Noah Built His Ark In The Sunshine:

Noah Built His Ark In The Sunshine Rev. James W. Moore, 2003-08-01 Noah built his ark on a sunny day trusting in God he prepared in advance for the storm that was to come He didn't wait until the last minute He used the sunny days to get himself ready He used those bright days to build up the resources he would need when the rain and the floods came later In his story we learn many important things about his faith gratitude and spiritual strength But the question is How do we get there How do we reach that level of spiritual maturity That kind of faith and spiritual maturity doesn't just happen overnight We have to build it We have to work at the faith practice it express it study it share it And as we do our faith will grow and our gratitude will deepen and we too will be able to pray Lord whatever this day may bring you are here you are in it you are with us so may your name be praised

When the World Takes the Wind Out of Your Sails Rev. James W. Moore, 2010-10-01 In the words of author James W Moore When the world takes the wind out of our sails and we feel down and out we want someone to help us to reassure us to encourage us to deliver us to save us We want some word of good news We want someone with love and strength to hold us up and see us through That is precisely where the Christian faith comes in and that is precisely what the Christian faith is about Sometimes in this life the world is going to take the wind out of our sails and knock us flat But even then we can be courageous because we know that God is always with us and will see us through As Christians we have the sure confidence that nothing not even death can separate us from God's presence God's care God's strength God's love and God's victory So as we deal with the troubles of this world may God help us to know the courage and faith and blessed assurance that come only from trust in our Lord and Savior the One who has overcome the world This book contains 12 chapters and a discussion guide

Finding Bethlehem in the Midst of Bedlam - Adult Study James W. Moore, 2013-09-17 Christmas or confusion Bethlehem or Bedlam Which will you choose this year The truth is we don't have to choose because Christmas always happens right in the midst of our confusion God breaks into our confusion and makes himself known Christmas and confusion weren't they intimately related at the first Christmas when Jesus was born Sometimes we forget that But that's what this book is about how Christ breaks into our chaos and confusion and brings Christmas how Bethlehem always happens in the midst of bedlam This thematic Advent study for 2013 has five sessions one for each Sunday of Advent and one for Christmas Each session is related to the overall theme of the book and offers an alternative to the lectionary based Scriptures for the Church seasons This year's theme is Bethlehem or Bedlam A reflection is also available at the end of each session

DeLorenzo,Timothy P. O'Malley,2019-05-23 In North America over the last three decades no one has thought as long and hard about the nature of the Catholic university has been so passionate in its avowal so visionary in its conception and so persistent in reminding all who would listen that the university is a specifically Catholic achievement and the Catholic university an enduring legacy as John Cavadini As the long time chair of the Department of Theology at the University of Notre Dame and the even longer serving McGrath Cavadini Director of the McGrath Institute for Church Life John C Cavadini has provided a vision for leadership in Catholic higher education and especially the Catholic university's call to serve the Church with unparalleled creativity industriousness and hope The breadth and wisdom of Cavadini's distinctive leadership is a model for guiding the Catholic university along its unique mission both within higher education and for the life of the Church This vision is captured in Cavadini's person and by extension in the initiatives projects and institutional activities that he has designed and executed The vision is difficult to see all at once because of its comprehensiveness but once glimpsed it shines as a standard by which leadership in Catholic higher education may be measured This leadership has never been more necessary for the life of the Catholic university and its service to the Church When God Came Down Debi Toporoff,2008-09 Journey with Jody a sixteen year old young man who finds himself on a supernatural adventure with God reliving the book of Genesis With a divine tour guide Jody explores both then and now learning how God is involved in all that matters in life including his decisions what he says and what he does Read laugh study and most of all enjoy the ledge side adventure of this wide eyed character When God Came Down
