Jazyk a politika.

Na pomedzí lingvistiky a politologie IV. Radoslav Štefančík,2019-10-01 Zborník z medzinárodnej interdisciplinárnej konferencie konanej na Ekonomickej univerzite v Bratislave dňa 20.6.2019 *Political Legitimacy and Traditional Values in*

Putin's Russia Pal Kolsto,Helge Blakkisrud,2025-01-31 Since Vladimir Putin's return to the Russian presidency in 2012 protection and promotion of so called traditional values has played a prominent role in the Kremlin's propaganda campaigns From the large scale demonstrations in 2011-2012 to the full scale invasion of Ukraine in 2022 conservative social values have been mobilised to justify the Kremlin's policy choices In the case of the invasion for example Putin argued that the allegedly decadent western world was using Ukraine as a springboard to export its pseudo values into Russia Drawing on a series of case studies spanning elite level political rhetoric the work of various ideological values entrepreneurs such as the Russian Orthodox Church and not least of grassroots sentiments Political Legitimacy and Traditional Values in Putin's Russia

explores authoritarian regime legitimation in today's Russia

Vladimir Putin and the New World Order Joseph Laurence Black, 2004 J L Black's latest work is a rich and carefully crafted attempt to expose the textures of Russia's perceptions of itself and its place in the world. Based almost entirely on Russian sources, J L Black found himself returning to the old practice of citing and decoding feature items from the Russian press. The difference between then and now, of course, is that at that time there was the struggle to read between the lines while now he reads and tries to digest the lines themselves. The Russian press still provides a very good indication of prevailing moods within the political and military elite establishments of Moscow. It is also still evident that if we are to understand Russian foreign policy making, we must attempt to view international situations through the prism of Russian analysts and officials. Only then can we draw conclusions based on both our and their perceptions of current events and visions for the future.

Vladimir Putin and the New World Order is divided into two parts. The first is a chronologically organized story of Putin's efforts to find a niche for Russia in the world since his sudden appointment as acting president at the end of December 1999. Throughout, Black places great emphasis on the sequence of events to illustrate important patterns, for example, Putin's tendency to make dramatic overtures to the East as preparation for negotiations with the West. The book's second part focuses on Russia's attention to specific regions of the world and types of international activity. These include individual countries such as China and Ukraine, regions like Central Asia and the Caucasus, integrative agencies including the CIS, concepts and practices among them, matters of security and military reform, and the ambivalent Russian associations with so-called rogue states.

Education and the Politics of Memory in Russia and Eastern Europe Sergey Rymyantsev, 2025-01-21 This book examines both formal and extracurricular education and the politics of memory and historical narratives in Armenia, Azerbaijan, Russia, and Ukraine. The misalignment between memory politics and history politics forms a central theme of this book. Structured in three parts, it focuses on school education in the post-Soviet states over the 30 years between the collapse of the Soviet Union and the 2022 Russian invasion of Ukraine. The chapters inquire as to how post-Soviet school education, politics of memory, and history politics became active participants in the production of state-approved ideology, patriotism, and a state-prescribed understanding of the national past. Armed conflicts in the territory of the former USSR not only saw numerous victims and refugees but also the emergence of new borders and unrecognized de facto states and the annexation of territories. They also contributed to the creation of new sites of memory, generated their own traditions of commemoration for the heroes and victims of these confrontations, and led to the reconstruction of historical narratives and the construction of new national myths. The research in this book foregrounds how the nationalization of the public space and the reconstruction of national historical narratives in the independent states reflect a desire to monopolize the power to interpret the past with low tolerance of alternative accounts. In this light, the book covers issues such as the nation-state, Sovietization, national history, creation, memory politics, religion, mass media, nationalism, and patriotism and analyzes the relationship of Azerbaijani and Armenian, Russian, and Ukrainian

