Political World Of American Zionism

Jack Salzman

Political World Of American Zionism:

The Political World of American Zionism Samuel Halperin, 1961 *American Zionism* Jeffrey S. Gurock, 1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company **Jews of the American West** Moses Rischin, John Livingston, 1991 In a series of nine original essays the editors and other leading American historians bring dramatically new perspectives to bear on our understanding of the West its Jews and other Americans both old and new Whether comparing the history of the Jews of the West with the Jewish experience in the older regions of the country or bringing attention to the uniquely local aspects of the western experience the contributors to this landmark volume perceive the West as an increasingly important and vital presence in the nation s history The agrarians of Utah s Clarion and the cureseekers of Denver no less than the boomers of Tucson have been representative Americans Jews and westerners Essays on the role of intermarriage the shared encounter of immigrants and migrants and the response to the founding of the State of Israel by western pioneer families tell us much about the interaction of the West with our American world nation **Jews in American Politics** Louis Sandy Maisel, 2001 Brings together a complete picture of the past present and future of Jewish political participation **The Arab-Israeli Conflict in American Political Culture** Jonathan Rynhold, 2015-02-23 This book surveys discourse and opinion in the United States toward the Arab Israeli conflict since 1991 Contrary to popular myth it demonstrates that U S support for Israel is not based on the pro Israel lobby but rather is deeply rooted in American political culture That support has increased since 9 11 However the bulk of this increase has been among Republicans conservatives evangelicals and Orthodox Jews Meanwhile among Democrats liberals the Mainline Protestant Church and non Orthodox Jews criticism of Israeli policies toward the Palestinians has become more vociferous This book works to explain this paradox **The Politics and Public Culture of American Jews** Arthur A. Goren, 1999 These strikingly lucid and accessible essays ranging over nearly a century of Jewish communal life examine the ways in which immigrant Jews grappled with issues of group survival in an open and accepting American society Ten case studies focus on Jewish strategies for maintaining a collective identity while participating fully in American society and public life Readers will find that these essays provide a fresh provocative and compelling look at the fundamental question facing American Jewry at the end of the 20th century as at its start how to assure Jewish survival in the benign conditions of American freedom *From New Zion to Old Zion* Joseph B. Glass, 2018-02-05 *From New Zion to Old Zion* analyzes the migration of American Jews to Palestine between the two World Wars and explores the contribution of these settlers to the building of Palestine American Aliyah immigration to Palestine began in the mid nineteenth century fueled by the desire of American Jews to study Torah and by their wish to live and be buried in the Holy Land His movement of people men and women increased between World War I and II in direct contrast to European Jewry s desire to immigrate to the United States Why would American Jews want to leave America and what characterized their resettlement *From New Zion to Old Zion* analyzes the migration of American

Jews to Palestine between the two world wars and explores the contribution of these settlers to the building of Palestine From New Zion to Old Zion draws upon international archival correspondence newspapers maps photographs interviews and fieldwork to provide students and scholars of immigration and settlement processes the Yishuv Jewish community in Palestine and America Holy Land studies a well researched portrait of Aliyah The Jews of the United States, 1654 to 2000 Hasia R. Diner,2006-05-30 Annotation A history of Jews in American that is informed by the constant process of negotiation undertaken by ordinary Jews in their communities who wanted at one and the same time to be good Jews and full Americans

