

The background of the entire image is a historical photograph of a battle scene from the American Civil War. It shows a group of Union soldiers in dark uniforms running across a grassy field. On the left, a large American flag with 35 stars is flying. The soldiers are carrying rifles and some are looking back over their shoulders. The scene is set against a dark, overcast sky.

Cosmic Preeminence R L Coursey, 2018-06-26 Many who correctly exalt the preeminence of Christ in their theology may yet oppose His preeminence with their priorities Our priorities reveal our portion and location does not change that portion For the psalmist declared the preeminence of Christ in both heaven and earth Whom have I in heaven but Thee and there is none upon earth that I desire besides Thee Ps 73 25 Whenever there are two things that are good the believer who has his priorities aligned with the kingdom never rejects the lesser but always prefers the better And when one of these is finite and the other infinite there must be no competition in his choice Since Christ is preeminent in creation cosmic preeminence must be infinitely higher in our affections than cosmic redemption The new view on heaven is popular because it legitimizes the priorities of a consumer culture by always emphasizing the latter while merely including the former While both are equally true they are not truly equal The priority of the beatific vision is evidenced by the superiority of its object Therefore we should always emphasize the former without failing to mention the latter Once creation and redemption are paired together in our priorities the preeminence of Christ slowly becomes less important and how to gain and or enjoy creation is always the primary emphasis both in this life and the next Like Christ we must differentiate between His kingdom and all those things that are merely added unto us in this life and on the future new earth With the Kingdom clearly in view we must prioritize that mandate Great Commission through which Christ has chosen to extend His kingdom and work of redemption in the world The Creation Mandate given before the Fall like all the commands is not redemptive in nature and the church is the only society of the redeemed Our new identity in Christ without eliminating infinitely supersedes our creation identity simply because Christ infinitely supersedes all creation in worth The problem with exchanging the Great Commission with the Cultural Mandate is that the present mission of Christ to build His church becomes secondary to His work of providence in culture the power of the gospel becomes secondary to the power of our example and moral influence on society and culture and the preeminence of Christ is no longer based on His person and work but on the success of our work among people We always proclaim what we are wrote Martyn Lloyd Jones by our priorities **Preaching the Whole Counsel of God** Julius

Miguel A. De La Torre,2021-05-15 Jos Mart s Liberative Political Theology argues that Mart s religious views which at first glance might appear outdated and irrelevant are actually critical to understanding his social vision During a time in which the predominant philosophical view was materialistic e g Darwin Marx Mart sought to reconcile social and political trends with the metaphysical believing that ignoring the spiritual would create a soulless approach toward achieving a liberative society As such Mart used religious concepts and ideas as tools that could bring forth a more just social order In short this book argues Mart could be considered a precursor to what would come to be called liberation theology Miguel De La Torre has authored the most comprehensive text written thus far concerning Mart s religious views and how they affected his political thought The few similar texts that exist are written in Spanish and most of them romanticize Mart s spirituality in an attempt to portray him as a Christian believer Only a handful provide an academic investigation of Mart s theological thought based solely on his writings and those concentrate on just one aspect of Mart s religious influences Jos Mart s Liberative Political Theology allows for mutual influence between Mart s political and religious views rather than assuming one had precedence over the other *The Fire of Delayed Answers* Bob Sorge,1996-05 This book helps clarify why the answers to our prayers may be delayed and gives practical advice for walking in faith and hope until God s release comes God's Order and Natural Law Iain M. MacKenzie,2018-01-17 This title was first published in 2002 This book fills an important gap in the theological interpretation of the Laudian divines Iain MacKenzie presents the theology of the Anglican theologians of the early 17th century exploring the concept of order first in God but then in creation in its relation to the Creator and then examining the working out of this concept based in theology in civil and ecclesiastical structures and practice Mapping the Laudian divines perceptions of how order primarily and necessarily resides in God existing as Father Son and Holy Spirit this book sets out the essential and necessarily practical application of theology as seen by 17th century theologians and traces the legacy which they have left This theological as opposed to a merely historical or literary study of this important period for the development of society will be of particular value to theologians historians and those concerned with the intellectual history of the 17th century *Saint Alphonsus de Liguori Collection [20 Books]* Saint Alphonsus de Liguori,Aeterna Press, SAINT ALPHONSUS DE LIGUORI COLLECTION 20 BOOKS Quality Formatting and Value Active Index Multiple Table of Contents for all Books Multiple Illustrations Saint Alphonsus Maria de Liguori C Ss R 27 September 1696 1 August 1787 was an Italian Catholic bishop spiritual writer composer musician artist poet lawyer scholastic philosopher and theologian He
