

# Opposing Fascism

**Kasper Braskén, Nigel Copsey, David J  
Featherstone**

## **Opposing Fascism:**

**Opposing Fascism** Tim Kirk, Anthony McElligott, 1999-03-04 This innovative volume draws together a series of perspectives on the everyday experience of Europeans in the age of fascism The contributions go beyond the conventional stereotypes of organized resistance to examine the tensions and ambiguities within the communities both national and local that opposed fascism The authors show that under the pressures of civil conflict occupation and even everyday life motives were rarely as pure and political alignments seldom as straightforward as our reassuring collective memories of fascism and war have led us to believe The combination of original research and engagement with relevant debates makes this collection invaluable both for researchers in the social and political history of World War II and for students of modern European history

*Anti-Fascism in Britain* Nigel Copsey, 2016-10-04 Anti fascism has long been one of the most active and dynamic areas of radical protest and direct action Yet it is an area of struggle and popular resistance that remains largely unexplored by historians sociologists and political scientists Fully revised and updated from its earlier edition this book continues to provide the definitive account of anti fascism in Britain from its roots in the 1930s opposition to Oswald Mosley and the British Union of Fascists to the street demonstrations and online campaigns of the twenty first century The author draws on an impressive range of sources including official government police and security services records the writings and recollections of activists themselves and the publications and propaganda of anti fascist groups and their opponents The book traces the ideological tactical and organisational evolution of anti fascist groups and explores their often complicated relationships with the mainstream and radical left as well as assessing their effectiveness in combating the extreme right

**Anti-Fascism in a Global Perspective** Kasper Braskén, Nigel Copsey, David J Featherstone, 2020-09-20 This book initiates a critical discussion on the varieties of global anti fascism and explores the cultural political and practical articulations of anti fascism around the world This volume brings together a group of leading scholars on the history of anti fascism to provide a comprehensive analysis of anti fascism from a transnational and global perspective and to reveal the abundance and complexity of anti fascist ideas movements and practices Through a number of interlinked case studies they examine how different forms of global anti fascisms were embedded in various national and local contexts during the interwar period and investigate the interrelations between local articulations and the global movement Contributions also explore the actions and impact of African Asian Latin American Caribbean and Middle Eastern anti fascist voices that have often been ignored or rendered peripheral in international histories of anti fascism Aimed at a postgraduate student audience this book will be useful for modules on the extreme right political history political thought political ideologies political parties social movements political regimes global politics world history and sociology Chapters 5 and 10 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**Anti-fascism in the Nordic Countries** Kasper Braskén, Nigel

Copsey, Johan A. Lundin, 2019-01-10 Although the Nordic countries have a reputation for tolerance and social democracy they were not immune to fascism which spread across Europe in the 1920s and 1930s This book offers the first comprehensive history of anti fascism in the Nordic Countries Through a number of case studies on anti fascism in Sweden Finland Norway Denmark and Iceland the book makes a significant contribution to the history of contentious politics in the Nordic Countries and to our broader knowledge of European fascism and anti fascism The case studies concentrate on the different manifestations of resistance to fascism and Nazism in the interwar era as well as some of the postwar variants The book will be of considerable interest to scholars of anti fascism as well as researchers of Nordic and Scandinavian history and politics

**Varieties of Anti-Fascism** N. Copsey, A. Olechnowicz, 2010-09-30 This volume examines the varieties of anti fascism in inter war Britain Ordinarily anti fascism is defined in terms of anti fascist activism By extending the scope of the concept this book breaks new ground Chapters examine political parties the state the media women the churches and intellectuals

**Anti-Fascism and Ethnic Minorities** Anders Ahlbäck, Kasper Braskén, 2023-12-01 Anti Fascism and Ethnic Minorities explores how and to what extent fascist ultranationalism elicited an anti fascist response among ethnic minority communities in Eastern and Central Europe The edited volume analyses how identities related to class ethnicity gender and political ideologies were negotiated within and between minorities through confrontations with domestic and international fascism By developing and expanding the study of Jewish anti fascism and resistance to other minority responses the book opens the field of anti fascism studies for a broader comparative approach The volume is thematically located in Central and Eastern Europe cutting right across the continent from Finland in the North to Albania in the Southeast The case studies in the 14 research chapters are divided into five thematic sections dealing with the issues of 1 minorities in borderlands and cross border antifascism 2 minorities navigating the ideological squeeze between communism and fascism 3 the role of intellectuals in the defence of minority rights 4 the anti fascist resistance against fascist and Nazi occupation during World War II and 5 the conflictual role ascribed to ethnicity in post war memory politics and commemorations The editors describe their intersectional approach to the analysis of ethnicity as a crucial category of analysis with regard to anti fascist histories and memories The book offers scholars and students valuable historical and comparative perspectives on minority studies Jewish studies borderland studies and memory studies It will appeal to those with an interest in the history of race and racism fascism and anti fascism and Central and Eastern Europe

