Nuptial Blessing A Study Of Christian Marriage Rites:

Nuptial Blessing Kenneth W. Stevenson,1982 **The Encyclodedia of Christianity, Vol. 5** Erwin Fahlbusch,Geoffrey William Bromiley,1999 Written by leading scholars from around the world the articles in this volume range from sin Sufism and terrorism to theology in the 19th and 20th centuries Vatican I and II and the virgin birth **Covenant Marriage in Comparative Perspective** John Witte (Jr.),Eliza Ellison,2005-10-20 Covenant marriages requiring premarital counseling and tighter strictures on divorce have recently emerged in some American states At the same time the doctrine of covenant has reemerged in religious circles as a common way to map the spiritual dimensions of marriage Covenant Marriage in Comparative Perspective brings together eminent scholars from Jewish Orthodox Catholic Protestant and Islamic religious traditions as well as experts on American covenant marriage The introduction carries out an unprecedented comparison of contract and covenant in Jewish Christian and Muslim understandings of marriage The rest of the book elucidates various facets of marriage from the perspectives of both jurisprudence and religion producing an enlightening integrated picture of the legal and spiritual dimensions of marriage **Introduction to Eastern Christian Liturgies** Maxwell E. Johnson,Stefanos Alexopoulos,2022-02-05 In Introduction to Eastern Christian Liturgies renowned liturgical scholars Stefanos Alexopoulos and Maxwell E Johnson fulfill the need for a new comprehensive and straightforward survey of the liturgical life of the Eastern Christian Churches within the seven distinct liturgical Eastern rites still in existence today Armenian Byzantine Coptic Ethiopic East Syrian West Syrian and Maronite This topical overview covers baptism chrismation Eucharist reconciliation anointing marriage holy orders burial Liturgy of the Hours the liturgical year liturgical ethos and spirituality and offers a brief yet comprehensive bibliography for further study This book will be of special interest to masters level students in liturgy and theology pastoral ministers seeking an introduction to the liturgies of the Christian East and all who seek to increase their knowledge of the liturgical riches of the Christian East **The Liturgy of the Medieval Church** Thomas Heffernan,E Ann Matter,2005-04-01 This volume seeks to address the needs of teachers and advanced students who are preparing classes on the Middle Ages or who find themselves confounded in their studies by reference to the various liturgies that were fundamental to the lives of medieval peoples In a series of essays scholars of the liturgy examine The Shape of the Liturgical Year Particular Liturgies The Physical Setting of the Liturgy The Liturgy and Books and Liturgy and the Arts A concluding essay which originated in notes left behind by the late C Clifford Flanigan seeks to open the field to examine liturgy within the larger and more inclusive category of ritual The essays are intended to be introductory but to provide the basic facts and the essential bibliography for further study They approach particular problems assuming a knowledge of medieval Europe but little expertise in liturgical studies per se **Liturgy for Living** Charles P. Price,Louis Weil,2000-12 The worship of the Christian community properly understood and done leads worshipers to act out in their lives the love of God which is at the heart of our worship Worship also provides the power and the sustenance which makes this

style of living possible This Christian style of living moreover drives those who are committed to it back to the worship of God to find forgiveness and strength When this interdependent relationship is understood the power of worship is illuminated and the power to live increased From the Preface First written in 1979 and out of print for many years Liturgy For Living remains a classic text in the field of Anglican Episcopal liturgy This highly readable overview explores the meaning of worship from a theological historical and spiritual perspective It then examines the history theology and meaning of specific Anglican liturgies including Holy Baptism Confirmation the Daily Office the Holy Eucharist and the various pastoral offices An extensive bibliography and a glossary of liturgical terms are included **Life Together** Stephen Barton,2005-01-01 In these wide ranging studies Stephen Barton shows that Christian theology and the Christian scriptures have a vital contribution to make to contemporary wisdom about our common life The subjects he addresses are relevant to the concerns of many people today What he has to say about the family sexuality community and biblical interpretation is both informative and creative Running through the book is the issue of the appropriate use of the Bible how the sacred text may speak in ways which are life giving Stephen Barton claims that questions about the interpretation of the Bible have to be set in the larger context of what it means to be the church A central argument is that the Bible is the kind of text the truth of whose witness is discovered above all in the lives of individuals and communities seeking to share by grace in the life of the Trinity **Conjugal Spirituality** Mary Anne McPherson Oliver,1994 Mary Anne Oliver develops an alternate to celibate religious practices drawing from the experience of couples and diverse sources in the Christian tradition This work explores the dynamics of conjugal love **The Mystery of the Eucharist in the Anglican Tradition** H. R. McAdoo,Kenneth Stevenson,2008-12-01 The Eucharist is one of the central acts of worship for Christians some would say the most important Yet within the many traditions of Christianity there appears to be no united voice even in an age like ours in which ecumenical agreements unthinkable until recently have sought convergence and achieved it Anglicans have often been described as occupying a middle ground between Catholics and Protestants They have even been criticized for being woolly In this well presented and readable book two scholars have set out to chart an Anglican course through the key areas of Eucharistic presence and sacrifice how Jesus is present at the Supper and how the celebration relates to the self offering of Christ They quote many authors from different viewpoints over the past four hundred years including poets They tell a story that is rich and varied and they make accessible to a fresh generation what it means to define sift probe and discuss the meaning of the Holy Communion yet still hold on to that vital aspect of all Christian belonging and living the mystery of Christ Himself **Life in Christ** Mark A. Garcia,2008-04-01 In three wide ranging case studies Mark A Garcia offers a comprehensive yet focused analysis of the centrality of union with Christ in Calvin s thought It explains not only the distinctive nature of Calvin s response to Rome on justification but why this response must be carefully distinguished from that of his Lutheran counterparts The fruit of these investigations is the first extensive demonstration that Calvin s exposition of union with Christ