Western Jewry and the Zionist Project, 1914-1933 Michael Berkowitz,2003-04-10 This 1996 study of the Zionist movement in Germany Britain and the United States recognizes Western Zionism as a distinctive force From the First World War until the rise of Hitler the Zionist movement encouraged Jews to celebrate aspects of a reborn Jewish nationality and sovereignty in Palestine while at the same time acknowledging that their members would mostly stay put and strive toward acculturation in their current homelands The growth of a Zionist consciousness among Western Jews is juxtaposed with the problematic nurturing of the movement s institutions as Zionism was consumed increasingly by fundraising In the 1930s Zionist images assumed a progressively greater share of secular Jewish identity and Zionism became normalized in the social landscape of Western Jewry but the organization faltered in translating its popularity into a means of saving the Jews and building up the national home in Palestine **Jews in American Politics** Louis Sandy Maisel,Ira N. Forman,Donald Altschiller,Charles Walker Bassett,2004 Joseph Lieberman s Vice Presidential nomination and Presidential candidacy are neither the first nor last words on signal Jewish achievements in American politics Jews have played an important role in American government since the early 1800s at least and in view of the 2004 election there is no political office outside the reach of Jewish American citizens For the first time Jews in American Politics Essays brings together a complete picture of the past present and future of Jewish political participation Perfect for students and scholars alike this monumental work includes thoughtful and original chapters by leading journalists scholars and practitioners Topics range from Jewish leadership and identity to Jews in Congress on the Supreme Court and in presidential administrations and on to Jewish influence in the media the lobbies and in other arenas in which American government operates powerfully if informally In addition to the thematically unified essays Jews in American Politics Essays concludes with an invaluable roster of Jews in key governmental positions from Ambassadorships and Cabinet posts to federal judges state governors and mayors of major cities Both analytical and anecdotal the essays in Jews in American Politics offer deep insight into serious questions about the dilemmas that Jews in public service face as well as humorous sidelights and authoritative reference materials never before collected in one source The story of the rich tradition of Jewish participation in American political life provides an indispensable resource for any serious follower of American politics especially in election year 2004 **Thinking about the Holocaust** Alvin H. Rosenfeld,1997-11-22 stimulating and important anthology Holocaust and Genocide Studies a useful and

competent volume that can serve as a good introduction to scholarship on the aftermath of the Holocaust Times Literary Supplement More than 50 years after the end of World War II how do we look back upon and understand the nature and consequences of that catastrophic event What kind of historical consciousness has developed over the past half century with respect to the Nazi destruction of European Jewry These questions are explored by a distinguished international group of scholars who draw on history literature memory memorials and the representation of the Holocaust in the culture to assess the impact of the Holocaust on postwar consciousness Sewing the Fabric of Statehood Adam M Howard,2017-12-13 Long a bastion of Jewish labor power garment unions provided financial and political aid essential to founding and building the nation of Israel Throughout the project Jewish labor often operated outside of official channels as non governmental organizations Adam Howard explores the untold story of how three influential garment unions worked alone and with other Jewish labor organizations in support of a new Jewish state Sewing the Fabric of Statehood reveals a coalition at work on multiple fronts Sustained efforts convinced the AFL and CIO to support Jewish development in Palestine through land purchases for Jewish workers and encouraged the construction of trade schools and cultural centers Other activists meanwhile directed massive economic aid to Histadrut the General Federation of Jewish Workers in Palestine or pressured the British and American governments to recognize Israel s independence What emerges is a powerful account of the motivations and ideals that led American labor to forge its own foreign policy and reshape both the postwar world and Jewish history **Uncommon Allies** Alan M. Shore,2024-08-15 On March 27 1933 representatives from across the American religious spectrum came to Madison Square Garden united in a shared purpose to speak out against the rise of fascism in Germany and Adolph Hitler s seizure of power This rally the first of several held at the Garden before during and after World War II represents an unexplored moment of Jewish and Christian relations challenging assumptions about Christian leaders indifference to the Jewish plight and their guilt as the realities of the Holocaust came to light In Uncommon Allies Alan Shore uses an impressive range of primary and secondary sources including English and Yiddish newspapers of the time and neglected histories of various religious organizations to shine a light on these pivotal rallies From the groundbreaking 1933 rally to a series of events in 1943 as the reality of Hitler s Final Solution came to light and ending in a postwar rally in 1945 as religious groups struggled with finding a way to help displaced and struggling Jews Shore unearths the united religious front in the face of the horror of Nazism Each rally is vividly presented and analyzed in terms of its background planning execution content and press coverage Tracing the impact of these rallies through the years Shore draws a clear line to the partnership between Christian and Jewish Zionists and the rhetorical use of Judeo Christian values *Power, Faith, and Fantasy* Michael B. Oren,2011-04-04 Will shape our thinking about America and the Middle East for years Christopher Dickey Newsweek *Power Faith and Fantasy* tells the remarkable story of America s 230 year relationship with the Middle East Drawing on a vast range of government documents personal correspondence and the memoirs of merchants missionaries and

travelers Michael B Oren narrates the unknown story of how the United States has interacted with this vibrant and turbulent region

