Rast,1999 Don's Nam is a vivid first person account of war in Vietnam centered around the daily activities of the Orient Express it is a story unlike any other account of the war Written from a diary and documented with operational reports eyewitness accounts journals and photos Rast eloquently and passionately takes the reader on a gut wrenching roller coaster ride of horror courage and sacrifice that the headlines and TV news never saw It is essential poignant reading for those veterans who were in Nam and cannot forget and also for those who were not there but strive to understand the electrifying intensity of what war is about Ride the primitive roads on dangerous convoys with the men of the Orient Express and get a true feeling what it was like to be ambushed or mined in 1969 and 1970 Experience Rat Patrols rocket attacks reconnaissance missions and the political intrigue that made the war so difficult to fight using conventional methods The men's stories taken down in his muddy diary and kept locked in an old army footlocker for twenty eight years jump to life off the pages and leave the reader crying laughing or just plainly boiling with rage as this dramatic account of the Vietnam war unfolds in a story that is truly spellbinding Professor Gilda M Agacer Monmouth University Editor *Morning Prayer* Bernard Seif,2005-07 The mystery team is at it again This time the six good friends travel to the land of mystery and intrigue Tibet via Nepal and Bangkok Having started their journey but not even out of America yet they are drawn into a search for an ancient Dorje a scepter like object used during Tibetan Buddhist prayer services The Dorje however quickly becomes the least of their challenges Fertile with information about Asian medicine and spirituality this book is presented in a light and humorous fashion through the minds and hearts of single married male female lay and monastic characters The great religions of the world are also represented and a hopeful agnostic familiar to our readers is an integral part of the action as well Third in the Office of the Dead series Morning Prayer is a complete monastic murder mystery containing characters which develop out of the first two complete books Office of the Dead and Vigils Experience friendship and danger through the psyche of a Christian monk doctor along with his friends as he connects with Tibetan Buddhist monks and nuns for some continuing education credits that he will never forget Enjoy your trip to Tibet a Kingdom also known as the Top of the World

Buddhism and Medicine in Japan Katja Triplet,2019-11-18 This book demonstrates the close link between medicine and Buddhism in early and medieval Japan It may seem difficult to think of Japanese Buddhism as being linked to the realm of medical practices since religious healing is usually thought to be restricted to prayers for divine intervention There is a surprising lack of scholarship regarding medicinal practices in Japanese Buddhism although an overwhelming amount of

primary sources proves otherwise A careful re reading of well known materials from a study of religions perspective together with in some cases a first time exploration of manuscripts and prints opens new views on an understudied field The book presents a topical survey and comprises chapters on treating sight related diseases women s health plant based materia medica and medicinal gardens and finally horse medicine to include veterinary knowledge Terminological problems faced in working on this material such as religious or magical healing as opposed to secular medicine are assessed The book suggests focusing more on the plural nature of the Japanese healing system as encountered in the primary sources and reconsidering the use of categories from the European intellectual tradition