societies with their histories and pasts A novel study on the topic of memory and history writing this is a timely contribution to the field of Post Soviet history and Russian and Eastern European Studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Tryk og tilpasning. Sovjetunionen og Danmark siden 2. verdenskrig Bent Jensen, 2019-12-05 Danmark og de øvrige nordiske nabolande har altid interesseret Sovjetunionen men i de senere år er disse lande for alvor kommet i Moskvas søgelys Norden er umiddelbar nabo til den socialistiske supermagt der har et enormt militærapparat anbragt i og omkring den nordiske region inklusive stjerne Et dramatisk udtryk for den sovjetiske interesse var grundstødningen af en sovjetisk ubåd i den svenske skærgård i 1981 Tryk og tilpasning omhandler de forskellige måder hvorpå Danmark under den kolde krig tilpassede sig Sovjetunionens krav og hvilke måder den store nabo havde med de nordiske lande der havde en strategisk vigtig position for supermagten Bogen er baseret på sovjetiske såvel som danske kilder Bent Jensen født 1938 er dansk historiker og forfatter Han er professor emeritus ved Syddansk Universitet og har været leder af Center for Koldkrigsforskning Han er oprindeligt uddannet cand.mag. i historie og russisk og har udgivet en lang række bøger om russisk historie

Russian Notions of Power and State in a European Perspective, 1462-1725 Endre Sashalmi, 2022-10-25 Winner of the 2023 Marc Raeff Book Prize A 2023 REFORC Book Award Longlist Title This book highlights the main features and trends of Russian political thought in an era when sovereignty state and politics as understood in Western Christendom were non-existent in Russia or were only beginning to be articulated It concentrates on enigmatic authors and sources that shaped official perception of rulership or marked certain changes of importance of this perception Special emphasis is given to those written and visual sources that point towards depersonalization and secularization of rulership in Russia A comparison with Western Christendom frames the argument throughout the book both in terms of ideas and the practical aspects of state building allowing the reader to ponder Russia's differentia specifica

Kultūros barai, 2017 **Fashion Meets Socialism** Jukka Gronow, Sergey Zhuravlev, 2015-08-19 This book presents above all a study of the establishment and development of the Soviet organization and system of fashion industry and design as it gradually evolved in the years after the Second World War in the Soviet Union which was in the understanding of its leaders reaching the mature or last stage of socialism when the country was firmly set on the straight trajectory to its final goal Communism What was typical of this complex and extensive system of fashion was that it was always loyally subservient to the principles of the planned socialist economy This did not by any means indicate that everything the designers and other fashion professionals did was dictated entirely from above by the central planning agencies Neither did it mean that their professional judgment would have been only secondary to ideological and political standards set by the Communist Party and the government of the Soviet Union On the contrary as our study shows the Soviet fashion professionals had a lot of autonomy They were eager and willing to exercise their own judgment in matters of taste and to set the agenda of beauty and style for Soviet citizens The present book is the first

comprehensive and systematic history of the development of fashion and fashion institutions in the Soviet Union after the Second World War Our study makes use of rich empirical and historical material that has been made available for the first time for scientific analysis and discussion The main sources for our study came from the state party and departmental archives of the former Soviet Union We also make extensive use of oral history and the writings published in Soviet popular and professional press

Central Asia and the Caucasus Touraj Atabaki, Sanjyot Mehendale, 2004-11-10 Since the collapse of the Soviet Union a number of linkages have been established between newly independent Central Asian states or populations within them and diaspora ethnic groups This book explores the roles that diaspora communities play in the recent and ongoing emergence of national identities in Central Asia and the Caucasus The loyalties of these communities are divided between their countries of residence and those states that serve as homeland of their particular ethno cultural nation and are further complicated by connections with contested transnational notions of common cultures and peoples Written by highly respected experts in the field the book addresses issues such as nationalism conflict population movement global civil society Muslim communities in China and relations between the new nation states and Russia This innovative book will interest students and researchers of transnationalism and Central Asian studies

