The Nurturing Touch at Birth Paulina Perez, 1997-01-01 *Nurturing Massage for Pregnancy: A Practical Guide to Bodywork for the Perinatal Cycle Enhanced Edition* Leslie Stager, 2020-06-30

Nurturing Massage for Pregnancy is one of the most comprehensive books available for massage students and licensed massage therapists who treat pregnant laboring and postpartum clients. The author is a highly skilled perinatal massage instructor who is also a registered nurse, childbirth educator, and doula.

The Doula Book Marshall H. Klaus, John H. Kennell, 2012-04-03

More and more parents to be all over the world are choosing the comfort and reassuring support of birth with a trained labor companion called a doula. This warm, authoritative, and irreplaceable guide completely updates the authors' earlier book *Mothering the Mother* and adds much new and important research. In addition to basic advice on finding and working with a doula, the authors show how a doula reduces the need for cesarean section, shortens the length of labor, decreases the pain medication required, and enhances bonding and breast feeding. The authors, world-renowned authorities on childbirth with combined experience of over 100 years working with laboring women, have made their book indispensable to every woman who wants the healthiest, safest, and most joyful possible birth experience.

Mother Daughter Wisdom Christiane Northrup, M.D., 2006-03-28

From the best-selling author of *Women's Bodies*, *Women's Wisdom*, and *The Wisdom of Menopause*. With such groundbreaking bestsellers as *Women's Bodies*, *Women's Wisdom*, and *The Wisdom of Menopause*, Dr. Christiane Northrup is one of today's most trusted and visionary medical experts. Now she presents her most profound and revolutionary approach to women's health: The mother-daughter relationship sets the stage for our state of health and well-being for our entire lives. Because our mothers are our first and most powerful female role models, our most deeply ingrained beliefs about ourselves as women come from them. And our behavior in relationships with food, with our children, with our mates, and with ourselves is a reflection of those beliefs. Once we understand our mother-daughter bonds, we can rebuild our own health, whatever our age, and create a lasting positive legacy for the next generation. *Mother Daughter Wisdom* introduces an entirely new map of female development, exploring the five facets of feminine power which range from the basics of physical self-care to the discovery of passion and purpose in life. This blueprint allows any woman, whether or not she has children, to repair the gaps in her own upbringing and create a better adult relationship with her mother. If she has her own daughter, it will help her be the mother she has always wanted to be. Written with warmth, enthusiasm, and rare intelligence, *Mother Daughter Wisdom* is an indispensable book destined to change lives and become essential reading for all women.
