Ernest Hemingway in Interview and Translation Mirosława Buchholtz, Dorota Gutfeld, 2022-07-21 The book offers an innovative approach to the study of Ernest Hemingway s fiction and biography It juxtaposes two perspectives that have been underrepresented in Hemingway studies so far translation and interview The book is divided into three sections which mirror the key words in the title interview and translation Section One explores the last interviews with Hemingway in their historical context of the Cold War Section Two focuses on the achievement of Bronis aw Zieli ski Hemingway s Polish translator and friend who is hardly known outside Poland The section gives a detailed account of their correspondence in the years 1958 1961 Section Three is an account of experiments in translating Hemingway s famous story Cat in the Rain 1925 by groups of Polish university students Its aim is to illustrate the extent to which literary translation may influence the construction of the text s meaning **Literary Gestures** Rocio G Davis, Sue-Im Lee, 2009-08-31 Form as function in Asian American literature

Australian Literary Studies , 1983 **Homographesis** Lee Edelman, 2013-10-15 Brings provocative rigorous and controversial readings of literary and cultural texts to gay critical analysis Lee Edelman rearticulates the politics of sexuality addressing some of the most hotly debated issues of our time *People, Places and Business Cultures* Paolo Di Martino, Andrew Popp, Peter Scott, 2017 Inspired by the work and legacy of Francesca Carnevali this collection brings together new research into nineteenth and twentieth century British and European economic history socio cultural history and business history This collection brings together new research into nineteenth and twentieth century British and European economic history socio cultural history and business history It is inspired by the work and legacy of Francesca Carnevali who throughout her career encouraged a lively dialogue between these different disciplines The book offers innovative views and perspectives on key debates and emphasises the connections between economic environments and wider social and cultural elements It also considers methodological issues and emerging approaches in economic history Topics include banks and business finance in the nineteenth century mass market retailing and class demarcations economic microhistory and comparative history and capitalism Economic business social and cultural historians alike will find it of interest PAOLO DI MARTINO is Senior Lecturer in International Business History at the Birmingham Business School

University of Birmingham ANDREW POPP is Professor of Business History at the University of Liverpool PETER SCOTT is Professor of International Business History at the University of Reading s Henley Business School and Director of Henley s Centre for International Business History CONTRIBUTORS Andrea Colli Paolo Di Martino Leslie Hannah Matthew Hilton Ken Lipartito Lucy Newton Andrew Popp Peter Scott Anna Spadavecchia James Walker Chris Wickham Handbook of Psychology, Developmental Psychology Irving B. Weiner, Richard M. Lerner, M. Ann Easterbrooks, Jayanthi Mistry, 2012-10-16 Psychology is of interest to academics from many fields as well as to the thousands of academic and clinical psychologists and general public who can t help but be interested in learning more about why humans think and behave as they do This award winning twelve volume reference covers every aspect of the ever fascinating discipline of psychology and represents the most current knowledge in the field This ten year revision now covers discoveries based in neuroscience clinical psychology s new interest in evidence based practice and mindfulness and new findings in social developmental and forensic psychology **International Who's Who in Poetry 2004** Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets , Yeats's Worlds David Pierce, 1995-01-01 **Iskwewak Kah' Ki Yaw Ni Wahkomakanak** Janice Acoose, 2016-02-05 Now in its second edition this groundbreaking work of literary and cultural criticism analyzes representations of Indigenous women in Canadian literature By deconstructing stereotypical images of the Indian princess and easy squaw Janice Acoose calls attention to the racist and sexist depictions of Indigenous women in popular literature Blending personal narrative and literary criticism this revised edition draws a strong connection between the persistent negative cultural attitudes fostered by those stereotypical representations and the missing and murdered Indigenous women in Canada Acoose decolonizes written English by interweaving her own story with reflections on the self determination of her female ancestors and by highlighting influential Indigenous female writers who have resisted cultural stereotypes and reclaimed the literary field as their own This important text urges both Indigenous and non Indigenous people to move beyond words to challenge the harmful attitudes that condone violence against Indigenous women Thoroughly updated and featuring new photographs questions for critical thought and a discussion of Indigenous women s literary voices that have emerged in the past twenty years the second edition of Iskwewak is an invaluable resource for students and teachers of Indigenous studies women s studies and literature **Lolita in Peyton Place** Ruth Pirsig Wood, 2014-01-14 This book analyzes the differences in content reader expectation and social moral ethical functions of the three types of novels in America of the 1950s It challenges the notion that highbrow novels Lolita do important cultural work while popular novels contribute to personal and social decay and examines how time periods influence the moral content of novels The book separates popular fiction into lowbrow Peyton Place and middlebrow Man in the Grey Flannel Suit and explains that lowbrow like highbrow evolves from the folklore tradition and contains messages about how to be a good man or good woman and how to find a satisfying niche in the social order Middlebrow on the other hand evolves from myth

