Pony To Love:

A Pony to Love Christine Taylor-Butler,2005 Two children playing with toy ponies consider all of the wonderful things they could do with real ponies *The Courage to Love* Antonia L. Wilson,2016-08-25 *The Courage to Love* by Antonia L. Wilson Antonia L. Wilson's *The Courage to Love* is a captivating novel of a ragtag group of individuals with diverse backgrounds whose fate brings them together. First is Lucia who has spent years in prison for a crime she did not commit and balks at being released as she has no one and no idea how to survive on her own. A homeless man named Raul saves her from making the biggest mistake of her life and they decide to work together to stay alive. Along the way there are children to rescue and animals to protect. Raul is a loving, caring man who was willing to give everything he had and work his fingers to the bone to care for his family, and his wisdom helped Lucia find her own creativity and strength to survive. The family became known for their kindness and hard work, attracting the attention of a judge, some policemen, and a lovely young woman of wealth who would assist them on their journey. This is a story about a family with the ability to overcome difficult situations and find happiness and love. Raul teaches that children need to feel that they are loved and accepted and should be encouraged to be the best they can be regardless of the path they choose in life.

Internship & Volunteer Opportunities for People Who Love Animals Ann Byers,2012-12-15 Whether young people like cats or canaries, pugs or pigs, horses or seahorses, they can look for an internship or volunteer position where they can be around those animals. Teens discover internship opportunities that are win-win propositions and can be gateways to jobs and careers. Many schools have begun to incorporate community service projects into their curriculum, requiring students to participate in a specified number of service hours. Readers explore the ways to find and land opportunities, whether using local organizations and businesses, websites, school counselors, groups and clubs, or approaching colleges that offer internships for animal lovers. Readers gain practical information about working with typical animals as well as exotic creatures, wild animals, birds, and sea animals such as those found in zoos, aquariums, nature centers, and wildlife sanctuaries and preserves. Other opportunities described include those in animal-assisted therapy, hospitals, clinics, shelters, kennels, and catteries, doggie daycares, ranches, stables, camps, and pet grooming businesses.

Marienbad My Love With Mango Extracts Mark Leach (writer.),2011 Exiled on a deserted island, a Christ-haunted journalist-turned filmmaker attempts to persuade a married woman from his past to help him produce a skin-care-themed pastiche to the 1960s French New Wave classic *Last Year at Marienbad*. Through this act of artistic creation, he expects to carry out the will of God by prophesizing the death of time and the birth of a new religion. If only he can make the woman remember him. *Marienbad My Love With Mango Extracts* is a 285,000-word reboot of *Marienbad My Love*, the world's longest novel at 17 million words.
