Yank ,1943 Through Indian Sign Language William C. Meadows,2015-09-22 Hugh Lenox Scott who would one day serve as chief of staff of the U S Army spent a portion of his early career at Fort Sill in Indian and later Oklahoma Territory There from 1891 to 1897 he commanded Troop L 7th Cavalry an all Indian unit From members of this unit in particular a Kiowa soldier named Iseeo Scott collected three volumes of information on American Indian life and culture a body of ethnographic material conveyed through Plains Indian Sign Language in which Scott was highly accomplished and recorded in handwritten English This remarkable resource the largest of its kind before the late twentieth century appears here in full for the first time put into context by noted scholar William C Meadows The

Scott ledgers contain an array of historical linguistic and ethnographic data a wealth of primary source material on Southern Plains Indian people Meadows describes Plains Indian Sign Language its origins and history and its significance to anthropologists He also sketches the lives of Scott and Iseeo explaining how they met how Scott learned the language and how their working relationship developed and served them both The ledgers which follow recount a variety of specific Plains Indian customs from naming practices to eagle catching Scott also recorded his informants explanations of the signs as well as a multitude of myths and stories On his fellow officers indifference to the sign language Lieutenant Scott remarked I have often marveled at this apathy concerning such a valuable instrument by which communication could be held with every tribe on the plains of the buffalo using only one language Here with extensive background information Meadows s incisive analysis and the complete contents of Scott s Fort Sill ledgers this valuable instrument is finally and fully accessible to scholars and general readers interested in the history and culture of Plains Indians
