

Nurses War

Hannah Anderson Ropes

Nurses War:

And If I Perish Evelyn Monahan, Rosemary Neidel-Greenlee, 2004-11-09 In World War II 59 000 women voluntarily risked their lives for their country as U S Army nurses When the war began some of them had so little idea of what to expect that they packed party dresses but the reality of service quickly caught up with them whether they waded through the water in the historic landings on North African and Normandy beaches or worked around the clock in hospital tents on the Italian front as bombs fell all around them For more than half a century these women s experiences remained untold almost without reference in books historical societies or military archives After years of research and hundreds of hours of interviews Evelyn M Monahan and Rosemary Neidel Greenlee have created a dramatic narrative that at last brings to light the critical role that women played throughout the war From the North African and Italian Campaigns to the Liberation of France and the Conquest of Germany U S Army nurses rose to the demands of war on the frontlines with grit humor and great heroism A long overdue work of history And If I Perish is also a powerful tribute to these women and their inspiring legacy

Civil War Nurse Hannah Anderson Ropes, 1980 The chief nurse of the Union Hospital in Washington D C describes life and stress in the hospital and comments on notable persons of power Her heretofore unpublished diary and letters comprise a fresh highly significant document concerning the medical history of the Civil War and the contributions of women nurses in the Northern military hospitals This book is edited with Introduction and Commentary by John R Brumgardt

They Called Them Angels Kathi Jackson, 2000-06-30 A topical presentation of firsthand accounts from some of the thousands of army and navy nurses who served both stateside and overseas during World War II this book tells the stories of the brave women who used any and all resources to save as many lives as possible Although military nurses could have made more money as civilians thousands chose to leave the warmth and security of home to care for the young men who went off to war They were not saints but vibrant women whose performance changed the face of both military and civilian nursing Jackson s account follows both army and navy nurses from the time they joined the military through their active service to their lives today The jobs done by military nurses were valuable and varied Some worked in clean stateside hospitals Some found themselves nursing in tents or bombed out buildings Others entered hospitals so recently occupied by Axis forces that Nazi propaganda still covered the walls While often treating ordinary accidents and illnesses they were responsible for men with wounds so disfiguring that it took all of their willpower to maintain the hopeful attitude that the men so desperately required From the humorous account of a nurse in her forties who joined the war effort despite the smirks of those much younger to the sorrow shared when men and women were separated and became prisoners of war these are the stories of women who lived under extraordinary circumstances in an amazing time women who even today bear emotional scars along with their lasting pride

The War Nurse Tracey Enerson Wood, 2021-07-06 Any readers who enjoyed the mix of romance intrigue and medical accuracy of *Call the Midwife* will love *The War Nurse* New York Journal of Books An impeccably researched well drawn based on a true story

tale written by a former RN The War Nurse shines an important light on a woman whose story was until now lost to time Kristin Harmel New York Times bestselling author of The Book of Lost Names Based on a true story The War Nurse is a sweeping historical novel by USA Today bestselling author Tracey Enerson Wood that takes readers on an unforgettable journey through WWI France She asked dozens of young women to lay their lives on the line during the Great War Can she protect them Superintendent of Nurses Julia Stimson must recruit sixty four nurses to relieve the battle worn British months before American troops are ready to be deployed She knows that the young nurses serving near the front lines will face a challenging situation but nothing could have prepared her for the chaos that awaits when they arrive at British Base Hospital 12 in Rouen France The primitive conditions a convoluted ineffective system and horrific battle wounds are enough to discourage the most hardened nurses and Julia can do nothing but lead by example even as the military doctors undermine her authority and make her question her very place in the hospital tent When trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other overwhelming the hospital s limited resources and threatening the health of her staff Julia faces an unthinkable choice to step outside the bounds of her profession and risk the career she has fought so hard for or to watch the people she cares for most die in her arms Fans of Martha Hall Kelly s Lost Roses and Marie Benedict s Lady Clementine will devour this mesmerizing celebration of some of the most overlooked heroes in history the fierce determined and brave nurses who treated soldiers in World War I Praise for The War Nurse Through careful research this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations Julia Kelly international bestselling author of The Last Garden in England and The Light Over London A rich gripping history of one woman s lifelong battle against systemic prejudice Stewart O Nan award winning author of The Good Wife Once again Tracey Enerson Wood with her impeccable research and evocative prose kept me glued to the page Wood has a talent for bringing strong yet lesser known women from history to life Linda Rosen author of The Disharmony of Silence A riveting and surprisingly timely story of courage sacrifice and friendship forged at the front lines Kelly Mustian author of The Girls in the Stilt House If you like me are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action then The War Nurse is for you Diane Dewey author of Fixing the Fates Fans of Patricia Harman will love Wood s treatment of medical expertise in a historical setting Booklist **G.I. Nightingales** Barbara

