Ten Prayers That Changed the World Jean-Pierre Isbouts, 2016-03-01 From time immemorial prayer has provided comfort in our darkest hours stirred us to action beyond what we thought possible and shown us the way through seemingly insurmountable challenges In this engaging tour of world history author and historian Jean Pierre Isbouts takes us on an inspiring tour of ten prayers that

played a pivotal role in world events from the divine inspiration of Joan of Arc to Martin Luther's powerful hymn A Mighty Fortress is our God from Abraham's poignant plea to save his son to George Washington's prayerful words to the newly formed American states from Constantine the Great's prayer before battle to Gandhi's deeply moving prayer of peace Ten Prayers That Changed the World delves into the moments in history where faith and prayer intersected with the course of mankind 2016 Best Book Award in Spirituality **Life-Changing Prayers** Michael Youssef, 2018-07-31 They were just ordinary people a loyal servant a woman who desperately wanted a child an old man who still had hope and a young teenager who couldn't quite believe God's great love Ordinary people who prayed extraordinary prayers to an extraordinary God They weren't always eloquent They weren't always the type of person you might think God would listen to But they trusted God and his plans for their lives and that made all the difference Life Changing Prayers tells their stories and shares their desperate hopeful and gratitude filled prayers inspiring and emboldening readers to ask God for the desires of their own hearts Anyone who desires to pray life changing prayers as well as anyone whose prayer life has grown stagnant or nonexistent will find here the encouragement to pray confidently and expectantly to the God who always hears and always answers *Prayer changes nations* , **Seeking the Favor of God** Mark J. Boda, Rodney Alan Werline, 2007 The essays collected in this volume investigate the development of prayers of penitence within Jewish literature of the Hellenistic and Roman periods The book provides a critical overview of the present state of research on these prayers and leading experts in the field use a variety of methodologies to investigate afresh various texts from the Hebrew Bible apocryphal deuterocanonical and pseudepigraphical works and the Qumran corpus in order to provide new insights into this prayer tradition **Does God Know the Future?** , *Prayers and Decrees that Activate Angel Armies* Tim Sheets, 2022-10-18 In this powerful book of declarations bestselling author Tim Sheets equips you to partner with God's angel armies by boldly praying Holy Spirit anointed words that dispatch them into action Most Moved Mover Clark H. Pinnock, 2019-10-01 In 1994 Clark Pinnock along with four other scholars published The Openness of God which set out a new evangelical vision of God one centered on his open relational and responsive love for creation Since then the nature of God has been widely discussed throughout the evangelical community Now Pinnock returns with Most Moved Mover to once again counter the classical deterministic view of God and defend the relationality and openness of God This engaging defense of openness theology begins with an analysis of the current debate followed by an explanation of the misconceptions about openness theology and a delineation of areas of agreement between classical and openness theologians Most Moved Mover is for all evangelicals regardless of their viewpoint as it lays out the groundwork for future discussions of the open view of God **Biblical Counsel** , 1993 Secrets of a Prayer Warrior Derek Prince, 2009-05-01 One of the most personal and powerful acts a Christian can engage in is prayer Yet many believers struggle with their prayer lives wondering whether they are really making a difference and how they can be more effective Delving deep into the biblical understanding of prayer beloved

