Nuk Tessli The Life Of A Wilderness Dweller:

Nuk Tessli Chris Czajkowski,1999 At once a riveting adventure story and a testament to one woman s resourcefulness Nuk Tessli is also a heartfelt elegy to the true wilderness and a cry for it s sensible use Solitude Robert Kull,2010-10-05 Years after losing his lower right leg in a motorcycle crash Robert Kull traveled to a remote island in Patagonia s coastal wilderness with equipment and supplies to live alone for a year He sought to explore the effects of deep solitude on the body and mind and to find the spiritual answers he d been seeking all his life With only a cat and his thoughts as companions he wrestled with inner storms while the wild forces of nature raged around him The physical challenges were immense but the struggles of mind and spirit pushed him even further Solitude Seeking Wisdom in Extremes is the diary of Kull s tumultuous year Chronicling a life distilled to its essence Solitude is also a philosophical meditation on the tensions between nature and technology isolation and society With humor and brutal honesty Kull explores the pain and longing we typically avoid in our frantically busy lives as well as the peace and wonder that arise once we strip away our distractions He describes the enormous Patagonia wilderness with poetic attention transporting the reader directly into both his inner and outer experiences

Lonesome Chris Czajkowski,2011-02-01 Charming humorous and utterly engaging this is a book that will make readers laugh and cry Written from the point of view and in the voice of the author s dog Lonesome its observations of life in the wilds reveal a dog with great character charm and attitude Named for her first home remote Lonesome Lake in British Columbia s Tweedsmuir Park Lonesome was a first rate companion obedient mannerly brave yet occasionally cynical She did not share her human s love of the wilderness and wore a martyred expression for most of her life She would have much preferred a life in the suburbs with nice safe walks in the park and a cozy bed inside the house Lonesome s memoirs paint a vivid and not altogether flattering picture of her life with Chris but as she states I am not a vindictive creature and this book will remain family reading Lonesome loftily points out in her introduction that her book focuses on events not already recounted in Chris s previous books and she shares her unique canine perspective on their day to day life in the wilds
