Brian Latell

Operation Solo The Fbis Man In The Kremlin:

Operation Solo John Barron,1997-09-01 Details the missions of the second ranking man in the American communist party who was a friend and confidant of such leaders as Khrushchev Brezhnev Andropov and Castro but who was also a spy working for the FBI

Castro's Secrets Brian Latell,2013-07-09 In this riveting Cold War history highly acclaimed author Brian Latell offers us a new and surprising look at Fidel Castro Latell draws his narrative on personal interviews with high level defectors from Cuba s intelligence many of whom have not spoken out for over nearly five decades The result is a vivid and revelatory account that revises our understanding of how Fidel operated what his goals were and how he imagined the future for his tiny island nation Latell takes us from from the crimes Fidel allegedly committed as a youth in the anti Battista movement to how quickly he built up an intelligence system that rivaled the Soviet Union s KGB and Britain s M15 in effectiveness and how that translated into a feud with JFK s administration and the CIA and the ultimate confrontation during the Cuban Missile Crises that brought the world to the brink of a nuclear holocaust

History Will Absolve Me Brian Latell,2019-02-12 The CIA analyst who tracked Castro for decades explores the mind and motivations of the man who governed Cuba for nearly half a century On trial in Santiago for leading a bloody assault on the city s Moncada garrison young revolutionary leader Fidel Castro uttered a phrase in court that would come to serve as a rallying cry for his 26th of July Movement and his regime thereafter History will absolve me Despite the fact that his methods resulted in great loss of life on both sides Castro never wavered in his belief that in the final reckoning his life s work would be vindicated his violence necessary in bringing a new government to Cuba and a new political model to the developing world For decades CIA analyst Brian Latell tracked Castro relentlessly getting to know his habits his fears and the passions that drove him In this book the author of *After Fidel* and *Castro s Secret* steps from the shadows to paint a complex and nuanced portrait of the man he came to know better than any other intelligence target revealing the mind and motivations of one of the most mercurial passionate and dominating leaders of the twentieth century One of America s foremost Cuba analysts George J Tenet former CIA director
