Opinions On Interesting Subjects Of Publ:

A Catalogue of a Valuable Collection of Books and Pamphlets Anonymous, 2023-05-16 Reprint of the original first published in 1874 *A catalogue of a valuable collection of books* John Russell Smith, 2022-07-30 Reprint of the original first published in 1871 **Public Opinion** ,1889 **The New Annual Register, Or General Repository of History, Politics, and Literature** ,1785 **Catalogue of Books Added to the Library of Congress** ,1861 **The New Annual Register, Or, General Repository of History, Politics, and Literature for the Year ...** ,1795 *Discourse Studies in Public Communication* Eliecer Crespo-Fernández, 2021-04-15 The collection of articles in *Discourse Studies in Public Communication* illustrates that public communication is a fascinating evidence based storehouse for research in discourse analysis The contributions to this volume in the spheres of political rhetoric gender and sexuality and corporate and academic communication provide good evidence of contemporary social structure social phenomena and social issues In this way following the parameters of different analytical frameworks critical discourse analysis cognitive metaphor theory appraisal theory multimodality etc the contributors address not only the linguistic aspects of texts but also and more importantly the cultural and cognitive dimensions of public communication in a range of real life communicative contexts and kinds of discourse Although the volume is addressed first and foremost to readers with diverse interests in English linguistics it may also prove valuable to scholars in other non linguistic research fields like communication studies social theory political science or psychology **Public Opinion and World Peace** George H. Turner, 1923 **Public Opinion, Crime, And Criminal Justice** Julian Roberts, 2018-10-08 Taking on one of the most popular issues of the day crime and the way we make sense of it Julian Roberts and Loretta Stalans reveal the mismatch between the public perception of crime and the reality of crime statistics Discussing such issues as public knowledge of crime sources of crime information information processing by the public public attitudes about crime and the effectiveness of punishment this book considers the role that public opinion plays in the politics of criminal justice issues Based on extensive data from the United States with comparisons with Canada and the United Kingdom Roberts and Stalans reveal the truth behind how the public perceives crime and how this perception compares to actual criminal activity *The Gentleman's Magazine* ,1831 **Public Opinion and Counter-Terrorism** Michael Lister, 2023-05-12 This book examines the ways in which the views of the public inhabit the counter terrorism policy space with a focus on the UK case Drawing insights from Critical Terrorism Studies Critical Security Studies and studies of public opinion the book develops an argument that the relationship between public opinion is complex iterative and mutually instantiating Rather than public opinion and counter terrorism policy existing in a simple uni directional causal relationship the book argues that whilst counter terrorism policy actors are informed by public opinion in important ways they also construct that very opinion This argument is made through an empirical analysis of UK counter terrorism policy Drawing on primary research interviews with key counter terrorism policy actors and security professionals as well as original analysis of

parliamentary debates the book demonstrates that rather than UK counter terrorism politics being closed and elite driven there exists a complex dialectical relationship between public opinion and both the making and the implementing of counter terrorism policy This book will be of much interest to students of critical terrorism studies counter terrorism security studies British politics and communication studies
