*Gleameyes* Jeremiah Methuseleh, 2012-11-23 Is this the way the world ends Morritz Eroll and Alstair will say when it ends and not before     *Open the Door, See All the People* Daniel Stombaugh, Julie Keene, 2017-04-27 This is the church This is the steeple Open the doors See all of the people This is how it began As a child this was my introduction to the church my place in the church and the purpose of the church in the world around us The things we have experience in our journey in understanding God s heart for us are never covered within the concept of those four hand movements because God loves to operate out from behind closed doors In fact we have had it all wrong for a very long time We act out the little children s rhyme and when we Open the doors to see all of the people part we are looking within the walls as if the most important thing about the purpose of the church is what happens within The reality is the most important thing about the church is what it does without When we open the doors we should be looking out of the church to See all of the people The focus of the modern Christian in many cases has become more about what is going on within the church than upon what is going on without We have no trouble saying This is the church this is the steeple part but somewhere in the process of making those hand gestures we hit a snag We have a disconnect with our ability to effectively get everyone within the church with a steeple to open the doors We seem to feel a struggle with the Open the doors and see all the people part Opening a door starts with one person deciding a door needs to be opened and then doing something about it This book is an invitation to notice what we have missed     *As You Seek so Shall You Find* Barbara Knapp, 2016-12-29 The content of this book is about the awakening of the soul and the connection to our source of life As we evolve and grow spiritually we begin to search and seek for answers to some of the questions we have in our minds We look for the purpose of our existence and what that all means In seeking you find that there really is a higher purpose and that your soul yearns to find that The soul begins the process of awakening and begins its ascension back to its source This is the journey of the soul     **The Book With No Name** Bhaskar Pal,     Heaven 3.0 Michael L.
