What happens when Jesus becomes obscured from our point of view With all the hostility boiling just under the surface of our world we need a renewed vision of Jesus as the Lamb of God who can lead us in the peaceable ways of the Kingdom When we fail to keep Jesus at the center of our lives we lean into the desires of our hearts more than the desires God has for us As a result our entire spirituality becomes driven by the self and for the self We need renewed practices of centering Jesus in our hearts and minds In Centering Jesus Derek Vreeland invites you to imagine what it looks like to keep Jesus as the Lamb of God at the center of three key areas of our lives our spiritual formation our moral lives and our common life together With the deep divide in American culture and the polarization that continues to grow we need a renewed focus on the Lamb so that we might blaze a path forward into civility and kindness Learn how to identify the problems that occur when Jesus is obscured from our view walk through some of the key biblical descriptions of the Lamb describe a Lamb shaped and Jesus centered approach to the Christian virtues of faith hope and love the foundation of our moral lives and experience the Lamb at the center of common life together specifically worship life participation in acts of justice and political life The

Behold the Man! J. Marc. Merrill, 2013-08-19 The Greek word translated as Socrates is actually a compound that means save from death and power over so the intent of the compound is to point to one who has power over life and death and that one is Christ Harold North Fowler in his introduction to *The Apology* says that the high moral character and genuine religious faith of Socrates are made abundantly clear throughout this whole discourse It would seem almost incredible that the Athenian court voted for his condemnation if we did not know the fact When we keep in mind the true intent of the compound translated as Socrates then we can be certain that it was not the Athenian court that voted for the condemnation and death of this man with a high moral character but rather a multitude of people who were influenced by the members of the Sanhedrin in Jerusalem BEHOLD THE MAN reveals how inaccurate and misleading English translations have been of ancient Greek literature and the author makes a compelling case for Christ being at the center of THE ILIAD CLASSICAL GREEK DRAMA PLATO AND GREEK LITERATURE FROM HERCULANEUM *Prophets Ancient and Modern Speak* Sterling H. Redd, Sr., 2022-12-06 PROPHETS Ancient and Modern SPEAK is a reference document which provides a topical arrangement of the vast majority of outstanding scriptural quotes of principles truths key figures and familiar stories from the following 1 The Old and New Testaments with particular comprehensive focus on the four Gospels to also include minimal introductory context for clarification 2 The Book of Mormon itself a document translated from engraved writings of prophets in Ancient America on metallic plates and in modern times delivered to and translated by the young prophet Joseph Smith Jun through divine means 3 The Doctrine and Covenants a compilation of one hundred and thirty eight revelations given primarily to the prophet Joseph Smith Jun 4 The Pearl of Great Price visions and acquired papyrus having been revealed and translated by divine means through the prophet Joseph Smith Jun 5 Teachings of the Prophet Joseph Smith a book compiled by the later prophet Joseph Fielding Smith including background and source information for each entry See End Notes 6 Proclamations to the world by Joseph Smith Jr and other contemporary prophets regarding preeminent doctrines The organization of several thousand entries in PROPHETS Ancient and Modern SPEAK all considered pure scripture is a modest attempt to gather comprehensively and representatively from the above stated books and documents the plain and precious truths revealed anciently and in relatively current times The entries are arranged alphabetically under nearly sixteen hundred topic or subject headings with cross referencing throughout and with many being placed under multiple related headings to facilitate ease of access Meticulous documentation is provided throughout the entire document In the years since its first publication in 1830 the Book of Mormon has been taken in translated versions to most countries throughout the world not only matching its Biblical companion in a vast world distribution but more importantly in presenting the gospel and teachings of Jesus Christ in its fullness and purity Indeed The Book of Mormon provides throughout another witness of Jesus Christ as well as clear validation of the Bible revealing much which has been taken out

of the Bible over the centuries The Doctrine and Covenants and Pearl of Great Price have also been revealed translated and distributed in a vast and similar extent throughout the world Countless volumes have been written about the above listed books ranging from a child s animated versions to highly sophisticated technical archaeological and scientific studies of their early backgrounds and authenticity Further millions of followers testify of the truth and validity of Joseph Smith Jr as being the prophet through whom the Book of Mormon the Doctrine and Covenants and the Pearl of Great Price have come into modern hands declaring the Book of Mormon particularly as a book which will bring a person closer to God than any other book

PROPHETS Ancient and Modern SPEAK has been compiled and topically organized to help a reader readily find the ennobling truths taught by ancient and modern prophets alike The topic entries arranged alphabetically draw from the above mentioned sources and are presented in relatively full context PROPHETS Ancient and Modern SPEAK in no way proposes to replace the value of a person s reading and enjoying the full text of the Old and New Testaments The Book of Mormon Doctrine and Covenants or Pearl of Great Price themselves Therein are innumerable stories and text which present live and gripping images that touch people s hearts and are foundational in building a powerful conviction in millions regarding the truth of the teachings therein What makes PROPHETS Ancient and Modern SPEAK so valuable in a person s study of the scriptures is the immediate facility it offers in readily finding pertinent and sacred truths and references on a vast array of meaningful subjects found in the sources drawn from whether for personal or presentational use The well known and late author W Cleon Skousen well promoted the idea that the greater mind is not the one that remembers the most but the one that can find it when he wants it

The Irony of Power Dorothy Jean Weaver,2017-06-21 This volume engages the Gospel of Matthew in full awareness of its inherently political character Weaver situates Matthew s version of the good news of the kingdom squarely within the real world of first century Palestine and its occupying power the Roman Empire The essays here focus prominently and collectively on the issues of power and violence that not only pervade the historically occupied Jewish community of first century Palestine but also are clearly visible throughout Matthew s narrative account A lower level reading of the Matthean text offers a bleak portrait of the overwhelming power and violence exerted by the Roman occupying authorities and their upper echelon Jewish collaborators against the wider Jewish community of first century Palestine But an upper level God s eye reading of Matthew s narrative consistently reveals the fundamental irony at the heart of the New Testament as a whole of the Jesus story broadly conceived and of Matthew s narrative account in specific This irony overturns all humanly recognized definitions of power and demonstrates the astonishing politics of God which defeats evident power through apparent powerlessness and overcomes violence through nonviolent initiatives

Intercession That Breaks The Sound Barrier Birdella A. Tucker,2010-04-27 Our sins have made a barrier between God and us Isaiah 59 2 Sins leave us without the knowledge of what true peace is and what it means to act justly before God Because of this we stay in darkness even though Jesus is the Light In the darkness we grope like blind men and stumble in broad daylight We moan and groan for the blessings of God but our sins testify against us Sin is disobedience to God Even though Jesus died for these sins if we remain in them then we reject the Light Our rejection of the Light is what causes the barriers between us and God This book Intercession That Breaks the Sound Barrier gives several instances of what Jesus says invites the darkness and the redemptive voice that breaks them Sounding the sounds of intercession is like putting on the robe of vengeance as armor It is putting on the work of Jesus Himself to glorify God our Father It is reverence for God in the name of God it is Jehovah s breath And when he had said this he breathed on them and saith unto them Receive ye the Holy Ghost Whosoever sins ye remit they are remitted unto them and whosoever sins ye retain they are retained John 20 22 23 It would be a mistake to speak of any earthly author for this book It was written only as the breath of Jehovah breathed and not of man s ability To Him be all the glory and praise Amen