Images and the Making of the Russian Empire, 1471-1721 Valerie A. Kivelson, 2025-09-18 Exploring the visual record of the Muscovite tsardom this book demonstrates that in imperial settings images actually do things Richly illustrated with 120 arresting little known images it considers how those images functioned as active agents for and against empire Images and the Making of the Russian Empire moves out from the throne room of the Kremlin to engravers workshops of Chernihiv and Kyiv to the Amur River basin to the icy peaks of Kamchatka wherever imagery and empire intersected which was everywhere The book presents an unexpected array of pictorial material including Muscovite illuminated histories Ukrainian political theological prints and Siberian reindeer herders pictographic signature marks Valerie A Kivelson demonstrates how pictures created by conquerors and conquered by elites and subjects by the powerful and the disempowered advanced and shaped the tsardom as it grew into an ethnically and religiously diverse empire in ways that have remained unnoticed until now Through its novel visual methodology it offers original perspectives on both Moscow s ambitions and the ways in which populations coming under tsarist control pushed back and reshaped the regime s own understanding of what it meant to be an imperial state

Russian and Soviet Diplomacy, 1900-39 Alastair Kocho-Williams, 2011-12-13 Addressing the impact of the Russian Revolution and change and continuity in diplomacy during the transition from Empire to Soviet Union this book examines how Russia s diplomacy was conducted the diplomats behind it the establishment of the Soviet diplomatic corps and the steps taken to integrate the Soviets into the diplomatic world

Bolshevik Sexual Forensics Dan Healey, 2022-11-15 In an effort to modernize criminal and civil investigations early Bolsheviks gave forensic doctors most of whom had been trained under the tsarist regime new authority over issues of sexuality Revolutionaries believed that forensic medicine could provide scientific and

objective solutions to sexual disorder in the new society Bolshevik Sexual Forensics explores the institutional history of Russian and Soviet forensic medicine and examines the effects of its authority when confronting sexual disorder Healey compares sex crime investigations from Petrograd and Sverdlovsk in the 1920s to the numerous publications by forensic doctors and psychiatrists of the prerevolutionary and early Soviet periods to illustrate the role that these specialists played In addition Healey presents a fascinating look at how doctors diagnosed and treated hermaphroditism showing how Soviet physicians revolutionized the standard scientific view in these cases by taking into account individual desire This study sheds light on unexplored radical and reactionary forces that shaped the Bolshevik sexual revolution as lawmakers defined new ways of seeing sexual crime and disorder Forensic doctors struggled to interpret the replacement of the age of consent with a standard of sexual maturity a designation that made female sexuality a collective resource not part of an individual s personality Innocence experience and virginity played a major role in the expertise doctors furnished in rape and abuse trials Psychiatrists recoiled from the language of sexual psychology in their investigations of sex criminals Yet in the clinic Soviet physicians probed the desires of the two sexed citizen whose psychology served as the basis for a distinctly modern approach to the erasure of the hermaphrodite Healey concludes that the vision of men and women as equals after a sexual revolution was undermined from the outset of the Soviet experiment Law and medicine failed to protect women and girls from violence and Soviet medicine s physiological and biological model of sexual citizenship erased the vision of sexual self expression especially for women This groundbreaking study will appeal to Soviet historians and those interested in gender studies sexuality medicine and forensics *Chosen Places: Constructing New Jerusalems in Slavia Orthodoxa* Jelena

Erdeljan,2017-06-06 In *Chosen Places Constructing New Jerusalems in Slavia Orthodoxa* Jelena Erdeljan focuses on the Old Testament topic of the divinely chosen status of Jerusalem and translatio Hierosolymi including the history process and media of formulating and disseminating this idea and its spatial visual matrix in Christian visual culture Firstly the study presents the case of Constantinople the capital of the Byzantine Empire as New Jerusalem and secondly in relation to Constantinople discussion focuses on the cases of the capitals of Slavia Orthodoxa in the later Middle Ages Turnovo Belgrade and Moscow The idea of Jerusalem corresponds with the idea of a mystical center the center of the historical Christian world which travels and follows the path of eschatological realisation

