Higuera, Daniel S. Leon**

Politics Of Regime Transitions:

The Politics Of Regime Transitions Ronald A Francisco, 2019-06-25 This volume evaluates political and economic reforms that occurred during the forty regime transitions. It provides a historical overview and considers the collapse of the regime, the early transition, democratization, and economic reform. Clan Politics and Regime Transition in Central Asia Kathleen Collins, 2006-04-03 This book is a study of the role of clan networks in Central Asia from the early twentieth century through 2004. Exploring the social, economic, and historical roots of clans and their political role and political transformation in the Soviet and post-Soviet periods, it argues that clans are informal political actors that are critical to understanding politics in this region. The book demonstrates that the Soviet system was far less successful in transforming and controlling Central Asian society and in its policy of eradicating clan identities than has often been assumed. In order to understand Central Asian politics and their economies, scholars and policy makers must take into account the powerful role of these informal groups, how they adapt and change over time, and how they may constrain or undermine democratization in this strategic region. Regime Transition and the Judicial Politics of Enmity Justine Guichard, 2016-04-08 Among the societies that experienced a political transition away from authoritarianism in the 1980s, South Korea is known as a paragon of successful democratization. This achievement is considered to be intimately tied to a new institution introduced with the 1987 change of regime: intended to safeguard fundamental norms and rights, the Constitutional Court of Korea. While constitutional justice is largely celebrated for having achieved both purposes, this book proposes an innovative and critical account of the court's role. Relying on an interpretive analysis of jurisprudence, it uncovers the ambivalence with which the court has intervened in the major dispute opposing the state and parts of civil society after the transition: redefining enmity. In response to this challenge, constitutional justice has produced both liberal and illiberal outcomes: promoting the rule of law and basic rights while reinforcing the mechanisms of exclusion bounding South Korean democracy in the name of national security. **Democratic Experiments in Africa** Michael Bratton, Nicolas Van de Walle, 1997-08-13 Appendix The Data Set *Routledge Handbook of Latin American Politics* Peter Kingstone, Deborah J. Yashar, 2013-03-05 Latin America has been one of the critical areas in the study of comparative politics. The region's experiments with installing and deepening democracy and promoting alternative modes of economic development have generated intriguing and enduring empirical puzzles. In turn, Latin America's challenges continue to spawn original and vital work on central questions in comparative politics: about the origins of democracy, about the relationship between state and society, about the nature of citizenship, about the balance between state and market. The richness and diversity of the study of Latin American politics makes it hard to stay abreast of the developments in the many sub-literatures of the field. The *Routledge Handbook of Latin American Politics* offers an intellectually rigorous overview of the state of the field and a thoughtful guide to the direction of future scholarship. Kingstone and Yashar bring together the leading figures in the study of Latin America to present extensive empirical

coverage new original research and a cutting edge examination of the central areas of inquiry in the region

Authoritarian Party Systems: Party Politics In Autocratic Regimes, 1945-2019 Grigorii V Golosov, 2022-01-18

After the gradual slowing down of the third wave of democratization electoral authoritarianism is rapidly emerging as a dominant form of contemporary autocracy Political parties play a key role within the political and institutional structures of electoral autocracies Pro regime parties provide the dictatorial executive with electoral and legislative tools of sustaining power At the same time permitted opposition parties while normally incapable of challenging the regime are important for regime sustainability because they perform such vital functions as co-opting actual or potential opposition groups facilitating power sharing and mobilizing electoral participation The interactions among the dominant parties and the permitted opposition parties if displaying sustainable cross temporal patterns constitute authoritarian party systems Authoritarian Party Systems provides a theoretical discussion of electoral authoritarianism with special reference to authoritarian party systems a methodological overview of party system research with special reference to the problems caused by the authoritarian nature of the observed party systems a comprehensive cross regional and historical overview of authoritarian party systems a quantitative analysis of their structural characteristics including fragmentation party system format volatility and nationalization and in depth discussions of the political regime determinants of authoritarian party systems and of the interplay between party systems and other components of the authoritarian institutional order Quantitative analysis has been performed on an original database comprising cases of party structured authoritarian regimes between 1945-2019 This content of the book is illustrated by case studies drawn from across the spectrum of contemporary authoritarian regimes

The Politics of Uncertainty Andreas Schedler, 2013-08 This volume offers a major new theory of authoritarian politics It studies regime struggles between government and opposition under electoral authoritarianism and argues that autocracies suffer from institutional uncertainties

