The Secret Spiritual World of Children Tobin Hart, PhD, 2010-10-06 Many of the great mystics and sages in history have told us that their spiritual realizations began in childhood. Gandhi, Albert Einstein, and Abraham Lincoln are just a few famous figures who have reported these events. Based on more than five years of interviews, this book combines startling firsthand accounts of secret spiritual lives, including recollections from adults who have forgotten or repressed such experiences in childhood. The author explains how parents, educators, and therapists can recognize, identify, and nurture children's deep spiritual connections. The book is divided into ten chapters treating the phenomena of wisdom, wonder, and visions, including guiding parents along the spiritual path, building a curriculum, and learning from children. *The Akashic Records* Ernesto Ortiz, 2014-09-22 Profound and practical, this guide from a shamanic healer explores a deep domain of reality in ways that treat the esoteric as everyday reality. Ervin Laszlo, author of *Science and the Akashic Field*, *The Akashic Records* is equal parts practical and profound, the culmination of nearly two decades of immersion by Ernesto personally and professionally into the Akashic Records for individual healing, growth, and self-realization. This book provides a thorough map of the energetic territory you will be exploring and the many ways you can use the Akashic Records and the guidance of the masters and teachers. By experiencing *The Akashic Records*, you will learn a sacred prayer that has the potential to change your life forever. Create a deep and meaningful relationship with the Lords of Akasha. Be able to heal past and present and move with ease, grace, and inspiration into your future. Learn how to mix the energy of the Akashic Records with any other modality to bring you to the next level of your potential. Learn an easy and powerful way of protection and how to always be connected to Source and Spirit. This definitive work provides all of the conceptual and practical information you need to truly understand what the Akashic Records are and, more importantly, to incorporate accessing your own Records into your lifestyle for a lifetime.
