Open Heart:

Open Heart Elie Wiesel, 2012-12-04 Translated by Marion Wiesel A profoundly and unexpectedly intimate deeply affecting summing up of his life so far from one of the most cherished moral voices of our time Eighty two years old facing emergency heart surgery and his own mortality Elie Wiesel reflects back on his life Emotions images faces and questions flash through his mind His family before and during the unspeakable Event The gifts of marriage and children and grandchildren that followed In his writing in his teaching in his public life has he done enough for memory and the survivors His ongoing questioning of God where has it led Is there hope for mankind The world's tireless ambassador of tolerance and justice has given us this luminous account of hope and despair an exploration of the love regrets and abiding faith of a remarkable man