Making and Breaking Democratic Transitions Vladimir Gel'man, Sergei Ryzhenkov, Michael Brie, 2005-01-12 Focusing on the vastly different outcomes of post Soviet regime transitions this study explores why some societies have become more democratic and some have not Based on in depth comparative analyses the book assesses political developments in six of Russia's regions Saratov Nizhnii Novgorod Volgograd Ryazan Ul'yanovsk and Tver oblasts since 1988 The authors consider the influence of Soviet governance systems on the emergence of cleavages and new actors in the post Soviet period They also analyze the impact of institutional changes on regional regimes and the success or failure of formal institutions as a framework for political competitiveness Placing their detailed field data within the larger comparative and theoretical context of political transitions the authors are able to explain the mixed outcomes of post communist regime change in Russia and other post Soviet nations With its innovative model of path contingent democratization and its new typology of political regimes and regime transitions this book will be essential reading for all scholars of democracy

Autocratization in post-Cold War Political Regimes Andrea Cassani, Luca Tomini, 2018-12-14 This

book deals with post Cold War processes of autocratization that is regime change towards autocracy While these processes are growing in number and frequency autocratization remains a relatively understudied phenomenon especially its most recent manifestations In this volume the authors offer one of the first cross regional comparative analyses of the recent processes of regime change towards autocracy Building on an original conceptual framework the two authors engage in the empirical investigation of the spreading of this political syndrome of the main forms that it takes and of the modes through which it unfolds in countries ruled by different political regimes with different histories and belonging to different regional contexts The research is conducted through a mix of research techniques that include descriptive statistical analysis Qualitative Comparative Analysis and case study This book will be of interest to a heterogeneous readership that encompasses the broader community of scholars analysts observers journalists and practitioners interested in political development and regime change in different geographical areas

Political Transition and Democratic Consolidation Adriano Nervo Codato, 2006 How does a political regime evolve How and when does an old regime turn itself into a new one When does a political change occur What is the first thing to change in a political transformation and what is the degree and the speed of this change What are the causes of this transformation And when exactly does this change end When the new regime is completely established What concepts can we use to understand each moment of the political transition How can we think about the whole process In 2005 Brazil completes twenty continuous years of civil government a striking exception in the country's history all of them except one chosen by direct elections The long transition from the dictatorial regime to a non dictatorial one not necessarily democratic began in 1974 Fifteen years after in 1989 a new stage in this process begins overcoming the instability of the national political scene From this moment on the consolidation of democracy becomes the central problem of the national political agenda There are many ways of telling and explaining this history This book presents a survey of the different interpretations of this important period of Brazilian history and at the same time outlines some criticisms on the mainstream interpretations in Brazilian Political Science

China's Trapped Transition Minxin PEI, 2009-06-30 In a book sure to provoke debate Minxin Pei examines the sustainability of the Chinese Communist Party's reform strategy pursuing pro market economic policies under one party rule Combining powerful insights with empirical research China's Trapped Transition offers a provocative assessment of China's future as a great power

Advanced Introduction to Political Networks Volker Schneider, 2024-09-06 Providing a comprehensive overview of the key fields in political network research Volker Schneider demonstrates that relational structures play a crucial role in many areas and levels of politics and policymaking as interaction communications or dependency relations Schneider expertly guides the reader from the basic concepts through to advanced methods using empirical analysis of both local and national case studies

The New Mediterranean Democracies Geoffrey Pridham, 2016-01-29 This volume first published in 1984 discusses the viability of applying the Mediterranean model to three countries that were transitioning to democracy Spain Greece and

Portugal combining both comparative and national case study approaches In particular Spain Greece and Portugal offer comparable examples of the problems of establishing new democratic systems within relatively unstable and economically less developed environments This title applies different theories of regime transition to the countries in question This volume will be of interest to students of politics Democratic Transitions Sujian Guo,Gary A Stradiotto,2014-04-03 Democratic transitions have occurred in many countries in various regions across the globe such as Southern Europe Latin America Africa East and Southeast Asia Eastern Europe and the Middle East and these nations have undergone simultaneously political economic and social transformations Yet the patterns and characteristics of transitions have varied significantly and different modes of transition have resulted in different outcomes This book offers cross national comparisons of democratic transition since the turn of the twentieth century and asks what makes democracies succeed or fail In doing so it explores the influence the mode of transition has on the longevity or durability of the democracy by theoretically examining and quantitatively testing this relationship The authors argue that the mode of transition directly impacts the success and failure of democracy and suggest that cooperative transitions where opposition groups work together with incumbent elites to peacefully transition the state result in democracies that last longer and are associated with higher measures of democratic quality Based on a cross national dataset of all democratic transitioning states since 1900 this book will be of great interest to students and scholars of international politics comparative politics and democracy and democratization studies