author and leader Derek Prince shows readers the secret to leading a dynamic prayer life how to receive what they ask for and how to align themselves with the heart of God Practical strategies like fasting biblical study discipline and consistency are extensively explained and illustrated by powerful testimonies This is a life changing book The Evangelical Church at the Crossroads of Secular Culture and Change Dr. Arnold O. Thompson, 2025-03-28 This book lays out in clear biblical and specific ways how the kingdom of God can effectively intersect with the kingdom of this world The author first laid out the dark forces in the churches engagement in the so called cultural wars like storm force winds blowing at the doors of the church to influence its message change its historical methods corrupt its mission It identifies the crises in all three areas The author contends that by and large the so called cultural wars waged by sections of the evangelical church have been lost in the real mission of the Christian church The book does not linger long here but rigorously lays out the biblical mandate and methods for the church to regain its purpose and mission of Christ in the world This is the goal of this book From the start the author understood this was an extensive undertaking to stand like John on the island of Patmos looking at visions of the modern church and to write a manifesto as if to say for God I see you I see what a large and influential segment of the church is doing which I contend is hurting the cause of Christ and His Gospel today But also to say that I see what is needed to again influence the culture to turn to Christ To give as did John a clear voice to defy the confusions and uncertainties and communicate effectively the Gospel of Christ to a lost world This goal would seem impossible to see a revival of the Gospel in secular culture like the great revivals of the past Except the ancient prophets said as did Peter in the revival of Pentecost In the last days God says I will pour out my Spirit on all people Your sons and daughters will prophesy your young men will see visions your old men will dream dreams Acts 2 17 This book is a dream path to the reality of a revival of the Gospel in our times *Desperate Prayers for Desperate Times* John Eckhardt, 2018 EXPERIENCE BREAKTHROUGH IN YOUR PRAYER LIFE When you have exhausted all your options and everything you were holding onto has failed God steps in He hears your cries and remembers His promises to you He never turns away the desperate He never ignores your tears The dreams and visions God has placed in the hearts of His people will come to pass All you have to do is learn to pray desperate prayers Using the prayer of Hannah as a model best selling author John Eckhardt invites you to a life of prayer that consistently sees results Through biblical teaching and practical application you can persevere in prayer no matter where you are in your life how bad things may look or what situation you find yourself in Have the last word over the enemy and experience joy in God s presence **Prayer Between Friends** Earl F. Palmer, 1991-12 **Memoirs of an Ordinary Guy** Daniel Stuart Olmes, Jamie Clarke, 2023-01-24 By most measures Daniel Olmes is an ordinary guy but he s learned how to live an extraordinary life In *Memoirs of an Ordinary Guy* Daniel asserts that we are all capable of being extraordinary and redefines what it means to be just another ordinary person He is living proof that extraordinary is there for all of us It doesn t mean rich or famous It doesn t mean better To Daniel extraordinary means grateful honest happy loving fearless and faithful Doing

extraordinary things is not what makes us extraordinary Being extraordinary is having an extraordinary perspective on our lives and the things that happen to us Daniel s narrative will inspire everyone to view their lives differently remind us of the stories that we all share and spark a renewed curiosity about a world that s anything but ordinary **Prayer** Frank Charles Laubach,2023-02-27 In this now classic exhortation to intercessory prayer famed Congregational missionary Frank Laubach outlines the promises and pitfall of praying for others Though prayer remains the mightiest force in the world it s power is often diluted by parochialism and personal selfishness which Christians can together overcome *A New History of the Book of Common Prayer* Francis Procter,Walter Howard Frere,1908 **Spiritually Revitalizing Your Community of Faith through Prayer** Robert Arthur Hansen, DMin,2023-08-03 As we enter a Community of Faith for the first time we are naturally drawn to a shared spirituality It may be a congregation synagogue mosque or temple It is shared spiritually of the people at prayer which attracts us and draws us to unite with others in prayer There are three shared stands of any Community of Faith their shared faith tradition the culture of the community and the personalities of the members This book examines the elements of tradition culture and personal temperament to determine how the three become spiritually integrated at the moment of prayer The conclusion is that through an explicit assessment of these three elements members of the faith community can enrich their personal spiritual life resulting in spiritual growth and can ultimately revitalize the spiritual prayer life of the community of faith The books is a spiritual intervention of a Presbyterian congregation in Central New York in the 1980s I m grateful for the prayer group that committed there Wednesday nights during 1986 This is their story of how they were able to revitalize the spiritual life of a 150 year old three hundred member Presbyterian congregation
