An Annotated Guide to Biblical Resources for Ministry David R. Bauer,2011-04-01 An Annotated Guide to Biblical Resources for Ministry evaluates over 2 000 books that were chosen because of their usefulness for the theological interpretation of the Bible within the context of the faith of the church significance in the history of interpretation and representation of evangelical scholarship This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia

Leviticus, Numbers, Deuteronomy David Weston Baker,David Baker,Dale A. Brueggemann,Eugene H. Merrill,2008 The Cornerstone Biblical Commentary provides students pastors and laypeople with up to date evangelical scholarship on the Old and New Testaments It s designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God s Word by presenting the message of each passage as well as an overview of other issues surrounding the text Publisher

The Understanding of Adultery in the Hebrew Bible Alexander Izuchukwu Abasili,2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at

providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for todays couples

The Sin of Moses and the Staff of God Johnson Lim Teng Kok, 2018-07-17 According to the opinio communis of the exegetes the sin of Moses is one of the most difficult conundrums to resolve in the history of interpretation This Pentateuchal puzzle has not only perplexed ancient and modern exegetes but has also produced a multiplicity of answers A plethora of explanations proposed by exegetes on the sin of Moses appears to be strong on conjectural ingenuity but weak on textual evidence A fresh exegetical probe is therefore warranted using a hermeneutical strategy whereby a narrative approach is attempted in order to understand Num 20 1 13 in the light of Exodus 17 1 7 These narrative analogies are part of a distinctive feature in the Hebrew narrative style labelled Type scene The main thrust of this book is that the sin of Moses recorded in Numbers 20 1 13 is linked to the unlawful and wilful act of trifling with the sacred staff in striking the rock This is because the staff of Moses has already become the staff of God Exod 4 20 17 9 Moses abuse and misuse of the staff constitutes an act of lese majeste because it is seen as an act of rebellion against YHWH s authority Inevitably Moses eclipses YHWH s personality presence and power in the eyes of the people His condign punishment is the forfeiture of the privilege of leading the people into the Promised Land

De-demonising the Old Testament Judit M. Blair, 2009 Judit M Blair challenges the common view that azazel lilith deber qeteb and reshef are names of demons in the Hebrew Bible claiming that major works on the subject proceed from the assumption that these terms were demons in the ancient Near East and or later or that they were deities who became demonised by the authors of the Hebrew Bible Without questioning the validity of traditional methods she supplements the existing works by making an exegesis based on a close reading of all the relevant texts of the Hebrew Bible in which these five terms occur Close attention is paid to the linguistic semantic and structural levels of the texts The emphasis is on a close examination of the immediate context in order to determine the function of each term The author notes different signals within the texts especially the use of the various poetical rhetorical devices personification parallelism similes irony and mythological elements

Lee, 2003 Through an exegetical examination of the disparate materials of the book of Numbers 10 11 36 13 dealing with Israel's failure to conquer the Promised Land Lee Old Testament studies Calvin College finds a structural integrity and conceptual coherence to the work that rests on understanding of God In Search of the Spirit: Selected Works, Volume One John R. Levison, 2023-11-13 In his trailblazing studies of the spirit in Jewish and Christian Antiquity John R. Jack Levison shatters theological and exegetical taxonomies Should the spirit be understood as breath or Spirit or both Is the spirit directed to creation or salvation or both Is the spirit a force or an angel or both Does the spirit inspire ecstasy or wisdom or both When Levison transfers the starting point of pneumatology from the New Testament to the Hebrew Bible from Christianity to Judaism questions swell assumptions detonate and expectations flourish Consequently Levison's studies are considered impressive and provocative Review of Biblical Literature delightful engaging Catholic Biblical Quarterly compelling eloquent sensitive Word and World and a remarkable read Themelios with profound ramifications for both Jewish and New Testament Studies Journal of Jewish Studies Now for the first time selections of his breathtaking array of studies are available in three accessible volumes This volume in which you will discover some of the programmatic studies Levison published on the biblical literature of both testaments reveals why Reading Religion A Publication of the American Academy of Religion forecasts that Levison will continue to be at the center of our most fruitful discussions of pneumatology **NIVAC Bundle 1: Pentateuch** John H. Walton, Roy Gane, Daniel I. Block, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written *Essential Bible Study Tools for Ministry* Professor David R. Bauer, 2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan

scholarship *Mission Possible* Julie C. Ma,2005 *Retiring Retirement* Rodney Macready,2022-05-03 In *Retiring Retirement* Rodney Macready doesn't believe retirement is a biblical concept especially the way it's practiced in today's Western culture with a sense of entitlement. His aim is to challenge readers to think about retirement and what the Bible has to say in relation to it. He encourages retirees to continue to be productive and contribute to the Kingdom and challenges us to evaluate our current concept of retirement by exploring what the Bible says about it. **Sacrifice and Gender in Biblical Law** Nicole J. Ruane,2013-08-06 This book examines the Hebrew Bible's numerous laws about sacrificial procedure to understand the significance of gender in sacrificial rituals and the reasons that gender distinctions are so vital in these acts. Gender selection of both victims and participants is an intrinsic aspect of the nature and purpose of each rite affecting its form and function as well as its legitimacy. *Sacrifice and Gender in Biblical Law* considers the laws of the firstborn, the rite of the red cow, laws of slaughter, rituals of purification and other offerings. It shows that these laws regulate material wealth and contribute to the construction of social roles. *Reconciliation* Janez Juhant, Bojan Žalec,2012 The book considers reconciliation from various points of view: biblical foundations of reconciliation, philosophical aspects, Girardian and Bonhoefferian reflections on reconciliation, intellectual and post-totalitarian history, psychotherapeutic approaches. The authors consider reconciliation also in very concrete historical contexts: Hungary, Russia, Slovenia, Islam and Christianity. Despite some disagreements, their common message is clear: human history and present times are covered with blood, suffering of innocent victims and negative emotions. Hence, the only acceptable way is cultivation of the culture of reconciliation. **Cultural Number Systems** Karenleigh A. Overmann,2025-04-26 This sourcebook presents an extensive look at cultural number systems in numeracy and writing systems. Based on a decade of research by the author, the work examines topics such as why Xerxes the First counted his army by having his men march through an enclosure big enough to hold 10,000 of them at a time; why the Hawaiian word for twenty means nine and two; why an ancient Greek mathematician was driven mad by irrational numbers; and how old counting might be and how we might know this. Along the way, the author describes topics such as dactylonomy, the ancient art of expressing and calculating numbers with the fingers; specified counting; the use of different counting sequences to count different types of objects; and the ephemeral abacus strategies for counting that involve people and goods but not an actual device. The chapters are organized into six geographical areas: the ancient Near East, Africa, Europe, Asia, Oceania, and the Americas. **Children of the Waters of Meribah** Allan Aubrey Boesak,2019-09-17 In the decades since Black liberation theology burst onto the scene, it has turned the world of church, society, and academia upside down. It has changed lives and ways of thinking as well. But now there is a question: What lessons has Black theology not learned as times have changed? In this expansion of the 2017 Yale Divinity School Beecher Lectures, Allan Boesak explores this question. If Black liberation theology had taken the issues discussed in these pages much more seriously, struggled with them much more intensely, thoroughly, and honestly, would it have been in a better position to help

oppressed black people in Africa the United States and oppressed communities everywhere as they have faced the challenges of the last twenty five years In a critical self critical engagement with feminist and especially African feminist theologians in a trans disciplinary conversation Allan Boesak as Black liberation theologian from the Global South offers tentative but intriguing responses to the vital questions facing Black liberation theology today particularly those questions raised by the women

Numbers A Practical Commentary Introduction

In the digital age, access to information has become easier than ever before. The ability to download Numbers A Practical Commentary has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Numbers A Practical Commentary has opened up a world of possibilities. Downloading Numbers A Practical Commentary provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Numbers A Practical Commentary has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Numbers A Practical Commentary. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Numbers A Practical Commentary. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Numbers A Practical Commentary, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Numbers A Practical Commentary has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