The Year After the Riots Naomi Wiener Cohen, 1988 In August 1929 Arabs in Palestine rose up in bloody riots against Jews More than 130 Jews were killed among them eight young American students American Jews hampered by the postwar mood of disillusionment and isolationism and by the vicious anti Semitic attacks of the 1920s failed to mount an effective campaign to influence either the government or public opinion In addition the community itself was hopelessly divided Rival factions some led by men who frequently sacrificed issue for ego could not counter the anti Zionist case In *The Year After the Riots* Naomi W Cohen makes the first in depth study of American responses to the riots and reveals the isolation and weaknesses of American Jewry Official noninvolvement anti Semitism and Jewish disunity are presented as an ominous prologue to the Hitler era

Tradition Transformed Gerald Sorin, 1997-04-18 Sorin argues that from colonial times to the present acculturation and not assimilation has best described the experience of Jewish Americans

A Time for Searching Henry L. Feingold, 1995-05 In this fourth volume the author notes that the decline of religiousness in the second and third generations of American Jews was balanced by the development of an activist political culture based on elaborate organizational life an effective fund raising apparatus and Zionism with its notion of Jewish peoplehood That reshaping of American Jewish individual and communal identity in some measure accounts for the insufficient response to the plight of European Jews during the Holocaust American Jewry's remarkable achievement in the private sphere overshadowed its weakness in the public one Series Editor's foreword

The "Bergson Boys" and the Origins of Contemporary Zionist Militancy Judith Tydor Baumel, 2005-11-01 During and shortly after the Second World War six young men emissaries of the revisionist Zionist Irgun military movement in Palestine revolutionized the American Jewish and Zionist scene Judith Tydor Baumel provides the complete story of the role the Bergson group played in raising American public consciousness of Jewish and Zionist concerns After founding a series of pro Zionist and rescue organizations they initiated a new form of fundraising that used the media to turn the spotlight on their activities gaining adherents and supporters from both ends of the political and social spectrum Long before the protest movements of the 1950s and 1960s members of this group learned the art of courting the media in order to bring word of their existence to every part of the United States Having energized politicians gangsters Hollywood moguls and ultra Orthodox rabbis the handful of young men taught other Zionist and American Jewish groups not only how the media was the message but how it could and should be used A guiding force behind the creation of the War Refugee Board the group served as a beacon for contemporary Zionist militancy while ultimately laying the groundwork for other organizations to utilize the media in future political campaigns

The Israel-Palestine Conflict James L. Gelvin, 2014-01-20 Now entering its third edition James L Gelvin's award winning account of the conflict between Israelis and their forebears on the one hand and Palestinians and theirs on the other offers a compelling accessible and current introduction for students and general readers Newly updated to take into account the effects of the 2010 11 Arab

uprisings on the conflict and the recognition of Palestinian statehood by the United Nations the book traces the struggle from the emergence of nationalism among the Jews of Europe and the Arab inhabitants of Ottoman Palestine through the present exploring the external pressures and internal logic that have propelled it Placing events in Palestine within the framework of global history The Israel Palestine Conflict One Hundred Years of War skilfully interweaves biographical sketches eyewitness accounts poetry fiction and official documentation into its narrative American Studies Jack Salzman, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of American Studies An Annotated Bibliography of Works on the Civilization of the United States published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00

This is likewise one of the factors by obtaining the soft documents of this **Political World Of American Zionism** by online. You might not require more grow old to spend to go to the book instigation as with ease as search for them. In some cases, you likewise complete not discover the broadcast Political World Of American Zionism that you are looking for. It will certainly squander the time.

However below, taking into consideration you visit this web page, it will be thus entirely easy to get as well as download lead Political World Of American Zionism

It will not admit many become old as we tell before. You can complete it while undertaking something else at house and even in your workplace. therefore easy! So, are you question? Just exercise just what we give under as without difficulty as evaluation **Political World Of American Zionism** what you taking into account to read!
