

'Song of the Open Road'

'Song of the Open Road' by American poet Walt Whitman is an extract from his book 'Leaves of Grass'. The poem is about optimism, energy and confidence. The road here signifies mobility and freedom.

The poem is in free verse. This gave the poet great freedom in choosing words that convey the traveller's feelings more aptly. There is no regular metre or rhyme scheme but there are many other poetic devices are & figures of speech like repetition, Transferred Epithet, paradox etc.

Whitman does not believe in staying in one place for long. He tells us indirectly to be self-confident and reliant, and explore the world using our abilities and the opportunities available. There should be no complaints, criticisms or excuses for one's inaction.
