Cheek, Larry Cheek, 2004 The Navajo Holocaust is what Lawrence W Cheek calls it in this volume of the Look West series In Navajo history it is commonly known as the Long Walk The disaster began in 1863 when Gen James Henry Carleton decided to move the Navajo people forcibly from their traditional Arizona homeland to a reservation on the high plains of northern New Mexico He assigned this job to a veteran soldier named Kit Carson who broke Navajo resistance with a series of military raids Then the remaining Navajo were herded in large groups across distances of 300 to 500 miles routes varied to a small camp at Fort Sumner New Mexico Winter was coming on By the best estimate now possible 1 500 to 3 000 people up to a fifth of the Navajo population at the time died either en route or in what amounted to a concentration camp writes Cheek It became known as the Long Walk the Southwestern counterpart to the Cherokees Trail of Tears More than 8 000 Navajos attempted to live at the 40 by 40 mile camp By 1868 the experiment had clearly failed Many Navajos had starved to death Their chief Barboncito made a plea to Gen William Tecumseh Sherman who by now had inherited the problem I hope to God you will not ask me to go to any other country except my own Sherman relented and the survivors were finally allowed to go home And yet as Cheek observes in a riveting terrible beautifully written account this tragic episode preserved Navajo identity instead of destroying it 30 photos illustrations About the series Look West What do you find Wide wild landscapes extraordinary plants and animals rugged people rich in history ghost towns and working ranches ancient pueblos and ultramodern urban areas In the West coyotes howl Native Americans endure and flourish Kokopelli the mythical humpbacked flute player prances across the cliff dwellings and into popular culture and thousands of curio shops Every small handsome book in Rio Nuevo Publishers new Look West series presents a unique aspect of the American West Using words and pictures each volume explores a special Western topic or phenomenon and all have been written and illustrated by regional experts Each of these attractive 6 x 6