Russia's First World War Peter Gatrell,2014-07-10 The story of Russia s First World War remains largely unknown neglected by historians who have been more interested in the grand drama that unfolded in 1917 In *Russia s First World War A Social and Economic History* Peter Gatrell shows that war is itself revolutionary rupturing established social and economic ties but also creating new social and economic relationships affiliations practices and opportunities Russia s First World War brings together the findings of Russian and non Russian historians and draws upon fresh research It turns the spotlight on what Churchill called the unknown war providing an authoritative account that finally does justice to the impact of war on Russia s home front **The Soviet Century** Karl

Schlögel, 2024-10-29 An encyclopedic and richly detailed history of everyday life in the Soviet Union The Soviet Union is gone but its ghostly traces remain not least in the material vestiges left behind in its turbulent wake What was it really like to live in the USSR What did it look feel smell and sound like In *The Soviet Century* Karl Schlögel one of the world's leading historians of the Soviet Union presents a spellbinding epic that brings to life the everyday world of a unique lost civilization A museum of and travel guide to the Soviet past *The Soviet Century* explores in evocative detail both the largest and smallest aspects of life in the USSR from the Gulag the planned economy the railway system and the steel city of Magnitogorsk to cookbooks military medals prison camp tattoos and the ubiquitous perfume Red Moscow The book examines iconic aspects of Soviet life including long queues outside shops cramped communal apartments parades and the Lenin mausoleum as well as less famous but important parts of the USSR including the Great Soviet Encyclopedia the voice of Radio Moscow graffiti and even the typical toilet which became a pervasive social and cultural topic Throughout the book shows how Soviet life simultaneously combined utopian fantasies humdrum routine and a pervasive terror symbolized by the Lubyanka then as now the headquarters of the secret police Drawing on Schlögel's decades of travel in the Soviet and post Soviet world and featuring more than eighty illustrations *The Soviet Century* is vivid immediate and grounded in firsthand encounters with the places and objects it describes The result is an unforgettable account of the Soviet Century **The New Third Rome** Jarðar Østbø, 2016-05-03 Drawing on theories of political myth and concepts of nationalism Jarðar Østbø analyzes the content and ideological function of the myth of Russia as a Third Rome Through case studies of four prominent nationalist intellectuals Østbø shows how this messianic myth was used to reinvent Russia and its allegedly rightful place in the world after the collapse of the Soviet Union Though it exists in many radically different versions the Third Rome myth in general embodies particularism and rabid anti Westernism At best it portrays Russia as an essentially isolationist country At worst it casts the country as superior to all other nations divinely elected to rule the world **Zinaida Hippius** Temira Pachmuss, 1971 Zinaida Hippius who died in 1945 at the age of 76 was a poet novelist and essayist Her works had a remarkable impact upon the spiritual and cultural life of St Petersburg and Paris during the first two decades of the twentieth century the Silver Age of Russian poetry In Soviet publications today however she is called a Decadent a counterrevolutionary and an enemy of Communist society Miss Pachmuss's brilliantly perceptive and thoroughly scholarly study makes an important contribution to the study of Russian literature and cultural movements Against the background of late nineteenth century literary and intellectual life Miss Pachmuss explores the cultural ferment out of which Russian Symbolism emerged It was in this sphere she shows that Hippius found personal identity and of which she became an exponent exemplifying in her own work that bond between religion poetry and mystical sensuality that characterized Russian literature in those years

Politika I Simvoly Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such could be the essence of the book **Politika I Simvoly**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Politika I Simvolu Introduction

In today's digital age, the availability of Politika I Simvolu books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Politika I Simvolu books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Politika I Simvolu books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Politika I Simvolu versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Politika I Simvolu books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Politika I Simvolu books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Politika I Simvolu books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Politika I Simvolu books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Politika I Simvolu books and manuals for download and embark on your journey of knowledge?

FAQs About Politika I Simvolu Books

What is a Politika I Simvolu PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Politika I Simvolu PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Politika I Simvolu PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Politika I Simvolu PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Politika I Simvolu PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without

significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
