Onze Kolonie En De Kolonisatie:

Onze kolonie en de kolonisatie ,1946 **The Rulers of Belgian Africa, 1884-1914** Lewis H. Gann,2015-03-08 In this comprehensive picture of Belgian colonialism in the Congo Lewis Gann and Peter Duignan trace the formation of the colonial state that became Zaire considering it in the light of colonial experience in other African territories Whereas most studies have focused on the conquest and subjugation of the African population this study probes the colonial apparatus itself investigating the attitudes and behavior of the civil servants and soldiers who built the empire Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Congo made in Flanders?** Bambi Ceuppens,2004 Dit boek levert een eerste aanzet tot het in kaart brengen van de Vlaamse gemeenschap in Belgisch Congo na de Tweede Wereldoorlog In het eerste deel staat vooral de invloed van Vlaamsgezindheid op Congolese culturen etniciteiten en talen centraal In het tweede deel van het boek wordt de aandacht verschoven naar het post koloniale Vlaanderen Tijdens de koloniale periode dachten Nederlandstaligen dat zij minder racistisch waren tegenover Congolezen dan Franstaligen In het post koloniale België hoort men vaak beweren dat Nederlandstaligen racistischer zijn dan Franstaligen hoewel als voorwerp van dat racisme eerder moslimimmigranten en hun afstammelingen worden vernoemd dan Congolezen Het boek analyseert racisme als een meervoudig complex fenomeen in relatie met de verschillende politieke en economische machtsverhoudingen in het koloniale Congo en het post koloniale Vlaanderen Point Four, Near East and Africa United States.