tradition and relates lessons on what personal adjustments need to be made to succeed in the economic order Middlebrow novels most reflect the time and place of their writing because conditions for economic survival change more than conditions for social survival Arguing that what most distinguishes highbrow from lowbrow is the audience highbrow writers try to separate from the flock lowbrow writers to include This study differs from such well known studies of popular fiction as John Cawelti's and Janice Radway's in looking beyond the surface features of plot character and theme The book also challenges arguments that novels in which marriage is women's highest triumph and aggressive heroism men's reinforce limiting cultural paradigms

A Land of Liberty? Julian Hoppit, 2000 The Glorious Revolution of 1688-9 was a decisive moment in England's history an invading Dutch army forced James II to flee France and his son in law and daughter William and Mary were crowned as joint sovereigns The wider consequences were no less startling war in Ireland union with Scotland Jacobite intrigue deep involvement in two major European wars Britain's emergence as a great power a financial revolution greater religious toleration a riven Church and the rapid growth of parliamentary government Such changes were only part of the transformation of English society at the time A torrent of new ideas from such figures as Newton Defoe and Addison spread through newspapers periodicals and coffee houses provided new views and values that some embraced and others loathed England's horizons were also growing especially in the Caribbean and American colonies For many however the benefits were uncertain the slave trade flourished inequality widened and the poor and disorderly were increasingly subject to strictures and statutes If it was an age of prospects it was also one of anxieties This new text provides a truly general overview of England between the Glorious Revolution and the death of George I and Newton Part of the New Oxford History of England series it is a wide ranging survey that combines the rich secondary literature with extensive primary research It looks at politics religion economy society and culture and seeks to place England in its British European and world contexts It includes an annotated bibliography and will prove invaluable to a wide range of students of the period

The Culture of Pain David B. Morris, 1991 Explores the history of pain in Western literature and culture to restore the bridge between pain

and meaning **The Virago Story** Catherine Riley, 2018-04-23 The 1970s witnessed a renaissance in women's print culture as feminist presses and bookshops sprang up in the wake of the second wave women's movement. At four decades removed from that heady era, however, the landscape looks dramatically different with only one press from the period still active in contemporary publishing: Virago. This engaging history explains how, from modest beginnings, Virago managed to weather epochal transformations in gender politics, literary culture, and the book publishing business. Drawing on original interviews with many of the press's principal figures, it gives a compelling account of Virago's place in recent women's history while also reflecting on the fraught relationship between activism and commerce. *Postmodernism And Social Inquiry* David R.

Dickens, Andrea Fontana, 2015-03-24 First published in 1994, Routledge is an imprint of Taylor & Francis, an informa company.

Reductionism and Cultural Being J.W. Smith, 2012-12-06 *The Language of Heresy in Late Medieval English Literature* Erin K. Wagner, 2024-04-22 Vernacular writers of late medieval England were engaged in global conversations about orthodoxy and heresy. Entering these conversations with a developing vernacular required lexical innovation. *The Language of Heresy in Late Medieval English Literature* examines the way in which these writers complemented seemingly straightforward terms like heretic with a range of synonyms that complicated the definitions of both those words and orthodoxy itself. This text proposes four specific terms that become collated with heretic in the parlance of medieval English writers of the 14th and 15th centuries: jangler, Jew, Saracen, and witch. These four labels are especially important insofar as they represent the way in which medieval Christianity appropriated and subverted marginalized or vulnerable identities to promote a false image of unassailable authority.
