Studies Pashaura Singh, Louis E. Fenech, 2014-03 This handbook innovatively combines the ways in which scholars diverse fields including philosophy psychology literary studies history sociology anthropology political science and economics have integrated the study of Sikhism within critical and postcolonial perspectives on the nature of religion *Faith and Health* Lynda W. Miller, 2007-09-04 This book is a response to a need Christian nurses in a wide range of settings perform their work based on beliefs drawn from their faith but until now they ve had no specifically Christian theoretical foundation to help them Nurses working in the emerging field of Parish Nursing in particular need a framework that helps them explicitly link the tenets of faith and concepts of health in their practice education and research Nurses of other faiths may also find the framework useful in seeing a way to relate their own beliefs and values to their nursing In the book s Introduction the author tells why she devoted her doctoral research to theory development and how she went about doing that The body of the book describes her nursing conceptual framework in depth yet in an informal reader friendly style The concluding chapter answers the question Now what and helps readers make practical applications in their everyday lives The four major components of the Faith and Health Framework are presented in detail Person Parishioner Health Shalom Wholeness Nurse Parish Nurse and Community Parish with the integrating component The Triune God Described under each component are two organizing concepts which in turn contain other key concepts such as mission ministry compassion competence and communion Various perspectives on the Framework are depicted in several full color stained glass figures and in an inspirational poem written by the author There are extensive bibliographic references and quotations from The Holy Bible throughout plus Appendices of relevant materials and resources **So Great a Salvation** Jon C. Laansma, George H. Guthrie, Cynthia Long Westfall, 2019-06-27 This volume presents a dialogue between historians exegetes and theologians on the background and key themes of the atonement in Hebrews Presenting a range of differing perspectives and contributing to the renewed conversation between biblical and theological scholarship the argument is structured in two parts contexts and themes within Hebrews Focusing on atonement not only in the Old Testament but also in the Greco Roman world and touching on themes such as sacrifice plight and solution and faith these contributions shed light on the concept of the atonement in a directly scriptural way The whole is a definitive collection of studies on the atonement in Hebrews that will be of service well beyond the confines of Hebrews specialists a collection as important for what it says about the atonement and the 21st century church as for what it says about Hebrews **Catalogue of the Library of the Graduate School of Design, Harvard University** Harvard University. Graduate School of Design. Library, 1968 **A New Model of the Authentic Church** Robert Fuggi, 2018-02-08 In American church culture worldly benchmarks of achievement have all but blinded us to the true purpose of the body of Christ A New Model of the Authentic Church may be one of the most significant books written on the American church in decades It not only offers a scholarly analysis of the current state of the church but provides practical solutions The book offers a brilliantly well developed model for how to make church work more effectively If

implemented it would provide a much needed paradigm shift in how we do church in America The books main contribution is that it provides a workable framework not only on how to birth new missionally minded churches but how to reform existing ones back to the Authentic Church of the gospels If its principles are taken and applied the book could alter the landscape of the American church which will be a breath of fresh theological air to a church that has lost its way in the new millennium The purpose of this book is not to just challenge and change the status quo its goal is to bring a real lasting transformation to how we do church The aspiration in writing this book is for it to be seen and read not just as a critical assessment of the condition of the American church but as a practical blueprint that will provide much renewed hope and purpose to the contemporary American church the bride of Christ *Biblical Leadership* Benjamin K. Forrest, Chet Roden, 2017-11-28

Biblical Leadership takes the best of evangelical scholarship to make the leadership lessons of Scripture tangible for today's readers All contributors are biblical scholars who not only think seriously about the texts covered in their individual chapters but have committed their lives to teaching and living the truths therein This volume walks through the sections of the Bible gleaning insights from each biblical writer Every chapter analyzes the original setting of the writing extrapolates the leadership principles in the text and provides advice on applying that theology of leadership Presented in everyday language understandable to both professionals and practitioners these lessons will equip current and upcoming leaders to make a Christlike impact **American Universities and Colleges**, 2006

The Injustice of Noah's Curse Justin Michael Reed, Associate Professor of Old Testament and the Hebrew Bible Justin Michael Reed, 2025-12-02 This book provides a new literary interpretation of Noah's curse as unjust Most interpreters acknowledge that in the context of Genesis 9:18-29 Noah's curse of Canaan seems to be an overreaction and off target but almost all readers including ideologically motivated interpreters and modern biblical scholars with no desire to weaponize the curse presume that a good interpretation should overcome the initial reaction that Noah's curse seems unjust This book argues the opposite Reading through the lens of interest convergence from critical race theory and performative utterances from speech act theory this book proposes that intertextual connections between Genesis 9:18-29 and the stories in Genesis 2-3 show Noah and his actions as an ironic recurrence of the Adam and Eve narrative and the injustice of Noah's curse serves as a crucial element in this ironic depiction and the primeval history as a whole Provided by publisher *Directory of Religious Organizations in the United States* J. Gordon Melton, 1993
