Villains in Silver Age Superhero Comics* Anke Marie Bock, 2023-10-18 *Superevil Villains in Silver Age Superhero Comics* sheds light on the often disregarded supervillains in the American superhero comic of the 1960s From Loki to Killmonger they all possess famous cinematic counterparts yet it is their comic origin that this study examines Not only did The Silver Age produce countless superheroes and supervillains who have conquered the screens in the last two decades but it also created complex villains Silver Age supervillains were as the analyses in *Superevil* show the main and only means to include political and societal criticism in a cultural product which suffered from censorship and belittlement Instead of focusing on the superheroes once more Anke Marie Bock pioneers in putting the supervillain as such in the center of the attention In addition to addressing the tendency to neglect villains in superhero comic studies revealing many important functions the supervillains fulfill among them criticizing Cold War politics racism gender roles and the often unquestioned binary of good and evil on the examples of i a *The Fantastic Four Spider Man* and *Black Panther* comics Views of Christian Nurture, and of Subjects Adjacent Thereto Horace Bushnell, 1847

Caesar's Column Ignatius Donnelly, 2013-12-01 The book is a plea and a striking one Its plot is bold its language is forceful and the great uprising is given with terrible vividness **Caesar's Column** Ignatius Donnelly, 1891 **Eight Propositions** Joe L. Rempson, 2020-11-19 Rempson takes issue with those who lay the plight of African Americans on racism not seeing it today as a major obstacle to black progress Rather he traces the origin back to what he terms the African American Garden of Eden In it W E B Dubois outlasted Booker T Washington and fathered a tradition which Rempson argues has produced a victim identity and an emphasis on the system rather than the self Only black males offer a way out he declares because it is entirely our black males who are keeping us down and curtailing our progress in contrast to black females who are doing OK They are plagued by what Rempson calls the African American Male School Adaptability Crisis AMSAC Their academic performance ranks at the bottom alone below black female students and below white Asian and Hispanic male students In large urban areas their high school dropout rate is 59 percent and nationally they lag behind in college attendance and graduation rates The outcome Rempson argues is dysfunctionality and the existence of hedonistic norms which hinder family and community stability But while black males are the problem Rempson contends it is nevertheless only they who can solve it because research and experience show that it takes males to bring up and change other males Though intended for everyone he therefore writes his book to his fellow advantaged black males and makes a passionate plea for them to step up and with the help of black females and of the nation take the lead As their guide he has formulated eight propositions Arrived at through an examination of impressively extensive data from numerous sources and disciplines they are a marked departure from the customary Most strikingly delicate matters such as those which pertain to intelligence quotient IQ and culture are openly confronted and dealt with But Rempson writes unless confronted we will not

solve our problems Nor he continues can we solve them unless we cut the umbilical cord to white America We have no right to expect it to be our savior nor are we justified in perceiving it as our oppressor Forcefully and finely written Rempson's book is a singular and courageous contribution Alone his eight propositions make it a worthy read Your Man Abednego Onyechi Mbamali,2012-01-18 Your Man Abednego A play in four acts this is an explosive sequel to the much acclaimed Shadows of The Ancestors The warrior kingdom of Umudimkpa under an ageing regency awaits the coming of a crown prince whose birth and mystery life were foretold by the oracles Instead it is British colonialists that arrive bringing with them the daunting challenges of a foreign government and a new religion The emergent conflicts are exacerbated by language problems throwing up a villainous interpreter one Abednego who is as much admired and trusted by the white District Officer as he is hated and vilified by the natives The devil's triumph: a satire; and other poems R.
