Kwachou,2010 Poems **The Superwoman's Survival Guide** Ky Furneaux,2014-03-04 Just when you think you have everything under control a situation presents itself that you couldn't have foreseen or prepared for That's life It's how you choose to react to the situation that defines you We have all heard the phrase expect the unexpected The unexpected can range from a broken high heel on your way to an important meeting to having to fashion a waterproof shelter in the middle of a downpour From her years as an A list Hollywood stuntwoman and expert survivalist Ky Furneaux is no stranger to the unexpected and her tude has been key to her survival and thriving success In The Superwoman's Survival Guide Ky draws upon her career of risking life and limb in extreme situations to inspire and empower women in whatever situation they may find themselves whether it's on a city street or out in the wilderness Throughout the book Ky explains the power of brain versus brawn and how a cool headed woman is often more effective in a complicated situation than a big guy with a gun Ky's guide is a collection of essential life advice combined with tricks lessons facts and anecdotes that can help women get over their fear and panic The Superwoman's Survival Guide shows women how to adopt a fearless attitude that can help them through all life experiences It will empower women to feel confident and prepared so that they know what to do when all hell breaks loose [Becoming Super Woman](#) Nicole Lapin,2019-09-17 Do you feel daily pressure to keep pushing yourself even when you're stressed and exhausted It's time to leave Superwoman in the movies where she belongs and say hello to being a Super Woman the best most productive and balanced version of the hero you already are For years maybe your entire life you've been told that success means having it all and doing it all But working more and harder is holding you back not moving you forward In Becoming Super Woman New York Times bestselling author Nicole Lapin redefines what it means to be a woman who has it all and shows you how to find lasting success by your own definition on your own terms Nicole candidly shares her own story of career burnout and an emergency hospitalization that prompted her to take her mental health seriously for the first time ever Along the way she discovered that not only was this priority shift not a defeat it was the key to unlocking even greater achievements In her third and most personal book yet Nicole lays out an actionable 12 step plan to guide you in taking control and becoming the hero of your own story with the skills it takes to be a real Super Woman skills we should but often don't learn growing up from productivity hacks to boundary setting She makes the case that the real secret to success doesn't hinge on the hustle or degrees you have but in putting on your own oxygen mask before helping others In fact self care is the biggest asset or liability in our careers when it's on point it can help us soar and when it's neglected it can bring us down faster than anything else Entertaining honest and life changing Becoming Super Woman shows you how to banish burnout ward off a breakdown and achieve true balance finally *Mother Nurtures Home* Nakoa Rainfall,AI,2025-02-27 Mother Nurtures Home explores the history of caregiving in American families focusing on the period leading up to 1970 Using U S census records the book reveals the overwhelming prevalence of female caregivers and the societal factors that cemented this pattern It argues that women's dominance in domestic labor wasn't simply a personal

choice but a consequence of entrenched societal structures and limited opportunities The book highlights that understanding this history is crucial for comprehending modern debates surrounding work life balance and gender equality topics still highly relevant today The book unfolds by first establishing the empirical reality of female caregiving through detailed census data It then delves into the socio economic factors that reinforced this pattern such as wage disparities and cultural messages promoting domesticity Finally it examines the long term economic consequences for women and the perpetuation of gender stereotypes This approach offers a fresh perspective on American family history by providing a data driven account of caregiving patterns enriching the understanding of gender roles childcare policy and the evolution of family sociology

Nurturing the Souls of Our Children Robert Mitchell, 2005 The Sin of Obedience is one of the few works of fiction or non fiction that looks profoundly and with deep personal reflection into the training of a Catholic priest The novel rich and accurate in detail is the story of a young prodigy torn with between the rigid religious traditions and convictions of his mother and the more humanity oriented respect for freedom of his father Building on his own experiences including being the subject of sexual abuse by a seminary teacher the author unfolds a picture of religious life in which the cornerstones of celibacy and a vow of obedience have forced seminarians and priests to make difficult and often impossible decisions in their own personal lives This well crafted story enables the reader to go along with a young boy seminarian and priest on his idealistic pursuit and mission and the consequences he has to face as a result *Nurturing Superwoman* Carolyn

Moody, 2003 Women in the 21st century are still suffering from the legacy of the 70s Superwoman who thought she could have it all career home family relationships social life independence and that it should all be done perfectly This has become such an entrenched part of the female psyche that women don't realise they are doing too much and letting good nutritional

habits go The result is too much stress leading to fatigue digestive problems and especially hormone related health problems International Optimum Nutrition and Lifestyle Therapist Carolyn Moody shows you how to break the cycle of misery through simple dietary and lifestyle changes