in relating justification and sanctification points to an emerging Reformed theology of justification that diverges from the Lutheran tradition Calvin's exegetical and theological model of union with Christ accents the importance in the early Reformed tradition of the relationship between Christology and salvation

Worship that Cares Mark Earey, 2013-01-03 An introduction to the principles and skills of pastoral liturgy Inter denominational this text can be used across different Christian traditions in both formal and informal contexts and to meet traditional and non traditional pastoral needs

Celibate Marriages in Late Antique and Byzantine Hagiography Anne P. Alwis, 2011-10-27 Celibate Marriages in Late Antique and Byzantine Hagiography explores the puzzling phenomenon of celibate marriage as depicted in the lives of three couples who achieved sainthood Marriage without intercourse appears to have no purpose especially in Christian antiquity yet these three tales were copied for centuries What messages were they promoting What did it mean to be a virgin husband and a virgin wife Including full translations this volume sets each life in its historical context and by examining their individual and shared themes the book shows that the tension raised by pitting marriage against celibacy is constantly debated It also highlights the ingenuity of Byzantine hagiographers as they attempted to reconcile this curious paradox This book addresses a gap in late Antique and Byzantine hagiographic studies where primary sources and interpretative material are very rarely presented in the same volume By providing a variety of contexts to the material a much more comprehensive revealing and holistic picture of celibate marriage emerges

Rites of Marrying S. R. Charsley, 1991 Noting that there is a lot of controversy these days about marriage but that everyone still likes a wedding Charsley sociology U of Glasgow looses his discipline on his own culture and examines both the secular and religious aspects of the betrothal period and the wedding day in Scotland Being married himself he draws on his own experience as well as that of wedding professionals and ministers and priests Distributed in the US by St Martin's Press Annotation copyrighted by Book News Inc Portland OR

Mystery of Baptism in the Anglican Tradition Kenneth E. Stevenson,1998-08-01 As the Church continues to try to clarify the meaning of baptism well known liturgical scholar Kenneth Stevenson provides important insights into the historical issues with which we still wrestle Is baptism a private or a public act Is the symbolism of the rite still appropriate Does the language of the baptismal service remain meaningful in a secular age In order to answer these and other pressing questions we must understand the thinking of those who have come before us Stevenson does just that by looking at the writings of the 17th century Anglican divines such as Lancelot Andrewes George Herbert Richard Hooker Richard Baxter Jeremy Taylor and others all of whom have a vital and prophetic significance for our understanding and practice of baptism today **Married Life in the Middle Ages, 900-1300** Elisabeth M. C. Van Houts,2019 An analysis of the lived experience of Christian married life in Christian medieval Europe this study examines the process of getting married and wedding celebrations the married life of lay couples and clergy their sexuality and any remarriage and alternative living including concubinage polygyny and the single life **Studies on Medieval Liturgical and Legal Manuscripts from Spain and Southern Italy** Roger E. Reynolds,2023-05-31 Though it may not be immediately obvious why articles on topics from such distantly removed areas of western Europe the Iberian peninsula and southern Italy should appear in the same volume the fourth collection by Roger Reynolds the materials covered illustrate that they are indeed closely related both in their differences and their similarities Both peninsulas had their own indigenous liturgies and music Old Spanish and Beneventan distinctive written scripts Visigothic and Beneventan and legal and theological traditions and repeatedly these worked their influence on other areas of western Europe Although there were frequent attempts by the papacy and secular rulers from the 9th to the 13th century to suppress these distinctive traditions in both areas elements of these nonetheless survived well into

the 16th century and beyond Despite the differences in these traditions the articles in this volume also demonstrate through manuscript evidence the continued exchange of the distinctive customs between the Iberian peninsula and southern Italian cultures from the very early Middle Ages through the 12th century
