Open Heart Open Home:

Open Heart, Open Home Karen Burton Mains, 1997 Explore the deeper concepts of Christian hospitality the biblical way to use your home and an open heart to care for others Publication ,1991 **Resting Place** Jane Rubietta, 2009-12 A PERSONAL RETREAT We've never needed it more We run from one place to the next from meetings and appointments to our kids soccer practice from work to class to choir rehearsal from the grocery store to small group and then drop into bed later than we hoped exhausted and dreading the morning We want to slow down but don't know how and don't really believe that we can And often the idea of a personal retreat time for solitude and silence makes us feel as anxious as all our frenzied rushing What in the world would we do with an hour an afternoon or gulp a whole day of solitude with God But what is the cost of our frantic pace What are we missing by not slowing down for reflection and meditation on Scripture What kind of toll does our anxious running take on those around us and even more deeply on our own soul In Resting Place retreat speaker Jane Rubietta addresses soul matters with retreat topics such as dealing with our fear of abandonment wrestling with discontent overcoming our attempts to control others fulfilling our deep desire to be loved Spiritual retreats help us enter Psalm 23 rest a place of true rest and trust in our loving gentle Shepherd With Scripture to meditate on quotes to contemplate questions prayer and journaling ideas and creative exercises Resting Place leads us to and through times of rest The silence and solitude will follow us into our everyday world as we allow Jesus to guide comfort and restore us Come to the Shepherd and find the true rest your soul longs for *Marriage 101* Len Woods, Christopher D. small nuanced studies we find telling narratives of generational connections in the face of changing and challenging odds This book does a great service to the concept of diaspora as well as to the changing nature of that concept This book elevates the status of grandparents by positioning them as vital members of a complex and challenging society where their skills gifts and sheer presence are most formative As is strongly advocated in this book it is essential that educators curriculum developers and teachers appreciate the place of grandparents in their students lives **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States. Dawn,1997 Author educator theologian Marva Dawn looks to the twelfth chapter of the book of Romans for a blueprint for establishing the contours of community in the Christian church a biblical ideal rarely achieved in our individualistic society **Queen of the Castle** Lynn Bowen Walker,2006-05-30 Being a keeper at home demands that women possess a wide range of skills Now the training skills and tips every woman needs are all here in one delightful to read volume Five minutes a day 52 weeks a year is all a woman

Pohl, 2024-01-16 Hospitality is the heart of Christian ministry To the early Christians hospitality was central to the gospel mission This hospitality did not consist of entertaining neighbors but welcoming the stranger especially those who could not return the favor Yet despite urgent need hospitality has fallen by the wayside Christine Pohl's classic work *Making Room* first spoke to this issue in 1999 And it is just as relevant today with the refugee crisis the rise in homelessness and growing loneliness and isolation This revitalized edition with a new foreword and afterword by the author introduces the theology of hospitality to a new generation Pohl combines rich biblical and historical research with experience in contemporary Christian communities including the Catholic Worker L Abri Good Works Inc and others Pragmatic and thoughtful Pohl deals frankly with both the blessings and the boundaries of hospitality Readers will find a wealth of wisdom to revive authentic hospitality in their ministry *The Gospel Comes with a House Key* Rosaria Butterfield, 2018-04-16 What did God use to draw a radical committed unbeliever to himself Did God take her to an evangelistic rally Or since she had her doctorate in literature did he use something in print No God used an invitation to dinner in a modest home from a humble couple who lived out the gospel daily simply and authentically With this story of her conversion as a backdrop Rosaria Butterfield invites us into her home to show us how God can use this same radical ordinary hospitality to bring the gospel to our lost friends and neighbors Such hospitality sees our homes as not our own but as God's tools for the furtherance of his kingdom as we welcome those who look think believe and act differently from us into our everyday sometimes messy lives helping them see what true Christian faith really looks like **Catalog of Copyright Entries.