Aging Heroes Norma Jones, Bob Batchelor, 2015-05-06 Despite the increasing number and variety of older characters appearing in film television comics and other popular culture much of the understanding of these figures has been limited to outdated stereotypes of aging These include depictions of frailty resistance to modern life and mortality More importantly these stereotypes influence the daily lives of aging adults as well as how younger generations perceive and interact with older individuals In light of our graying population and the growing diversity of portrayals of older characters in popular culture it is important to examine how we understand aging In *Aging Heroes Growing Old in Popular Culture* Norma Jones and Bob Batchelor present a collection of essays that address the increasing presence of characters that simultaneously manifest and challenge the accepted stereotypes of aging The contributors to this volume explore representations in television programs comic books theater and other forms of media The chapters include examinations of aging male and female actors who take on leading roles in such movies as *Gran Torino* *Grudge Match* *Escape Plan* *Space Cowboys* *Taken* and *The Big Lebowski* as well as *The Expendables* *Red* and *X Men* franchises Other chapters address perceptions of masculinity sexuality gender and race as manifested by such cultural icons as Superman Wonder Woman Danny Trejo Helen Mirren Betty White Liberace and Tyler Perry's Madea With multi disciplinary and accessible essays that encompass the expanding spectrum of aging and related stereotypes this book offers a broader range of new ways to understand perceive and think about aging *Aging Heroes* will be of interest to scholars of film television gender studies women's studies sociology aging studies and media studies as well as to general readers

The Healing Power of the Sacred Woman Christine R. Page, 2012-11-16 How to enhance well being by reconnecting to sacred womanhood Shares ways to embody the power wisdom and compassion of the Great Mother Reveals a woman's purpose is to give birth not only to new life but also to new levels of consciousness Shows how female illnesses represent a disconnection from our true identity as women Four thousand years ago women were seen as living representatives of the Great Mother whose cyclical and potent energy gave birth to all existence Today this sacred awareness has been lost or distorted causing a collective amnesia among women around the world However there is one symbol of the Great Mother's loving presence that has remained unchanged for tens of thousands of years the physical body Its curves sensuality softness and monthly flow are constant reminders of this deep loving connection When illness appears especially within the breasts and fertility organs a woman is being reminded to return to her pure and sacred identity where death and birth are essential for growth and love flows without expectations Combining more than 30 years experience in health care with in depth research into the history and mythology of the divine feminine Christine R Page M D reveals that women are the foundation of the birth of new levels of consciousness without which the evolution of humanity will become barren and dry Yet such birth can occur only when

women have the courage to reject the beliefs and images of the feminine imposed upon them four thousand years ago and reclaim their true identity Through a fascinating journey into the body Dr Page shows the importance of self love and self respect and explains how sex is a natural process of unification where women take the lead similar to the ancient sacred priestesses Dr Page reminds women to reconnect to the potent and creative energy of Mother Earth which gives power to the intuitive voice of the heart and nurtures new seeds of inspiration and enlightenment through the womb Super Woman Wealth Regina McCann Hess,2024-03-19 Women face unique challenges when it comes to managing finances Society tells us we should be caregivers who put everyone in our families before ourselves including financially Data shows women tend to live longer than men meaning we need more money during retirement but we tend to earn and save less because of our role in child rearing and caring for older family members As a result many women feel overwhelmed by financial planning and avoid the conversation altogether Super Woman Wealth is a guide to empower professional women to take an active role in their finances It addresses women s unique relationships with money and offers practical advice on becoming more comfortable with financial planning and management Ladies it s time to learn how to nurture our money protect our wealth and take control of our financial future *Shadow Bodies* Julia S. Jordan-Zachery,2017-10-27 What does it mean for Black women to organize in a political context that has generally ignored them or been unresponsive although Black women have shown themselves an important voting bloc How for example does sayhername translate into a political agenda that manifests itself in specific policies Shadow Bodies focuses on the positionality of the Black woman s body which serves as a springboard for helping us think through political and cultural representations It does so by asking How do discursive practices both speech and silences support and maintain hegemonic understandings of Black womanhood thereby rendering some Black women as shadow bodies unseen and unremarked upon Grounded in Black feminist thought Julia S Jordan Zachery looks at the functioning of scripts ascribed to Black women s bodies in the framing of HIV AIDS domestic abuse and mental illness and how such functioning renders some bodies invisible in Black politics in general and Black women s politics specifically *Superwoman's Rite of Passage* Kathleen F. Lundquist,1996 Midlife transition is uniquely challenging to the Superwoman because her success has come too often at the expense of her feminine psyche This workbook for high achieving women who are entering midlife and want to emerge whole and renewed examines how women can reconnect with their feminine psyche and achieve wholeness **Women's Ethnicities** Karen F Wyche,2019-07-23 Eighteen women psychologists address issues of diversity while exploring the effects of essentialism the presumed sameness of all women By exposing how their own work incorporates their gender and ethnicities the contributors embark on a journey of awareness built on communication and collaboration Discussing dilemmas of gender and ethnicity **Mad Girl: Reflections on Race, Class and Gender** Anissa Danielle Moore,2020-12-02 Are Black people naturally mad at the world Anissa Danielle Moore examines the experience of Blacks in America through a series of mad moments in history through the lens of race class and

gender in this timely work mad girl reflections on race class and gender is a collection of essays that tell the personal journey of a Black American girl making the transition from childhood to adulthood in a working class Brooklyn neighborhood in New York City Moore recounts her childhood memories and ushers the reader through experiences which include busing the significance of hip hop culture and racial identity White flight present day segregation gentrification police harassment and Black male and female relationships Furthermore the book powerfully communicates how young black girls are treated within our society mad girl reflections on race class and gender seeks to transform mad moments into an honest dialogue about race class and gender to facilitate positive change among everyday people
