ABOUT THE ROUNDTABLE

Where are all the churches going? Why are young men headed to the left? Do you know if the Emerging Church is emerging in your church? Dr. William P. Thompson, retired college professor, will join us for the next Pastors Roundtable to discuss a very dangerous theological trend - The Emerging Church. Dr. Thompson has done extensive research on this subject. He will deliver a presentation and lead both the discussion and the Question and Answer time. The Emerging Church is making considerable headway in our country, even in traditional churches. Learn about the trends, methods, and dangers for pastors and churches who are not vigilant. Please join us, and let us minister to you. The session will end with a luncheon in the fellowship hall of Marshall Baptist Church. There will also be a book given to all attendees. All pastors, missionaries, youth pastors, pastoral staff, other church workers, and spouses are invited to attend. Call the College office at (336)293-6706 or email Dwight Melton at ddmelton@gbbccnc.org to reserve your spot. The registration fee can be mailed to the College office. Let us help you keep the Emerging Church out of your church.
