Nurse Paulas New Look

Betsy Bell

Nurse Paulas New Look:

The Changing Image of the Nurse Philip Arthur Kalisch, Beatrice J. Kalisch, 1987 The Kalisches profile the nurse as careerist and suggest approaches for cultivating the development of this new image Illustrated with examples from advertising film and television *Nurse Jill's Perfect Man* Mary Curtis Bowers, 1984 *Nurse Paula's new look* Beatrice Warren, 1962 **Nurse Hilary's Promise** Isabel Cabot, 1984 *Nurse Melanie's Flight* D. J. Dee, 1985 Nurse Lauren's Challenge Isabel Cabot, 1984 **Nurse Kristi's Secret** Beatrice Woodbury Warren, 1984 **Nurse Jackie's Prize** D. J. Dee, 1984 **The Dead Ground (Paula Maguire 2)** Claire McGowan, 2014-04-10 Stolen Missing Dead Forensic psychologist Paul Maguire is up against the clock to stop a merciless killer in THE DEAD GROUND the second novel in the highly acclaimed Paula Maguire series and the gripping follow up to The Lost Claire McGowan's thrillers are sure to enthrall readers of Michael Connelly and Karin Slaughter Fresh and accessible without ever compromising on grit or suspense Erin Kelly Forensic psychologist Paula Maguire already wrestling with the hardest decision of her life is forced to put her own problems on hold when she's asked to help find a baby taken from a local hospital Then the brutal ritualistic murder of a woman found lying on a remote stone circle indicates a connection to the kidnapping and Paula knows that they will have to move fast if they are to find the person responsible When another child is taken and a pregnant woman goes missing Paula finds herself caught up in a deadly hunt for a killer determined to leave no trace and discovers every decision she makes really is a matter of life and death What readers are saying about The Dead Ground Another gripping page turner from a fabulous writer Every time you think you've got it all worked out there will be another twist to it Definitely worth reading A powerful read that touched nicely on women's rights and pro choice in an Irish context Cleverly done I felt a great deal of empathy for all concerned An excellent read **A Cure for Nurse Evans** Darla June Neidrick, 1984 *Nurse Carol's Truce* Mary Curtis Bowers, 1985 **Nurse Susan's Secret Key** Evelyn Martin, 1985 **Nurse Crawford's Peril** Evelyn Martin, 1984 Nurse Julie's Pretense Mary Curtis Bowers, 1985 **Blessed Events** Pamela E. Klassen, 2021-06-08 Blessed Events explores how women who give birth at home use religion to make sense of their births and in turn draw on their birthing experiences to bring meaning to their lives and families Pamela Klassen introduces a surprisingly diverse group of women in their own words while also setting their birth stories within wider social political and economic contexts In doing so she emerges with a study that disrupts conventional views of both childbirth and religion by blurring assumed divisions between conservative and feminist women and by taking childbirth seriously as a religious act Most American women who have a choice give birth in a hospital and request pain medication Yet enough women choose and advocate unmedicated home birth and do so for carefully articulated reasons social resistance among them to constitute a movement Klassen investigates why women whose religious affiliations range from Old Order Amish to Reform Judaism to goddess centered spirituality defy majority opinion the medical establishment and sometimes the law to have their babies at home In

considering their interpretations including their critiques of the dominant medical model of childbirth and their views on labor pain she examines the kinds of agency afforded to or denied women as they derive religious meanings from childbirth Throughout she identifies tensions and affinities between feminist and traditionalist appraisals of the symbolic meaning of birth and the power of women What does home birth a woman centered movement working to return birth to women s control mean in practice for women s gender and religious identities Is this supreme valuing of procreation and motherhood constraining or does it open up new realms of cultural and social power for women By asking these questions while remaining cognizant of religion s significance *Blessed Events* challenges both feminist and traditionalist accounts of childbearing while broadening our understanding of how religion is lived in contemporary America *Dr. Terri's Project* Laura C. Raef,1984 *Summer-camp Nurse* Mary Lupton,1985 **Movietown Nurse** Betsy Bell,1984 **Nurse Ann's Fighting Heart** Lucy Bowdler,1985 *Nurse Janice's Dream* William Edward Daniel Ross,1984