Tomblin,1996-01-01 Recounts the history of the Army Nurse Corps whose members served with but not in the armed forces and describes the experiences of nurses in every theater of World War II including the special situation faced by African American nurses *Women at War* Elizabeth Norman,2010-08-03 Norman tells the dramatic story of fifty women members of the Army Navy and Air Force Nurse Corps who went to war working in military hospitals aboard ships and with air evacuation squadrons during the Vietnam War Here in a moving narrative the women talk about why they went to war the experiences they had while they were there and how war affected them physically emotionally and spiritually *Nurses in*

War Elizabeth Scannell-Desch, Mary Ellen Doherty, 2012-04-23 This unique volume presents the experience of 37 U S military nurses sent to the Iraq and Afghanistan theaters of war to care for the injured and dying The personal and professional challenges they faced the difficulties they endured the dangers they overcame and the consequences they grappled with are vividly described from deployment to discharge In mobile surgical field hospitals and fast forward teams detainee care centers base and city hospitals medevac aircraft and aeromedical staging units these nurses cared for their patients with compassion acumen and inventiveness And when they returned home they dealt with their experience as they could The text is divided into thematic chapters on essential issues how the nurses separated from their families and the uncertainties they faced in doing so their response to horrific injuries that combatants civilians and children suffered working and living in Iraq and Afghanistan for extended periods personal health issues and what it meant to care for enemy insurgents and detainees Also discussed is how the experience enhanced their clinical skills why their adjustment to civilian life was so difficult and how the war changed them as nurses citizens and people Key Features Describes verbatim the experiences of 37 nurses in two brutal chaotic theaters of war Offers poignant encounters with patients Includes advice clarity and lessons learned about nursing in war Offers a women s health perspective on working and living in a war zone Demonstrates the dedication expertise and spirit of military nurses

Nurses After War Mary Ellen Doherty, Elizabeth Scannell-Desch, 2016-07-05 Based on candid interviews with 35 nurses who were deployed for the wars in Iraq and Afghanistan this is the first book to reveal the stresses and moral dilemmas they experienced as they transitioned back into everyday life The nurses share their difficulties with family separation clinical reassignments post traumatic stress disorder the perceived stigma of seeking mental health counseling and compassion fatigue They describe how doing nursing in a war zone changed them personally and expanded their nursing skills and how reintegration was more difficult than they had anticipated In addition to serving as a personal account of the experiences both individual and collective of these military nurses the book will serve researchers as a compelling example of qualitative phenomenological and descriptive research Interviewees describe in vivid detail their homecoming family adjustments renegotiation of spousal and parenting roles domestic and workplace challenges and many other dilemmas posed by the reintegration process They provide insights and thoughtful recommendations for changes to current military debriefing to improve the experiences of future wartime nurses Encompassing all three branches of the military the book also examines the differences between active duty services and reserve unit services issues of substance abuse the Veterans Administration the burden of multiple deployments and other common threads among nurses who served in Iraq and Afghanistan KEY FEATURES Provides vivid narrative accounts of nurses reintegration experiences Delivers the first research study of nursing reintegration which includes Army Navy and Air Force Nurse Corps officers following deployment in the Iraqi and Afghani Conflicts Demonstrates how a comprehensive qualitative nursing research study can be crafted into a highly accessible compelling account Explores the personal and professional paths of 35 nurses returning from

