on the appalling and impoverished living conditions of those living in Northern industrial cities and was a huge success sparking the interest of notable figures such as Charles Dickens who invited Elizabeth to contribute to the periodicals he edited. An active humanitarian, her works dealt sympathetically with the plight of the poorest in society and she did not shy away from controversial topics such as prostitution and illegitimacy. A close friend of Charlotte Brontë, Elizabeth also wrote a highly acclaimed biography of the author in 1857. Some of her best known and most loved novels include *Cranford*, *North and South*, and the posthumously published *Wives and Daughters*, all of which have been adapted for TV by the BBC, most recently *Cranford* starring Judi Dench, Michael Gambon, and Greg Wise. Elizabeth Gaskell is regarded as one of the most important novelists of the Victorian era.