**Transatlantic Antifascisms** Michael Seidman, 2018 The first comprehensive scholarly account of antifascism analysing its development in Spain France Britain and the USA

Histories of Fascism and Anti-Fascism in Australia Evan Smith, Jayne Persian, Vashti Jane Fox, 2022-12-30 Histories of Fascism and Anti Fascism in Australia provides a history of fascist movements and anti fascist resistance in Australia over the past century In recent years the far right has become a resurgent force across the globe resulting in populist parties securing electoral victories social movements organising on the streets and acts of right wing terrorism Australia has not been

immune to this However this is not merely a recent phenomenon it has a long history of fascist and far right groups and individuals These groups have attempted to situate themselves within the wider settler colonial political landscape often portraying themselves as the inheritors of a violent and exclusionary colonial past Concurrently these groups have linked into globalised anti communist and white supremacist networks At the same time Australia has often seen resistance to fascism and the far right from the political centre to the far left Covering the period from the 1920s to the present day and featuring insights from historians sociologists and political scientists this book provides the most detailed account of this fascinating and important topic This book will be of interest to students and activists with an interest in the extreme right and anti fascism as well as Australian history politics and society

**World Fascism** Cyprian Blamires, 2006-09-18 This book shows how during the 20th century evils such as totalitarianism tyranny war and genocide became indelibly linked to the fascist cause and examines the enduring and popular appeal of an ideology that has counted princes poets and war heroes among its most fervent adherents From the followers of Hajj Amin Al Husseini the Arab leader who met with Adolf Hitler in November 1942 to the murderous death squads of the Croatian Ustasha to certain members of the British Establishment fascism s heady brew of extreme nationalism and revolutionary violence has attracted followers from across all religions races and classes Now widely reviled fascism became an immensely powerful political force in Western Europe throughout the 1930s and into the 1940s How did civilized nations like Italy Germany Austria and others succumb to an ideology now regarded by the political mainstream as barbarous and beyond the pale *World Fascism A Historical Encyclopedia* covers all the key personalities and movements throughout the history of fascism and brings to light some of the ideology s lesser known aspects from Hindu extremists in India to the influential role of certain women in fascist movements How did an ideology which was openly boastful of its belief in violence come to seduce the elites of some of the most civilized nations on earth What can explain fascism s enduring appeal

**Aldo Capitini on Opposition and Liberation** Jodi L. Sandford, 2020-04-27 This translation of Aldo Capitini s quasi autobiography is long overdue It presents an edited series of his writings spanning his lifetime 1899 1968 An Italian philosopher of nonviolence poet teacher political and non secular religious man of compresence and persuasion Capitini encouraged his readers to embrace the philosophy of noncooperation nonviolence and nonmendacity Self taught later removed from his university position and imprisoned as an anti fascist he opted for liberalsocialism and on the ground strategies for social change His civil rights movement somewhere between that of Martin Luther King and Gandhi insisted on ever pertinent and frighteningly contemporary concepts The founder of the first Italian vegetarian association 1952 and the first Perugia Assisi Peace March 1961 Capitini preferred to work from the bottom up and refused to become an elected political figure which eventually led to his exclusion from official political participation His revolutionary voice epitomizes a fundamental part of democratic involvement if we participate today s utopia can be tomorrow s reality

*Fascist and Anti-Fascist Propaganda in America: The Dispatches of Italian Ambassador Gelasio*

