmar (Burma) Since 1962 Peter John Perry, 2007 Why has Myanmar Burma a country rich in resources rice timber minerals descended to least developed country status Is the explanation to be found inside Burma or beyond While political authoritarianism conflict and the illegal drugs trade have been contributory factors this book lifts the lid on a potentially more serious factor the mismanagement of the country's resources Historical Dictionary of Burma (Myanmar) Donald M. Seekins, 2017-03-27 Burma Myanmar is a Southeast Asian country that is emerging from crisis after more than a half century of hard line military rule and cultural diplomatic and economic isolation With the dissolution of its military regime the State Peace and Development Council in 2011 a formally civilian but military dominated constitutional government was inaugurated By 2012 Burma's president retired General Thein Sein had established a working relationship with Daw Aung San Suu Kyi the leader of the country's pro democracy movement since 1988 and after a 2012 by election she and members of her opposition party the National League for Democracy NLD entered the new Union Parliament as legislators However even with the election victory of Daw Suu Kyi and the NLD in the General Election of November 2015 Burma faces daunting challenges it is still one of the poorest countries in Southeast fissured by longstanding ethnic conflicts that have made a nationwide peace agreement elusive and its people's security and the environment are threatened by foreign economic exploitation Religious discord is also widely evident as Buddhist militants instigate violence against the country's religious minorities especially Muslims Today Burma's prospects are the most hopeful they have been for over half a century as the country takes steps along the road to a more open society and economy This edition of the Historical Dictionary of Burma Myanmar encompasses not only current developments but also Burma's over 1 500 years old recorded history and the most important features of its cultures ethnicity religions society and economy This is done through a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture *The Rough Guide to Myanmar (Burma)* Rough Guides, 2015-02-02 The Rough Guide to Myanmar Burma is the ultimate travel guide to this exciting largely undiscovered country with clear maps and detailed coverage of all the best Burmese attractions Discover Myanmar's highlights with stunning photography and information on everything from exploring the iconic temples of Bagan boating across beautiful Inle Lake or trekking through remote Shan highland villages Find detailed practical advice on what to see and do in Myanmar relying on up to date descriptions of the best hotels bars shops and restaurants for all budgets Explore every corner of this exciting country with easy to use maps to help make sure you don't miss the unmissable Now available in ePub format Make the most of your holiday with The Rough Guide to Myanmar Burma **Myanmar's Muslims** Rianne ten Veen, 2005 The main strategy in the transference focused psychotherapy TFP of borderline personality organization consists in the facilitation of the re activation in the treatment of split off internalized object relations of contrasting persecutory and idealized natures that are then