Political Regimes and Neopatrimonialism in Central Asia Ferran Izquierdo-Brichs,Francesc Serra-Massansalvador,2021-01-12 This book is aimed both at researchers and advanced students of Central Asia the space of the former USSR and the foreign policy of Russia and China The authors adopt a sociological approach in understanding how power structures emerged in the wake of the Soviet collapse The independencies in Central Asia did not happen as a consequence of a nationalist struggle but because the USSR imploded Thus instead of the elites being replaced the same Soviet elites who had competed for power in the previous system continued to do so in the new one which they had to build adapting themselves and the system to their needs Additionally unlike in the immense majority of the independent states that emerged from decolonization the social movements and capacity to mobilize the people were very weak in the new Central Asian states For this reason the configuration of the new systems was the product of a competition for power between a very small number of elites who did not have to answer to the people and their demands Thus the new power regimes acquired a strong neopatrimonial component Analyzing the structure of societies economies and politics of post socialist states this book will be of great interest to scholars of Central Asia to sociologists and to scholars of China s rise International Politics and National Political Regimes Peter Burnell,Oliver Schlumberger,2014-06-11 There is much speculation about whether democracy is still advancing around the world and the influence that leading authoritarian or semi authoritarian regimes such as Russia are starting to have on the trends This collection assesses global trends in democratisation reviews the

condition of international democracy promotion and enquires into whether serious competition in the form of autocracy promotion is now a major possibility The influence of international politics on national political regimes is explored in more detail for Russia's resistance to democracy promotion and Russian influence on regimes in Central Asia in particular along with an Indian perspective on India's reluctance to push for democracy abroad and concerns that democracy promotion itself should be considered more critically if it undermines democratisation in foreign aid dependent states The book concludes by briefly addressing the potential significance of the 2011 Arab spring for these themes This book was published as a special issue of Contemporary Politics Social and Political Transitions During the Left Turn in Latin America Karen

Silva-Torres, Carolina Rozo-Higuera, Daniel S. Leon, 2021-09-09 Social and Political Transitions During the Left Turn in Latin America provides fourteen contributions to understand from a multidisciplinary perspective processes of socio political reconfigurations in the region from the early 2000s to the mid 2010s The Left Turn was the regional shift to left of center governments and social movements that sought to replace the neoliberal policies of the 1990s This volume aims to answer the overarching research question how do state and societal national and transnational actors trigger and shape processes of political and socio economic transitions in Latin America from the rise to the decline of the Left Turn The book presents case studies in which transitions are moments of change and uncertainty which one cannot predict their definitive outcomes The various case studies presented in the book place actors and processes in specific historical and socio political contexts which are influenced directly or indirectly by the historical trajectory of Latin America's Left Turn This book is essential reading for students and scholars of Social and Political History Latin American History and those interested in the social and political developments in Latin America more broadly Africa Peter Lewis, 2018-02-20 This book focuses on the historical construction of African states the modes of political control in the region and the character of political elites It examines the nature of political legitimacy and the avenues of participation or withdrawal pursued by various popular sectors

Handbook on the Politics of Taxation Hakelberg, Lukas, Seelkopf, Laura, 2021-09-14 This comprehensive Handbook provides an insight into the main concepts and academic debates on taxation from a political science perspective Providing a background to current debates on green taxation taxation and inequality taxation and gender tax evasion and avoidance and tax compliance it offers potential avenues for future research **Regional politics in Russia** Cameron Ross, 2024-06-04

This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new

institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia's regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia's Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective

Reviewing **Politics Of Regime Transitions**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Politics Of Regime Transitions**," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Politics Of Regime Transitions Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Politics Of Regime Transitions PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Politics Of Regime Transitions PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Politics Of Regime Transitions free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Politics Of Regime Transitions Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics Of Regime Transitions is one of the best book in our library for free trial. We provide copy of Politics Of Regime Transitions in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics Of Regime Transitions. Where to download Politics Of Regime Transitions online for free? Are you looking for Politics Of Regime Transitions PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you

receive whatever you purchase. An alternate way to get ideas is always to check another Politics Of Regime Transitions. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Politics Of Regime Transitions are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Politics Of Regime Transitions. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Politics Of Regime Transitions To get started finding Politics Of Regime Transitions, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Politics Of Regime Transitions So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Politics Of Regime Transitions. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Politics Of Regime Transitions, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Politics Of Regime Transitions is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Politics Of Regime Transitions is universally compatible with any devices to read.
