Dimensional Analysis for Meds: Simplified Dosage

Calculations Anna M. Curren,2025-03-03 Dosage calculation can be very challenging and intimidating for students However renowned author and educator Anna Curren applies her experience knowledge and proven method to take the fear factor out of manual math in *Dimensional Analysis Simplified Dosage Calculations Seventh Edition* She breaks down the subject using dimensional analysis which reduces all calculations into a single easy to solve equation Furthermore her conversational writing style brings the students to a safe place in the often intimidating realm of math The updated Seventh Edition presents only the essential information The first section includes a chapter with an overview of the metric system as Curren states 98% of all calculations involve metric measures The text is structured to feature content in small instructional steps followed by assessments to reinforce what has been learned

Med Math Simplified Jamie Davis,2017-10-02 Med Math Simplified represents the hard lessons learned by the author a self professed math idiot while becoming a paramedic and later a nurse It uses the concepts of dimensional analysis with a good old common sense approach to learning the math and formulas needed to safely and correctly arrive at drug doses for your patients

Med Math Simplified - Second Edition Jamie Davis, RN, NRP, BA, AAS,2017-10-02 Struggling with medication math in nursing or paramedic school Worried you've calculated the wrong medication dose for your patient This book is for you Med Math Simplified represents the hard lessons learned by the author while becoming a paramedic and later a nurse It uses the concepts of dimensional analysis with a good old common sense approach to learning the math and formulas needed to safely and correctly arrive at drug doses for your patients This book was originally created as part of an online video course where Jamie took viewers on a step by step tour of the problems and equations in the program Many of his audience members wanted a resource they could take with them after the course to review and practice the skills learned in the video program Thus the eBook and paperback book versions of the program were born

Nursing Math Made Simple Kora Millard MSN Ed CNE,2017-07-16 This book is focused on providing a comprehensive simple approach to nursing math with practice questions and step by step walk through using easy formulas to solve a variety of nursing math problems