war Addresses the reintegration differences between active duty versus reserve status *Nurse Writers of the Great War* Christine Hallett, 2016-02-15 This electronic version has been made available under a Creative Commons BY NC ND open access license The First World War was the first total war Its industrial weaponry damaged millions of men and drove whole armies underground into dangerously unhealthy trenches Many were killed Many more suffered terrible life threatening injuries wound infections such as gas gangrene and tetanus exposure to extremes of temperature emotional trauma and systemic disease In an effort to alleviate this suffering tens of thousands of women volunteered to serve as nurses Of these some were experienced professionals while others had undergone only minimal training But regardless of their preparation they would all gain a unique understanding of the conditions of industrial warfare Until recently their contributions both to the saving of lives and to our understanding of warfare have remained largely hidden from view By combining biographical research with textual analysis Nurse writers of the great war opens a window onto their insights into the nature of nursing and the impact of warfare *Easing Pain on the Western Front* Paul E. Stepansky, 2019-12-13 World War I is regarded as the first modern war driven by fearful new technologies of mechanized combat The unprecedented carnage rapidly advanced military medicine transforming the nature of wartime caregiving and paving the way for modern nursing practice Drawing on firsthand accounts of American nurses as well as their Canadian and British counterparts historian Paul E Stepansky describes nurses encounters with devastating new forms of injury wounds from high explosive artillery shells poison gas burns shell shock the Spanish Flu Comparing nursing practice on the western front with nursing care during the American Civil War the Spanish American War and the Anglo Boer War the author is especially attentive to the emergent technologies employed by nurses of the Great War **Officer, Nurse, Woman** Kara Dixon Vuic, 2010-01-01 Winner 2010 Lavinia L Dock Award American Association for the History of Nursing An American Journal of Nursing Book of the Year in History and Public Policy I never got a chance to be a girl Kate O Hare Palmer lamented thirty four years after her tour as an army nurse in Vietnam Although proud of having served she felt that the war she never understood had robbed her of her innocence and forced her to grow up too quickly As depicted in a photograph taken late in her tour long hours in the operating room exhausted her both physically and mentally Her tired eyes and gaunt face reflected the weariness she felt after treating countless patients some dying some maimed all like her forever changed Still she learned to work harder and faster than she thought she could to trust her nursing skills and to live independently She developed a way to balance the dangers and benefits of being a woman in the army and in the war Only fourteen months long her tour in Vietnam profoundly affected her life and her beliefs Such vivid personal accounts abound in historian Kara Dixon Vuic s compelling look at the experiences of army nurses in the Vietnam War Drawing on more than 100 interviews Vuic allows the nurses to tell their own captivating stories from their reasons for joining the military to the physical and emotional demands of a horrific war and postwar debates about how to commemorate their service Vuic also explores the gender issues that arose when a male dominated

army actively recruited and employed the services of 5 000 nurses in the midst of a growing feminist movement and a changing nursing profession Women drawn to the army s patriotic promise faced disturbing realities in the virtually all male hospitals of South Vietnam Men who joined the nurse corps ran headlong into the army s belief that women should nurse and men should fight Officer Nurse Woman brings to light the nearly forgotten contributions of brave nurses who risked their lives to bring medical care to soldiers during a terrible and divisive war

Faces of Civil War Nurses Ronald S. Coddington, 2020-10-06 A collection of rare archival images and biographical sketches of the dauntless women who served as nurses and caregivers during the Civil War During the American Civil War women on both sides of the conflict radiating patriotic fervor equal to their male counterparts contributed to the war effort in countless ways forming charitable societies becoming nurses or even marching off to war as vivandieres unofficial attaches to the regiments In *Faces of Civil War Nurses* Ronald S Coddington turns his attention to the experiences of 77 women of all ages and walks of life who provided care during the war as nurses aid workers and vivandieres Their personal narratives are as unique as fingerprints each provides a distinct entry point into the larger social history of the brutal and bloody conflict Coddington tells these determined women s stories through letters diaries pension files and newspaper and government reports Using identified tintypes and cartes de visite of women on both sides of the war many of them never before published Coddington uncovers the personal histories of each intrepid individual Following their postwar stories he also explains how the bonds they formed continued long after the cessation of hostilities The fifth volume in Coddington s series on Civil War soldiers this captivating microhistory will appeal to anyone with an interest in the Civil War women s studies social history nursing or photography Praise for Ronald Coddington s *Faces* Series An engaging look at a neglected part of the history of the American Civil War Booklist Coddington has hit upon a unique and fascinating niche in the seemingly endless march of Civil War books C RL News A lavishly produced visual record of southern Civil War soldiers will appeal to serious photography enthusiasts and collectors as well as those readers captivated by the personal stories of Civil War soldiers Civil War Books and Authors Coddington s prose is as unpretentious as the faces he shares yet authoritative It resurrects details that broaden our understanding of those sad times and sheds valuable light on the shape of modern culture Atlanta Constitution Even at a distance of over a hundred years the faces staring out of these pages create an undeniable emotional connection with the reader This book is highly recommended H CivWar H Net Reviews A fascinating window into the war s impact on the individual soldier well researched and engagingly written Any teacher of the Civil War would do well to consult this volume and incorporate some of the captivating tales into lectures and readings Journal of Military History

Nurses War Introduction

In today's digital age, the availability of Nurses War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nurses War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nurses War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing Nurses War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nurses War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nurses War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nurses War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nurses War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nurses War books and manuals for download and embark on your journey of knowledge?

FAQs About Nurses War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nurses War is one of the best book in our library for free trial. We provide copy of Nurses War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nurses War. Where to download Nurses War online for free? Are you looking for Nurses War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Nurses War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Nurses War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Nurses War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Nurses War To get started finding Nurses War, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Nurses War So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Nurses War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Nurses War, but end

up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