Caetani , **China in the World Anti-fascist War** Xunhou Peng,2005 *The Holocaust, Fascism and Memory* D. Stone,2013-02-22 From interpretations of the Holocaust to fascist thought and anti fascists responses this book tackles topics which are rarely studied in conjunction This is a unique collection of essays on a wide variety of subjects which contributes to understanding the roots and consequences of mid twentieth century Europe s great catastrophe *Anti-semitism in Russia* United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on European Affairs,1999 **Political Anti-Semitism in England 1918-1939** G. Lebzelter,1978-06-17 *The Fascist Revolution in Tuscany, 1919-22* Frank Snowden,2004-03-11 This 1989 book is a detailed study of the social origins of the fascist reaction in Tuscany which played a key role in the rise of Italian fascism to power Tuscan fascism was second to none in its violence organisational strength intransigence and missionary zeal The central question is who supported fascism and why To what extent did Tuscany a major agricultural region conform to national patterns What are the implications of the pattern of support for fascism in Tuscany for the wider interpretation of the movement Dr Snowden offers a thematic approach discussing in turn agrarian fascism industrial and urban activity and relations between the black shirts and state officials Thus the significance of the fascist militancy of particular social groups and classes can be assessed for the period between the mass strikes in 1919 and the end of labour militancy marked by the beginning of the fascist dictatorship **Anti-Parliamentary Communism** Mark Shipway,2016-07-27 The book explores the ideas and activities of the anti parliamentarians in Britain between 1917 and 1945 from the ex suffragettes based around Sylvia Pankhurst s Workers Dreadnought newspaper to the Clydeside based Anti Parliamentary Communist Federation and its offshoots *The US Antifascism Reader* Bill V. Mullen,Christopher Vials,2020-01-07 How anti fascism is as American as apple pie Since the birth of fascism in the 1920s well before the global renaissance of white nationalism the United States has been home to its own distinct fascist movements some of which decisively influenced the course of US history Yet long before antifa became a household word in the United States they were met time and again by an equally deep antifascist current Many on the left are unaware that the United States has a rich antifascist tradition because it has rarely been discussed as such nor has it been accessible in one place This reader reconstructs the history of US antifascism into the twenty first century showing how generations of writers organizers and fighters spoke to each other over time Spanning the 1930s to the present this chronologically arranged primary source reader is made up of antifascist writings by Americans and by exiles in the US some instantly recognizable others long forgotten It also includes a sampling of influential writings from the US fascist white nationalist and proto fascist traditions Its contents mostly written by people embedded in antifascist movements include a number of pieces produced abroad that deeply influenced the US left The collection thus places US antifascism in a global context **The Jews in Fascist Italy: A History** Renzo De Felice,2015-11-23 My aim was to explain in detail the facts surrounding Fascist anti Semitism and the persecution of the Jews in Mussolini s Italy Too many people in Italy and elsewhere underestimate or deny the tragic fate of

European Jewry and anti-Semitism between the two world wars A few short years ago anti-Semitism appeared defeated and reduced to a tiny group of fanatics But now it seems to be regaining ground in its more political incarnation probably the most dangerous one because next to the religious social and economic varieties it is the most insidious of all The author occupies a central position among Italian historians specialized in modern Italy's political history He broke new ground by first publishing this book in 1961 having obtained special permission to consult the files in the Archives of the Italian Jewish Communities concerning the Fascist regime's persecution of the Jews in Italy from 1938 to 1945 The book's release coincided with the trial of Adolf Eichmann in Jerusalem that brought the Holocaust to the attention of other historians and to the world public The English translation of the final 1993 edition was supported by a grant from the Italian Ministry of Foreign Affairs This paperback and electronic book edition is published in association with the United States Holocaust Memorial Museum

Antifa Mark Bray, 2017-08-14 The National Bestseller Focused and persuasive Bray's book is many things the first English language transnational history of antifa a how to for would be activists and a record of advice from anti-Fascist organizers past and present THE NEW YORKER As long as there has been fascism there has been anti-fascism also known as antifa Born out of resistance to Mussolini and Hitler the antifa movement has suddenly burst into the headlines amidst opposition to the Trump administration and the alt right In a smart and gripping investigation historian and activist Mark Bray provides a detailed survey of the full history of anti-fascism from its origins to the present day the first transnational history of postwar anti-fascism in English Today critics say shutting down political adversaries is anti-democratic antifa adherents argue that the horrors of fascism must never be allowed the slightest chance to triumph again Bray amply demonstrates that antifa simply aims to deny fascists the opportunity to promote their oppressive politics and to protect tolerant communities from acts of violence promulgated by fascists Based on interviews with anti-fascists from around the world Antifa details the tactics of the movement and the philosophy behind it offering insight into the growing but little understood resistance fighting back against fascism in all its guises

Eventually, you will entirely discover a further experience and attainment by spending more cash. nevertheless when? reach you give a positive response that you require to acquire those every needs behind having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to comprehend even more as regards the globe, experience, some places, behind history, amusement, and a lot more?

It is your extremely own epoch to accomplishment reviewing habit. among guides you could enjoy now is **Opposing Fascism** below.
