## **Nuts Bastogne The Battle Of The Bulge:**

*Nuts! A 101st Airborne Division Machine Gunner at Bastogne* Vincent J. Speranza, 2014-11-11 On 22 December 1944 during the Battle of the Bulge with the Germans surrounding the Belgian town of Bastogne a German messenger brought a message from his commander to Brigadier General Anthony McAuliffe acting commanding general of the 101st Airborne Division demanding his surrender McAuliffe's response was simply Nuts Manning a foxhole on the perimeter around Bastogne was nineteen year old Army private Vince Speranza a machine gunner with the 501st Parachute Infantry Regiment This is Vince's story of the Battle of the Bulge and his life before and after the battle Vince shares his memories from early childhood through his service in World War II and his life up until now as he stands on the verge of turning 90 a story you will long remember Vince will be in Bastogne at his original foxhole on the 70th anniversary of the Battle of the Bulge drinking Airborne Beer which his actions many years ago inspired *Nuts!* Willy Vassaux, Pierre Lepage, 1994 A fictionalized account of the Battle of the Ardennes done in the style of a comic book **Nuts!** et al., 2012-01-10 **The Cow Spoke French** William True, Deryck Tufts True, 2002 **Pain and Purpose in the Pacific** Richard Carl Bright, 2014-01-24 What follows here just a brief insight into Pain and Purpose in the Pacific This book did not begin with the idea of a chronology of the battles of the Pacific War although an overview is included But instead it was intended to be a brief account of the battles on Saipan Tinian and Okinawa as I retrace the travels of one Marine from the farmland of Minnesota to Japan and back Carl J Johnson spent 30 months in the Pacific Four of those months were in bitter combat on the islands of Saipan Tinian and Okinawa He is my uncle I have been blessed to travel also Belau which is Palau and includes Peleliu Included too in this book are Iwo Jima Corregidor and the Philippines In my travels beyond Hawaii and Pearl Harbor which was my introduction into the Pacific were Yap and Truk which is Chuuk and Pohnpei in the Carolines And I've spent time in Japan During my time in the Pacific I have been presented with the opportunity to speak with several of the veterans of the Pacific War Doing so has in some cases allowed me in some small way to understand a sense of the hell they had to suffer through Included in this report are a few of their stories as well as stories from some of the people of the islands who in one way or another were involved in the conflict It is with a depth of gratitude that I acknowledge the Military Historical Tours of Alexandria Virginia for allowing me to be a part of their tours to the islands of Iwo Jima and Okinawa as well as Guam Tinian and Saipan I appreciate this organization dedicated to preserving the memories of the war and to the honoring of the military personnel who were there at the time While living on either Guam or Saipan I also was able to visit on my own most of the islands mentioned on this page But it was the Military Historical Tours and its President USMC Colonel Warren Wiedhahn mht miltours.com that made it possible for me to visit Iwo Jima They allowed me to join them once a year for 4 consecutive years I have since returned a 5th time in March of 2010 It was through this great organization that over a 7 year period while living on both Guam and Saipan in the Marianas Islands I was able to meet most of the WWII veterans mentioned here and these

aging veterans of the War in the Pacific whom I have met have touched my heart In addition to my uncle this book is for them too

**Battle of the Bulge, Vol. 2** Hans J. Wijers,2009 Presents the story of the 1st Infantry Division during the Battle of the Bulge offering firsthand accounts from American and German soldiers

**Ernie Pyle Was My Hero** Renita Menyhert,2012-03-21 Ernie Pyle s writings about Soldiers during World War II were always an inspiration during my career as a feature broadcaster and writer Full of flavor about GI life I followed Mr Pyle s example of accompanying Soldiers during training and participating as much as possible This magic formula never failed to promote understanding and appreciation of the demands and sacrifice of Soldier life Hearing first hand accounts of the Pearl Harbor attack and the Doolittle Raid that followed walking along the water s edge at Omaha and Utah Beaches with WWII Soldiers who stormed the shores on June 6 1944 and accompanying paratroopers to towns like Sainte Mere Elise where they parachuted in the night before and exploring other memorable accounts such as prisoners of war considerably deepened my appreciation and admiration for the Greatest Generation Applying the same Ernie Pyle writing strategy made all the difference in writing about them

The Story of World War II Henry Steele Commager,Donald L. Miller,2010-05-11 Drawing on previously unpublished eyewitness accounts prizewinning historian Donald L Miller has written what critics are calling one of the most powerful accounts of warfare ever published Here are the horror and heroism of World War II in the words of the men who fought it the journalists who covered it and the civilians who were caught in its fury Miller gives us an up close deeply personal view of a war that was more savagely fought and whose outcome was in greater doubt than readers might imagine This is the war that Americans at the home front would have read about had they had access to the previously censored testimony of the soldiers on which Miller builds his gripping narrative Miller covers the entire war on land at sea and in the air and provides new coverage of the brutal island fighting in the Pacific the bomber war over Europe the liberation of the death camps and the contributions of African Americans and other minorities He concludes with a suspenseful never before told story of the atomic bombing of Nagasaki based on interviews with the men who flew the mission that ended the war

