BC Studies, 1995 **Catalog of State and Provincial Mammal Publications for the United States and Canada, 1980-1999** Dreux J. Watermolen, 2001. This report lists reference guides to the mammalian faunas of U.S. states and Canadian provinces. Most states and provinces have relatively current published 1980-99 comprehensive references to the identity, distribution, behavior, and local literature on mammals. The list includes works specifically dealing with endangered, threatened, and rare mammals of several states and includes citations for critical reviews of listed works appearing in the *Journal of mammalogy*, *Mammal review*, *Journal of wildlife management*, and several regional natural history journals. This catalog can help local researchers identify efficiently references that address local species or groups of species elsewhere within their ranges.
