## **Operation Overflight:**

*Operation Overflight* Francis Gary Powers, Curt Gentry, 2004 The incident that wrecked a summit conference and inaugurated a new era in the ancient art of spying      **Operation Overflight** Francis Gary Powers, Curt Gentry, 1970      **Act of Retribution** J.P. Phillips, 2010-03-17 My quest for an answer to the riddle of President Kennedys assassination first began in April 1967 following a talk given by Warren Commission critic and best selling author Mark Lane at Michigan State University where I was a graduate student My search has lasted well over twenty years Gathering every scrap of information I could find on the assassination I have arrived at what I believe is the most credible thesis to date As a result of meticulous research I am able to identify probable suspects in what I have come to believe was a far reaching conspiracy which involved not only renegade elements from the CIA and organized crime figures but one which extended to the highest echelons of the U S government By pulling together existing knowledge of the assassination while introducing new evidence my book focuses primarily on six main principals persons of interest their motives and their activities in relation to the assassination and the links that connect them 1 LEE HARVEY OSWALD Accused by the Warren Commission In 1964 of being the sole assassin of President Kennedy 2 JACK RUBY Dallas night club owner who two days following the Presidents assassination shot and killed Oswald 3 CARLOS MARCELLO Reputed crime boss of the New Orleans Dallas Mafia during the time of the assassination 4 GENERAL CHARLES PEARE CABELL Deputy Director of the CIA from 1953 to 1962 when he was dismissed by President Kennedy along with other high ranking intelligence officials for the failure of the Bay of Pigs invasion 5 EARLE CABELL Younger brother of General Charles P Cabell who was Mayor of Dallas the day President Kennedy was assassinated 6 FRED KORTH Fort Worth businessman and banker who was Secretary of the Navy from 1962 to October 1963 when he was forced by President Kennedy to resign for his involvement in the TFX controversy As to the motives of those individuals involved in the Presidents murder I believe that the assassination was planned and carried out with a dual purpose in mind 1 as an act of vengeance by those ex high government officials who were dismissed by the President either for alleged wrongdoing as in the case of Fred Korth or for incompetence as in General Cabells case 2 to prevent the Presidents domestic and foreign policies particularly in reference to his stand on the Vietnam conflict from being implemented Viewed in this light the assassination of President Kennedy was an act of retribution by a group of mean spirited vengeance seeking individuals who acted in the misguided belief that by assassinating this president they were furthering the national interest Notwithstanding his immense popularity with the American people President Kennedy was perceived by his killers to be a clear and present danger to the country and to its interests at home and abroad for several reasons for his stand on civil rights and racial equality for his attempt to closely regulate the oil and gas industry for his desire to normalize relations with Cuba for his desire to ease tensions between the superpowers through a reduction in armaments for his crackdown on organized crime for his stated intention to withdraw U S forces from Vietnam Removing him from office by political murder therefore excused

his killers in their own eyes from any wrongdoing for by killing this President they were convinced that they were acting in the national interest against the seemingly dangerous policies of a chief executive who if allowed to finish his presidency would lead the nation to ruin A wise mind will never censure anyone for having employed any extraordinary means for preserving a kingdom Believing like Machiavelli that they were acting to preserve and maintain      *A Brotherhood of Spies* Monte Reel,2019-05-21 A thrilling dramatic narrative of the top secret Cold War era spy plane operation that transformed the CIA and brought the U S and the Soviet Union to the brink of disaster On May 1 1960 an American U 2 spy plane was shot down over the Soviet Union just weeks before a peace summit between the two nations The CIA concocted a cover story for President Eisenhower to deliver assuring him that no one could have survived a fall from that altitude And even if pilot Francis Gary Powers had survived he had been supplied with a poison pin with which to commit suicide But against all odds Powers emerged from the wreckage and was seized by the KGB He confessed to espionage charges revealing to the world that Eisenhower had just lied to the American people and to the Soviet Premier Infuriated Nikita Khrushchev slammed the door on a rare opening in Cold War relations In *A Brotherhood of Spies* award winning journalist Monte Reel reveals how the U 2 spy program principally devised by four men working in secret upended the Cold War and carved a new mission for the CIA This secret fraternity made up of Edwin Land best known as the inventor of instant photography and the head of Polaroid Corporation Kelly Johnson a hard charging taskmaster from Lockheed Richard Bissell the secretive and ambitious spymaster and ace Air Force flyer Powers set out to replace yesterday s fallible human spies with tomorrow s undetectable eye in the sky Their clandestine successes and all too public failures make this brilliantly reported account a true life thriller with the highest stakes and tragic repercussions      **Fallout** Steve Sheinkin,2021-09-07 New York Times bestselling author Steve Sheinkin presents a follow up to his award winning book *Bomb The Race to Build and Steal the World s Most Dangerous Weapon* taking readers on a terrifying journey into the Cold War and our mutual assured destruction As World War II comes to a close the United States and the Soviet Union emerge as the two greatest world powers on extreme opposites of the political spectrum After the United States showed its hand with the atomic bomb in Hiroshima the Soviets refuse to be left behind With communism sweeping the globe the two nations begin a neck and neck competition to build even more destructive bombs and conquer the Space Race In their battle for dominance spy planes fly above armed submarines swim deep below and undercover agents meet in the dead of night The Cold War game grows more precarious as weapons are pointed towards each other with fingers literally on the trigger The decades long showdown culminates in the Cuban Missile Crisis the world s close call with the third and final world war Winner of the 2022 Kids Book Choice Award for 6th to 8th Grade Book of the Year A Shelf Awareness Best Children s Book of 2021 A Chicago Public Library Best of the Best Book of 2021 A Horn Book Fanfare Best Book of the Year Praise for BOMB A Newbery Honor book A National Book Awards finalist for Young People s Literature A Washington Post Best Kids Books of the Year title This is edge of the seat material that will