**The Battle of the Bulge** James R. Arnold,2004 James Arnold describes the planning of the attack and the course of events including the defense of Bastogne and the heroic delaying actions fought by GIs

**Battle of the Bulge** Peter G. Tsouras,2011-10-19 Based on a series of fascinating What ifs posed by leading military historians this compelling new alternate history reconstructs the moments during the Battle of the Bulge which could conceivably have altered the entire course of the Second World War and led to a German victory Based on real battles actions and characters each scenario has been carefully constructed to reveal how at points of decision a different choice or minor incident could have set in motion an entirely new train of events altering history for ever What if the Germans successfully prevented Patton from riding to the rescue at Bastogne Or if the Allies had suffered a major setback at the Battle of the Bulge which allowed the Red Army to overrun Berlin and drive on to the Rhine What if Hitler had not launched his massive gambit and instead the Allies had progressed

with the operations plan they had prior to the Bulge These are some of the intriguing scenarios played out by leading authors  
Soldiers ,1985      The Airborne in World War II Michael E. Haskew,2017-08 D Day Operation Market Garden Battle of the Bulge the US Airborne divisions were integral at all these major points in World War II But they also played a significant role in North Africa where they first saw action and in Italy in 1943 Right on the tail of these planes this expert history follows the airborne divisions from the redesignation and initial training of the 82nd in 1942 through to their final momentous missions in the Pacific Featuring the equipment division structure and uniforms as well as first hand accounts this book is the true history popularized by such titles as Band of Brothers A Bridge Too Far and The Dirty Dozen With one hundred and sixty photographs maps and illustrations The Airborne in World War II is an accessible account of remarkable men and the battles that they fought      The American Patriot's Almanac William J. Bennett,John T.E. Cribb,2013-04-08 Discover 365 reasons to love America as you read the storied history of the United States The fife and drum of history mark the time of each passing day And within their cadence personalities conflicts discoveries ideas and nations peal and fade American history is no different Best selling author and educator Dr William J Bennett is a master of the story that is the United States In The American Patriot s Almanac Bennett distills the American drama into 365 entries one for each day of the year with stories including the starving time of Jamestown during the Winter of 1609 the bloody argument of the Civil War the invention of items such as Teflon The stories in this book are part of what Abraham Lincoln called the mystic chords of memory They are the symbols that define the essence of the United States that mark its historic course and connect its people The American Patriot s Almanac is a daily source of inspiration and information about the history heroes and achievements that sum up what this nation is all about      Patton's Prayer Alex Kershaw,2025-06-03 From Alex Kershaw author of the New York Times bestseller Against All Odds comes an epic story of courage resilience and faith during the Second World War General George Patton needed a miracle In December 1944 the Allies found themselves stuck Rain had plagued the troops daily since September turning roads into rivers of muck slowing trucks and tanks to a crawl A thick ceiling of clouds had grounded American warplanes allowing the Germans to reinforce The sprint to Berlin had become a muddy bloody stalemate costing thousands of American lives Patton seethed desperate for some change any change in the weather A devout Christian he telephoned his head chaplain Do you have a good prayer for the weather he asked The resulting prayer was soon printed and distributed to the 250 000 men under Patton s command Pray when driving the men were told Pray when fighting Pray alone Pray with others Pray by night and pray by day Pray for the cessation of immoderate rains for good weather for Battle Pray for victory Pray for Peace Then came the Battle of the Bulge Amid frigid temperatures and heavy snow 200 000 German troops overwhelmed the meager American lines in Belgium s Ardennes Forest massacring thousands of soldiers as the attack converged on a vital crossroads town called Bastogne There the 101st Airborne was dug in but the enemy were lurking hidden in the thick blanket of fog that seemed to never dissipate A hundred miles of frozen

roads to the south Patton needed an answer to his prayer fast before it was too late Fighting Elites John C. Goldberg, 2010-03-23 Obviously there are many books written about World War II but very few of them present competing voices Written for college bound high school students first and second year undergraduates and general readers of military history Competing Voices from World War II in Europe highlights the different perspectives and views of all belligerents in the military arena as well as describing the impact of the war on daily life The book begins in 1939 with the invasion of Poland and ends in 1945 with Germany's surrender However an introductory chapter puts the war in perspective by examining key events preceding the invasion of Poland and a concluding chapter looks at the controversy surrounding the Nuremberg Trials after the end of hostilities Though well known the main events of the war often remain controversial and minor events are still relatively unexplored Though it is often assumed that Allied victory was inevitable and that all the Allies worked together in a seamless fashion this book provides evidence that contradicts these basic concepts Presented with directly reported sources together with all the contextual information readers will be able to develop their own opinions about events such as the Munich Conference the defeat of France the debate over a second front the D Day events of 1944 the development of Soviet American relations throughout the war and the origins of the Cold War

Battle of the Bulge Tim McNeese, 2004 Recounts events leading up to and surrounding the 1944-45 Battle of the Bulge in Ardennes France during World War II as well as its long lasting consequences
